

## WEARY OF THE FRAY

Filipino Emissaries Confering With the Americans.

WANT PEACE AND INDEPENDENCE.

Aguinaldo Asks Recognition of His Government, but General Otis Can't See the Way Clear to Compromise—Insurgent Army in a Position to Prolong Hostilities.

Manila, Oct. 2.—A third attempt is being made by General Aguinaldo to secure from the United States some sort of recognition of his government.

The Filipino envoys had an hour's conference with General Otis. They brought from Aguinaldo a message that he desired peace and wished to send a civilian governmental commission to discuss the question.

General Otis replied that it was impossible for him to recognize Aguinaldo's government in any way.

He presented a letter from Aguinaldo as "president of the republic," which was largely a repetition of his recent appeals for recognition.

General Otis informed them that while he was willing to correspond with Aguinaldo as general of the insurgent forces, he must positively decline to recognize him as president of the civil government.

Another conference will be held. The Filipinos will remain two or three days. Their movements are quite unrestricted, but they are under the constant observation of Captain Johnson of the sixteenth infantry.

They visited the hospitals and distributed money among the wounded Filipinos, after which they made calls and received visitors at their hotel.

"We desired peace but peace with independence and honor," said General Aguinaldo. He impressed one as dignified and dispassionate and as a keen man of the world.

He was educated in Europe and designed the remarkable entrenchments from Manila to Talaric. While reticent concerning his mission, his conversation throws an interesting light on the Filipino view of the American attitude.

"How long can the Filipino army and people withstand 60,000 American troops?" was asked.

"Fighting in our way we can maintain a state of war and the necessity for a large army of occupation indefinitely. You Americans are holding a few miles around Manila, a narrow line of railroad to Angeles and a circle of country around San Fernando. But you are ignorant of the resources of Luzon. We hold the immense rich, productive northern country from which to draw. Our people contribute the money and food which maintain our army, and this is done at a minimum of cost."

**Filipino Forts Captured.**  
Manila, Sept. 27.—Colonel Sam Snyder, commander of the Eighteenth Infantry, with 517 men, has captured the insurgent forts in the island of Gebu. The insurgents were completely routed. The Americans had one man killed and four wounded. The enemy is believed to have lost 40 men.

**A Father's Vengeance.**  
Cooper, Tex., Sept. 28.—James Ryder, who owns a ranch, put a boy named Pulaski on the horse to exercise the animal. The horse became unmanageable and threw the boy and broke his neck. The father of the boy was sent for. On seeing the lifeless body of his son he attacked Ryder with a dirk and stabbed him to death. Pulaski surrendered to the authorities.

**Keeneye All Right.**  
Boston, Sept. 28.—The battleship Keeneye on her official speed trial over the Cape Ann course averaged 16.84 knots per hour. On the outward run of 33 knots she averaged 17.32 with smooth sea and wind abeam. On the return she averaged 16.37 knots against a head wind. The contract requirement was 16 knots.

**Coal Advances.**  
Knoxville, Sept. 28.—It is announced here that the local coal companies will make an advance of 10 cents a ton on Oct. 1. This is caused partly by the unprecedented demand and partly by a 10 per cent increase in the pay of the miners recently granted at all the mines in the Jellico and Coal Creek districts.

**Steamboats Burned.**  
Chicago, Sept. 29.—The steamboats R. J. Gordon and Ivanhoe were destroyed by fire while lying at Lake Michigan docks. The fire originated on the Ivanhoe and spread quickly to the Gordon, which was tied alongside the Ivanhoe. Total loss, \$50,000.

**Applied the Torch.**  
Orange, Tex., Sept. 30.—The Alex. Galmer sawmill and lumber yard were burned by incendiaries. Loss on mill \$150,000. The ranchers have made one arrest. Charles Gunstman was overcome by heat while fighting the fire and may die.

**An Oregon Fire.**  
Grant's Pass, Or., Sept. 30.—The Palace hotel, a two-story frame building, and 16 barns and warehouses and some other buildings were destroyed by fire. The fire is supposed to have been caused by a defective flue. Loss, \$75,000.

**Portland, Me., Sept. 30.—**The Democratic of the 10th congressional district nominated Luther F. McKimney of Bridgton for the seat made vacant by the resignation of Thomas B. Reed.

## DEWEY'S WELCOME.

It Expelled Like Demonstrations of the Ancient Romans.  
New York, Oct. 2.—Admiral Dewey's reception and welcome here rivaled like demonstrations of the Romans of old. The great warrior and his gallant fleet for three days received the homage of millions. On Friday a magnificent naval parade took place. This was followed and eclipsed on Saturday by the land procession. Thirty thousand men were in line, and the Olympia's men were accorded wonderful ovations. New York was gorgeously decorated and brilliantly illuminated during the occasion. The admiral was the recipient of many presents, among them two beautiful gold cups. Monday Mr. Dewey left for Washington, where fresh honours await him.

**Earthquakes Felt at Sea.**  
San Francisco, Sept. 27.—The earthquakes which shook up the coast early in September made themselves felt miles at sea. Three vessels which have arrived from the northern salmon fisheries report experiencing most peculiar weather on Sunday, Sept. 3, the day of the first of the tremblings.

Captain Charles Johnson of the bark B. P. Cheney, which was at sea almost opposite Kodiak at the time of the disturbance, states that on September 3 heavy gale sprang up, the air being very sultry. The barometer fell rapidly, but in about 15 minutes the wind fell and the sea quieted down.

**Democratic Carnival.**  
Dallas, Oct. 2.—Fifty thousand visitors have arrived in this city to attend the national Democratic carnival and "dollar dinner" to be held at the star grounds. Among the prominent arrivals from points outside the state are Hon. W. J. Bryan, Judge Tamm, Senator Berry and Congressman D. Moore of Arkansas, Congressman S. D. O. H. P. Belmont of New York, Governor Dan W. Jones of Arkansas and others.

**Would-Be Assassin Shot.**  
Belgrade, Sept. 25.—Knezevic, who attempted to assassinate King Milan, was shot publicly in the presence of a large crowd. In view of the absence of trustworthy evidence, the finding of the tribunal is the subject of general condemnation. After the sentences were read, Palitch was informed that King Alexander had pardoned him.

**Amer Reported Dead.**  
Simla, Sept. 26.—It is persistently rumored here that Abdurrahman Khan, ruler of Afghanistan, is dead and that a war of succession has already begun. So far as the Indian government is aware, the report is absolutely unfounded.

**Hanged For Rape.**  
Blakely, Ga., Sept. 28.—Jim Hall, colored, was executed here by hanging. Hall committed rape on a white woman in July.

Yesterday a petition signed by seventy tax payers asking for an appropriation to repair the public road at Butler's Creek, on Fords Ferry road, was filed with the Fiscal court. After hearing about the road at that place, and listening for the appeal for help the court decided to inspect that piece of the "king's highway," and at 1 o'clock the eight magistrates, county judge and county attorney with an escort of people interested, went out to see that famous conglomeration of rocks, called a road.

Mr. Henry Howerton was in town Saturday. He is 77 years old and very feeble. A few days ago he went out to cut some corn and fell and was not able to get up or make any one hear him, and but for the accidental passage of his son, he would probably have had to stay there all night.

### TOOK TO THE WOODS.

A Prisoner makes a Bold Dash for Liberty.

A few days ago a warrant was issued charging Chas. Taber, of the Shady Grove section with "unlawfully taking a horse in the peaceful possession of another." Saturday Deputy Sheriff Julian Ainsworth and City Marshal Loyd arrested Taber, and as they were coming to town, after nightfall, Taber leaped off of his horse and made his escape in the woods. Loyd fired at him three times, and it is reported that one ball grazed the underside of his arm, while another went through the lapel of his coat.

It seems that Taber had swapped horses with another man, and finding that his new animal did not suit him, went to the stable of the man with whom he had swapped, and took the other horse without leave or license.

### Gen. Taylor's Speech.

Attorney General Taylor, the Republican nominee for Governor, addressed the largest crowd that has yet come to Marion this campaign to hear a speech, and his effort was very satisfactory to those who follow his cause.

He devoted a great deal of his time to the Goebel election law, making practically the same arguments against it that have been used since the passage of the measure.

He defended the present administration of affairs in the State, arguing that the State government had been more economically administered than under Democratic rule and claiming that money had been saved to the people.

He is, of course, against the Chinn school book bill and the McLeod bill, and presented the arguments that are usually used against these measures.

He boasted at length of "prosperity under the Republican administration in National affairs," and jollied the bolters in Kentucky no little. He thinks they are might good fellows.

He is not a graceful speaker, but presents his side of the questions at issue in a rather forcible manner, and is entertaining. His speech was enthusiastically received and he was warmly applauded at times.

### DEATH'S ROLL.

Mr. James H. Love died at the home of his son, Jefferson, near Dunn Springs church Saturday Oct. 1, after an illness of one month. He had been in declining health for a year or more. The funeral took place from Dunn Springs church Sunday evening.

Rev. B. A. Cundiff preached the funeral discourse to a large crowd, gathered to pay the last sad tribute of respect to the deceased. Mr. Love was born in this county in 1838.

Forty-five years ago he united with the Methodist church, and has for many years been noted for his great faith, and untiring zeal in the christian world. He was an earnest, devoted christian gentleman, and as such was held in great respect and veneration by the people who knew him. He has resided in that section for several years, and his many friends and neighbors will long cherish the good name and remember the good works of James H. Love.

His father, Andrew Love, died in this county many years ago, leaving a large family, among who were, besides James, Thomas Love, of Livingston county, Henry, Charles W. and John Love, of this county, and Mrs. Richard Flannery.

Mr. Love's wife and five children survive him, they are Jefferson and Edward and Foster, and Mrs. J. L. Millican, and Miss Nora.

Henry Bennett, son of Mr. A. J. Bennett, of Tolu, died Monday morning, after several weeks illness of typhoid fever. He was interred in the new cemetery at this place, by the side of his mother, Tuesday afternoon.

Rev. W. H. Miley conducting the funeral services. A large number of his friends of the deceased attended the funeral, and of the who's among them were none who did not deeply regret the death, and tenderly sympathize with the bereaved family.

But a few weeks ago the mother was buried and now the death of the son following so quickly that irreparable loss makes it a heavy blow for the family.

Henry Bennett was in his twenty-second year. A bright, ambitious, hopeful young man, who bore the confidence and esteem of the community where he was born and reared, his death just at the beginning of a useful life, that promised years of usefulness, deeply touched every heart.

Rev. Bretley is propounding the gospel to the people here. He was once a cow boy in Texas. If he has a cow as well as he represents had boys, I'll warrant he was a mark.

By the way Bob, when you go to printing November tickets you ought to come down here and get Mrs. J. M. Franklin's big rooster; he weighs 12 pounds and is three feet from tip of his toe to tip of his bill. "Peck" Franklin is staying with Mrs. Franklin and will construct a trough to feed that famous rooster in.
