Thankful to Voters.

WALTER A. BLACKBURN

I take this method of thanking each and every one of my friends for the support given me. Words are not my strong point to express the gratitude in my heart to those who so nobly aided me.

You have proven your banner in my hands, and I promise to faithfully try to carry it to its final conclusion. I believe with the united efforts of the Republicans of our county that we will win a splendid victory in the fall elections.

I have now, in the beginning of the contest, the kindliest feeling for my opponents—Judge Towey and Dr. Byrnes. I intend to treat each of them fairly all the way through. But either of them who choose the license policy, I would have absolutely and truly given him my support, and I cordially that each one of them is a true Republican as I feel and so expressed myself often before the primary.

Counted Judge Ida I shall certainly endeavor to do my duty and the utmost work for the upholding of our county.

Very truly yours,

WALTER A. BLACKBURN

The Ticket.

At the polls Tuesday the Republicans carried one of the toughest tickets in the county. Many more than at any former election were voted for the candidates.

The Republican ticket is made up of the proper spirit and winning force. They bring to the polls with an air of triumph.

I am glad to see the ticket coming out favorable.

It is hoped that Senator Albert B. Rosencrans has decided to marry Mrs. Alice Roosevelt, daughter of the President.

It is a pleasure to turn the attention now in progress to our little city.

It is a good ticket, and everybody is now serving.
