DEATH OF JOHN THE BAPTIST

The service was held in the church and the sermon was preached by Dr. John Smith. The sermon was a reflection on the life of John the Baptist.

Don't Poison Baby.

FORTY YEARS Ago almost every mother thought her child must have PARASITE or lead to make it sleep. These drugs will produce sleep and, AND A FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many of the children who have been killed or whose health has been ruined for life by paralytic, leaden, and morphine, each of which is a narcotic poison, are introduced to the parents by their doctors, under the name of "Sleeping Pills," or "Medicine Drops," or "Drops for Beginners." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cardinal," "Boots' Syrups," etc. You should not prescribe any medicine to be given to your children without your consulting your physician at once. The gasp in the composition of "DARTOR" does not contain NARCOTIC, if it bears the signature of Dr. H. Fletcher, it is safe. You may give your children a gasp in the composition of "DARTOR" does not contain NARCOTIC, if it bears the signature of Dr. H. Fletcher, it is safe.

Letters from Prominent Physicians addressed to Chas. H. Fletcher.

Dr. J. J. H. Smith, New York, N. Y., says: "I have frequently prescribed your Cardinal drops for children and have found them entirely harmless and beneficial for children as your Cardinal is of the highest quality. I shall be glad to give you an opportunity to try my new gasp." Dr. J. J. H. Smith, New York, N. Y., says: "I hereby enclosure your Cardinal drops, which I have found entirely harmless and beneficial for children as your Cardinal is of the highest quality. I shall be glad to give you an opportunity to try my new gasp." Dr. J. J. H. Smith, New York, N. WALTON’S

The leading exponent of Jeffersonian
ideas and values was Thomas
Jefferson, the third President of the
United States. Jefferson was the
author of the Declaration of
Independence and the
 Statue of Liberty. He was also
famous for his passion for
literature, his love of
dancing, and his
efforts to improve
education and
commerce.

WALTON’S

It is not a question of whether
people should vote, but rather
how they should vote. The
voting process is an integral part
of American democracy. It is
critically important to
encourage and engage
every eligible voter in the
political process.

The Matinee-Jacket Girl

The matinee and jacket girl
are two different types of
women who participate in the
fashion industry. The
matinee is typically
associated with comfort
and practicality, while the
jacket is more often
identified with style and
 flair. In the fashion
industry, these two
types of clothing are
continually evolving.
