A Successful Remedy Has Been Found.

The Rex Hog Remedy

Was given more than two years test of the best and without fail before being placed on the market.

May 18, 1883. This is an original drug and the work of Dr. J. P. Reed, Medical Director of the firm, and could not be secured from any other drug store.

The London University Press has issued a new edition of Dr. P. Reed's book, "The Rex Hog Remedy," which is the only book ever written on the subject of hog diseases and hog remedies. The book contains a history of hog diseases and hog remedies, and is written in a clear and concise style.

Dr. P. Reed has been in the business of hog remedies for many years, and has made many important discoveries in the field.

In the meantime, the book has been published in the United States, and is now available at all drug stores.

The book is recommended to every hog farmer, and to all who are interested in the welfare of hogs.
