A WISE BOY

Bernard Teniers in Real Estate--Fratricide for the Age

Jim Henry, who has been engaged in real estate for several years, has just announced the opening of a new office in the old Kimball building. He has a large list of customers and is well liked by all.

The story of the recent fratricide in this town for the age is not without interest. The two brothers were working in the same business and had worked together for many years. The younger brother was killed in a fit of rage. The cause of the dispute is said to be over a small matter of business interest.

THERE are international political lines. The correct official attitude and the official position regarding the over-all situation of the Middle East will be determined by the United States government.

The situation of the Middle East has been the subject of recent discussions at the United Nations. The United States government has been represented by its ambassador, Mr. Henry Cabot Lodge, Jr.

Mr. Lodge has stated that the United States is willing to support any action that is in accordance with the principles of the United Nations. He has also emphasized the importance of maintaining international peace and security.

The United States government has been actively involved in the negotiations regarding the situation in the Middle East. It has been working closely with other countries to find a solution that is in the best interests of all parties involved.

In conclusion, the United States government has a clear and consistent position on the situation in the Middle East. It is committed to upholding international law and working toward a peaceful resolution.
