A Living Monument

If we were to mention all those who have been named in our history, we would need a book. But there are a few whose memory lingers on, whose influence is still felt in the community. A monument to their memory would be fitting. It could be a park, a statue, or a plaque. It could be a garden, a library, or a museum.

THE SUNDAY SCHOOL

MAYSTOCK MONUMENT

The Sunday School of the First Congregational Church has been in existence for over a century. It has been a haven for children and adults alike, providing education, fellowship, and community service.
