The Costliest Cough Cure
Is Change of Climate.

The most expensive cough cure
is change of climate.

The most costly medicine
is change of climate.

And it's a cure that's not often possible and not always sure.
There's a better medicine and a cure. Why not try the lungs to the climate
Instead of fitting the climate to the lungs? It is the power to do this
that makes the cure.

AYER'S
Cherry Pectoral
THE BEST COUGH CURE

in the land. It is a sure cure for coughs and colds; a specific for Asthma,
Bronchitis, Croup, Whooping Cough, it prevents Pneumonia, cures Laryngitis. As a preventive it has saved the health of millions of people. It is
helpful in many cases of disease marked by the signs of impaired
Respiration. Ayer's Cherry Pectoral is effective in every case.

At Half Price, 50 cts.

Blacksmithing Cure

We take this method of connecting to the public the fact that we, J. G. Gilbert and
Joe Hooper, have formed a partnership for the pursuit of Blacksmithing.
We make a specialty of

Horse-Shoeing

For this is what we are mainly engaged in.

We guarantee our work; our prices are reasonable and we will be glad to have your patronage.
