ARE YOU WILLING TO BE IN BUSINESS WITH US?

For years I have studied the question of how supplies could be furnished the Farmer, Gardener, Builder and other classes of people at the least cost and lowest possible expense. I have figured out that debarring the cost and worry of keeping books, and debarring accounts that are never paid by some unfortunate individuals, but which profit on goods sold you help make up, cutting these items out I found that goods could be sold at 10 per cent. less, at least, on the cash basis, and that is what we have adopted.

ARE YOU WILLING TO BE IN BUSINESS WITH US?

And have one-half the regular profit usually made on Hardware? Then buy your goods of our store, the ONLY (Ashtabula Hardware Store) in Kenton, and you will be convinced the profit has been divided with you, because you do not have to help pay the other fellow's account, nor the cost of keeping books. The prices will verify our statements. Come in and get our prices.
