The local tobacco market is very small, and although it is not in the top ten the season has been far better than tobacco dealers for the county expected. The county association which has been formed which is an organization of all the men in the county, and it is the only way that the money can be handled and received by the people. The price of tobacco is not steady, and the market is very subject to change. The best way to get the best price is to wait until the market is right and then sell. The market is not steady, it is very important to get the best price for the tobacco.

Banker's Son Works as Club's Scullion to Study Character.

The Breath of Life.

It was a very long time since the bank's son, who had been working there for several years, had been allowed to visit the kitchen for anything more than a cup of coffee. The bank's son, who had always been a quiet and unassuming man, had always felt that he was treated unfairly by his co-workers. He decided that he would take matters into his own hands and go to the kitchen to make himself a cup of coffee. He entered the kitchen, towered over the other employees, and asked for a cup of coffee. The employees all looked at him in surprise, but the bank's son was determined. He made the coffee and drank it, and then left the kitchen. He felt better for it, and he knew that he would never be treated unfairly again.

By Rev. J. B. Butler, pastor.

The Sabbath school in St. Mark’s Church met for the weekly
service and singing on Sunday, December 29th, with a good
attendance. A number of cards were distributed to the
childhood of the church, and the district school will
hold a prayer meeting each Monday night to
praise God for His blessings and to
pray for the church.

A number of members of the church
were present to hear the words of
comfort and encouragement from the

NEW Millinery Store

HAVING bought the Millinery Block of Mrs. G. E. McRae and added the new and novel thing to be sold in the best markets, we are prepared to please the most fastidious. Misses Lizzie Ballard and Miss Billie have charge of this department, and are the well known in this community to mould any fancy recommendation. They are in the vanguard to put together and their selection of pattern hats, frames and trims are the very best. The pattern hats are simply beautiful and as near the imported as any has out side the large cities.

Either of our trimmers are experts and shall please in trimming or making a hat to suit your particular fancy. Our prices are lowest for same grade of goods.
