Attention Farmers!

Brewing's Scientific Chart.

Sold on two weeks trial.

Mr. O. D. Cannon, brewer of this city, has just received the exclusive agency for the sale of a new scientific chart of the process by which beer is made, and at a much cheaper price, for their winter efforts.

The process is tested and approved by the best authorities, and when the winter comes, farmers will be glad to have it.

The chart is made in sections, and will be sold at a considerable price, and will be shipped as ordered.

Total Vote of the County

Crittenden.

General Commodities.

With our national party, Rep. H. H. Browning, who is a great friend of the farmers of this county, has been given the nomination for the office of Representative from this district.

Litchfield County.

Edward Brown is elected by a majority of 1500 votes.

Tobacco.

Marion elected a band of Democrats.

There were no returns from the county of Marion, as the election was held at a different time than in the other counties.
