MONEY GROWS ON THE TREES

NOT UNTIL THEN will economy cease to be practiced by the thoughtful and wise. All the favorITISM IN THE WORLD and all the "PULLS" of one kind and another in the world can not live beside

LOW PRICES

OUR CASH SYSTEM

Completely new apparatus is being used to make the lowest possible prices. CASH PRICES, also, are as low as they can possibly be. The lowest possible price will be found in our store. We are doing business on a reduced scale, but our winter stock was not bought in a regular way. We bought in advance of the market, which means a universal advance in Dry Goods, Clothing and Shoes bought in a regular way.

April and May for delivery in September, long before many of the advances in prices were made.

Our Store is filled from Garret to Cellar with the
