THE GREATEST

Labor - Saving - Machine!

OF THE AGE.

The Scientific Churn.
R. H. Browning, Patentee.

THANKSGIVING DAY,

The Only Churn on Earth
That Utilizes the Air in the Process of Buttermaking.

WE WILL GIVE
$1,000 REWARD!

For any Churn that will make a better quality of butter in the same length of time.

J. D. O'BANNON, General Agent.

BRIEF DESCRIPTION:

The Scientific Churn utilizes the force of the wind in the process of making buttermilk, and is the only churn in the market that will make a better quality of butter in the same length of time.

R. H. BROWNING, Patentee.

J. D. O'BANNON, General Agent.

Attention, Farmers! Remember the Scientific Churn is sold on two weeks trial.
