Aue expansion doctrine is not so strong rs it was a month ago. Ww. J. Bryan set the country to thing on the subject, and practically crystaliznew ides. Senators Hoar and Mason eral, will profit by reading it: followed in the same wake last week in speeches in the Senate, and their speeches were not only heard over the country, but at the White House, and the pell-mell rush for annexation has been checked.

Commissary General Egan was called before the war investigating commission last week, and in a carefully prepared statement denied the charges of Gen. Miles that some of the meat furnished the army was so obnoxious that it made the soldiers sick, that he understood it was prepared by some chemical process as an experiment. Egan said Gen. Miles lied in his mouth, his throat and his heart, and ought to be dismissed from the service. The Commission refused to receive his statement and returned it to him for revision. The affair has crated a stir in army circles, and Egan's course is condemned on all sides. A thorough investigation and a court martial may Four Members of State Board

Louisville is the home of the political simoon. The atmosphere of that town is always more or less impreg- Clerks whose salaries aggrenated with miasma from the nostrils of the spoil-consumers, and occasionally it becomes sur-charged, rises and sweeps over the State, contaminating the purer atmosphere of both parties. The Evans and anti-Evans factions quarrel over the Republican piecounter, and the fight is carried into State politics. The Halderman and anti-Halderman fight over the Democrat bones, and carry the war into the race for governor and every other race into which they can get, and thus it is that Louisville generates the nauseous gases that make State politics more or less sickening.

Senator Caffery has been making some figures on the cost of maintaining the Philippines in the event of annexation. He estimates the entire cost of transporting and maintaining the soldiery, and other expenses of setting up business for ourselves in One Chief Clerk the islands at \$221,000,000 annually. The largest revenue ever collected by Spain from them in one year was \$13,000,000. Supposing that we collect that amount, there would be a balance of over \$200,000,000 against this country-or about \$2.50 for evgiving them a helping hand in pitching their crop.

Candidates for the legis!sture are announcing. Among the aspirants for legislative honors is Hon. John Mc Meloan of Calloway county. We had the honor of occupying a deak with him during the last session, and there was not a more faithful or con scientious member of the House than our desk-mate. He was always at bis post of duty, always awake to the bearings of every measure that came for governor.
