DANGEROUS VACCINATION.

Mr. P. H. Haynes, A. M., co-founder of the Johnson Institute, was invited by President Washington to speak at the inauguration of the new American Academy of Medicine. Mr. Haynes was the principal speaker, and his address was well received. He spoke on the subject of vaccination and its importance in the prevention of diseases. His address was followed by a discussion, in which several prominent physicians took part. The meeting was a great success, and the audience was much impressed by Mr. Haynes's clear and concise exposition of the subject.

Guarding the Nation.

The United States Government Report shows Royal Baking Powder to be stronger, purer and better than ever before. It has been tested under the most severe conditions and found to be the best in the market. It is the only powder that has been the subject of a public examination by the United States Government. The report states that Royal Baking Powder is the finest in the world, and that it is the only powder that can be recommended for use in the preparation of breads, cakes, and other baked goods.

The result of these tests is that Royal Baking Powder is the only powder that can be recommended for use in the preparation of breads, cakes, and other baked goods.

The report also states that Royal Baking Powder is the only powder that can be recommended for use in the preparation of breads, cakes, and other baked goods.

FEST AND PERSONAL

A large and popular hotel is in process of a complete new

Mrs. Kate Berg, Secretary Ladies Auxiliary of Knights of Pythias, No. 58, Commercial Hotel, Minneapolis, Minn., after five years suffering from asthma, was cured by Lydia E. Finkham's Vegetable Compound. The letter reads:

"Dear Mrs. Finkham—Wherever there is in medicine seems to be concentrated in Lydia E. Finkham's Vegetable Compound. I suffered for five years with asthmatic attacks and painful construction until I lost freedom of movement and circulation. I had become regular, without any pain, and hardly knew when I was sick. I used your Compound for sterile and the result was astounding. I am now the compound for all sorts and conditions and would be glad to try any other medicine, for just a little."

Mrs. Finkham invites all sick women to write her for advice. She has guided thousands to health.

SYRUP OF FIGS

IS AN EXCELLENT FAMILY LAXATIVE

IT IS REFRESHING AND AGES PLEASANTLY AND GENTLY.

IT ASSISTS ONE TO OVERCOME HABITUAL CONSTIPATION PERMANENTLY.

With many millions of families Syrup of Figs has become the ideal home laxative. The combination is a simple and wholesome one, and the method of manufacture by the California Fig Syrup Company ensures perfect purity and uniformity of product, which has commended it to the favorable consideration of the most eminent physicians and to the intelligent appreciation of all who are well informed in reference to medicinal agents.

Syrup of Figs has truly a laxative effect and acts gently without in any way disturbing the natural functions and with perfect freedom from any unpleasant after effects.

In the process of manufacturing, figs are used, as they are pleasant to the taste, but the medically laxative principles of the combination are obtained from plants known to act most benefically on the system.

To get its beneficial effects—buy the genuine. Manufactured by California Fig Syrup Co. Louisville, Ky. San Francisco, Calif. New York, N.Y.

Of course numerous sensational statements will go out about the prevalence of smallpox in our city. That is always the case with an exaggerated germ without the sanction of a local authority. All fictitious and most misleading replies to all of these is the result of Dr. W. S. White’s article, which he published in this paper. Dr. White is a local physician, and he has no more interest in local matters than another, and always takes the most stringent steps possible to protect the people and prevent the spread of the disease. After a thorough personal examination he says the people of Marion to transmit business and pleasure to all parts of the country.

Every man, woman and child in the territory should be inoculated against the virulent strain caused by the locally practiced inoculation. The report which is made by the local authorities is that the disease is in the community. No doubt whether the two persons in question have the same strain or not, no matter whether it is a local disease, but as far as the cases as far as the local authorities say, it has been officially declared no smallpox and the only thing to do is to present the most effective inoculation known to the medical world to prevent these recurring attacks of smallpox.

Watterson’s Lecture

Mrs. Henry Watterson delivered his address, “Modern and Healthy,” at the open house Tuesday night in the New Schoolhouse. This was an excellent lecture and the larger it was the better it received.

The school was well attended and the lecture was delivered with spirit and with the best attention.

Notice to Non-Resident Patrons

Of course you have heard that Marion has smallpox. This is not a new condition and there are enough cases to be reported. The weather is very cold and it is the best time to get a supply of cold germs. The weather is not very cold and it is the best time to get a supply of cold germs. REPAIRING

NEATLY

DONE

Never thought of such a medicine did you well. It's a good sign for Scott's Emulsion. The bottle has to be repaired before other things and Scott's Emulsion is fixed.

These poor bodies wear out from worry, overwork, overeating, and poor diet. Get them well.

Some of the new ones are not well made and all of the old ones are rakes to the frame long ago.

Scott's Emulsion fixes all kinds. It does the work, and the work is made out. It makes soft bones hard, thin red blood strong, weak, and make places fall over.

There is no one who will have to take you if you don't understand.

You can do it yourself — you can do it yourself.
