Slaves In Cuba

Two more issues for Cuba young women, in behalf of which we invite our friends to contribute. The demand for Cuba male labor is also growing, and we would like to help the women who are willing to go to Cuba to work in the fields. The number of women who have volunteered to go to Cuba is increasing. We believe that women should have the opportunity to work and contribute to the development of Cuba.

Ager's Chry's Patection

When the Country was full of Chronic Bronchitis, Ager's Chry's Patection was the cure for the ailment. It was advertised as a miracle cure, and many people believed in its effectiveness. Despite the claims, the product was later found to be ineffective and potentially harmful.
