FOR SPOT CASH

I must have it! My business requires it! Come in and get the bargain! Lots of New Goods! Fine Line of Boots and Shoes! Come at once, and when you get home say... "I'VE SOLD THE CASH, I WANT SOME GOODS." Money makes the same go and the old mare can't go any faster without more money. Being your problem, let's start with a $2.00 cash price for it. Tell your neighbors that, for cash, WOODS is selling lots of goods.

Yours for $2.00, your margin in the post, I am
