Facts that Cannot be Disputed:

We make the assertion that we will sell you more goods for less than any house in the county. It makes no difference where other merchants buy their goods or how they get them; we positively state that they cannot compete with us. We can show you the largest stock of

CLOTHING, DRY GOODS, BOOTS and SHOES, HATS and NOTIONS, and will give you better money's worth than any one can. Come and see and don't spend your money until you do see, as we must have your trade if prices and goods will get it.
