Was given more than two years past in various localities before being placed on the market.

MARION, KY., Aug. 13, 1897.

This is to certify that I have used the Rex Hog Remedy and find it in no way to be excelled.

J. P. BIRD

MARION, KY., Sept. 5, 1897.

I have given the Rex Hog Remedy a fair trial and find it to be as recommended. Had some samples which had the cholera and after feeding them on Rex Hog Remedy they are now healthy and running and I am anxious to get more for my pigs.

You Don't Know Where Bottom is on Prices Until You Visit Our Store!

We will not be Undersold in Dry Goods, Hats, Gloves or Anything in Our Line!

DO YOU
Think we would LEAD if we did not deserve it.

This Store
Stands solely and solidly on the character of its merchandise and the certainty of proper prices.

The Leader of its Statements
And the fulfillment of its service. In order for us to survive in the face of all kind of competition the merchant is forced to maintain against us, he must place on his show-case

Merchandise that is the best
Of its kind obtainable. If he depends exclusively upon prices to sell his goods, regardless of quality, it is only a question of a fraction when his trade drops away until he reaches the limit where he is forced to widen.

This has been the business history and proves beyond contradiction that the consumer to whom the merchant makes any pretense does appreciate and will buy a good article when he knows it is good, and when he knows he can buy it at the right price.

The Moral we wish to illustrate
Is this: do not go on selling merchandise with an over increasing business whichpromise that one can only do your business when you have, rather than when you have. Then, you have no chance, and you have none.
