YOUR STOREKEEPER is behind the age.

If he doesn't keep SAPOLKO in stock. No city store has it. The great process of the country handle no other sorghum syrup because the best housekeepers will not use cheap substitutes which are liable to do damage for greater than the little saving in cost. If your storekeeper does not keep SAPOLKO tell him to keep it. If he offers you some other syrup, ask him why.

WHY DO YOU COUGH?
