You and Your Children

It is a wonderful remedy which adds beneficial and delightful qualities to your food. The Scott's Emulsion is a fine preparation of Pan Norwegian Cod Liver Oil and Hypophyseal, prepared by the Scott's Phosphate Company, Chicago, Ill. It contains the following ingredients: 1. Pure Cod Liver Oil, 2. Pan Norwegian Cod Liver Oil, 3. Hypophyseal. It is a wholesome food that is invaluable in the treatment of scurvy, rickets and other diseases of the blood. It is a fine remedy for children and is guaranteed to give them strength and vigor.

Science Hall

Owenboro Female College

Bookkeeping

The bookkeeping course is designed for students who wish to become bookkeepers. It covers the principles of bookkeeping, including the use of ledgers, journals, and trial balances. Students will learn how to record transactions, prepare financial statements, and perform other bookkeeping tasks. The course is taught by experienced bookkeepers and is designed to prepare students for careers in bookkeeping.

Carrsville School

Carrsville, Ky.

The school offers a comprehensive curriculum, including subjects such as math, science, literature, and history. Students are taught through a combination of lectures, discussions, and hands-on projects. The school also emphasizes the importance of physical fitness and offers a variety of sports and extracurricular activities. The school aims to provide a well-rounded education that prepares students for life beyond school.
