They carry the largest stock, the best quality, the greatest variety in styles. They believe in competition, because it is best for the people.

THEY BELIEVE IN QUICK SALES AND SMALL PROFITS.

In short they mean to sell the goods, not to make a pretty profit, but to sell them very cheaply and get the money spent for advertising and the gain realized on the difference between the cost and all kinds of material goods that our salesmen have also used in the job in this department.

We have an ENGAGEMENT to furnish when wanted.
