WHAT RING DEMOCRACY
Will BeShown Up in a Strong Letter
FROM MR. J. FRANK CORNER

He Told What a "Far Better" Polit
cician He Is in His Case and Points to What They

SAY ABOUT REPUBLICANS AND MEMBERS

Dear Sir:

I am an admirer of sound statesmen and a keen student of the political science that pertains thereto. I am always ready to admit the necessity of a change, but not in any way that will deprive me of the freedom of my country. I believe that the principles of the Democratic party are those of the future. In my opinion, the Republican party is the party of the past. I shall always remain true to the Democratic party.  

Yours truly,

J. Frank Corner

OUR FASHION LETTER

New Circular Wrap For Tall and Stately Women.

Next Fall's Striped Material.

The Full Skirt in the Outfitter by the Pleated Flounce in the Illustrated Cotton and Woolens in Popular Prints.

The new circular skirt should only cost about five dollars in a plain print. There is little effort to keep it in style, but as the material is cheap, it is the dress and the belt that the dress is meant to give. A plain belt will be done in the new circular skirt, and it will be an advantage for the dress and the belt that the dress is meant to give. The dress will be done in some soft, smooth material, and the skirt will be lined with a thin, soft material. The belt will be made of a soft, smooth material, and the skirt will be lined with a thin, soft material.

In these organizations every effort should be given to the support and training of students. Students and superintendents will be afforded the aid of their superintendents in the management of the schools, and the superintendents will be provided with the necessary materials. The superintendents will be responsible for the management of the schools, and the superintendents will be provided with the necessary materials.
