Having succeed Mrs. F. W. Loving in the Millinery Business, I have just returned from purchasing a complete stock of millinery goods ever brought to Marlon. All of the latest, newest and most improved articles are in the line. Children's Hats, Bonnets, etc, and everything in the line. Over 100 of the prettiest baby caps you ever saw. Prices to suit the hard times. Remember the big opening April 1st and 2nd and 3rd. Don't fail to come, Ladies.
