TRAGEDY

Stirs Madisonville—Roland Rich Puts Bullet in Wife's Brain—Over Domestic Troubles.

Madisonville, Ky., Aug. 7.—One of the most shocking and cold-blooded tragedies that has ever occurred in Madisonville and Hopkins county took place last night when Roland Rich shot and almost instantly killed his wife, Dora, aged 30 years, over domestic troubles.

The woman was shot in the left jaw, the bullet passing through her head. She lived about ten minutes, but was unconscious from the time she was shot. Rich to all appearances determined to kill his wife, for he shot her twice, the other shot taking effect in her arm. She did not make any outcry after the first shot.

It is said that Rich and his wife had not on the best of terms. Finally it is said she told him she would leave him. It is said Rich had been drinking.

Lorene Ashby, the eleven-year-old daughter of the murdered woman, rushed into the hall after Rich, and it is said he tried to shoot the girl but was prevented from doing so. Rich begged local officers to protect him while taking him to jail and requested them to take him out of town. The officers promised to protect him as far as it was in their power. The crime has stirred the city and county, and there is widespread indignation over the tragedy.

WARNING.

DISTINCTION AND STYLE

We have been successful because we have a style and distinction to our printing that the ordinary man didn't have the talent or inclination to give. We have cut out for ourselves and individuality--a style.

You have the same thing; you have individuality. It sticks out; when a person hears something you have said, he says, "That sounds like Brown." It's the same way with your printing. Does it impress with a distinction or style? If not you should telephone or write to

County Court.

Monday was county court day and it proved a busy one for August. The crowd consisted of the farmers from all portions of Crittenden, with a number from Union, Caldwell, Webster and Livingston counties. The order of business the convening of the county court, with Judge Blackburn on the bench, of land sales by Commissioner Robbester, of horse and mule sales, horse trading, watermelon selling, preaching in the court house yard and, for so large a crowd, was the most peaceable one we ever saw. It proved to be a great day for our merchants, especially our advertisers. We will give the records of the court Friday.

I am agent for the Hopkingsville Steam Laundry and am here to stay, not in one week and out the next. If you give me your patronage I shall appreciate it and render you a prompt and satisfactory service that will prove unequalled. Its Old and Reliable and besides, is a Kentucky Institution. Please save your laundry for me and when I fail to satisfy you I shall not blame you to then take it from me.

Yours Truly,
ROY GILBERT.

MAJESTIC DEMONSTRATION

WEEK BEGINNING AUGUST 9TH, 1909

And closing
SATURDAY, AUGUST 14TH, 1909

FREE

THE GREAT AND GRAND MAJESTIC RANGE
THE RANGE WITH A REPUTATION
MADE IN ALL SIZES AND STYLES.

SOUVENIR
Set of Majestic Ware **FREE**

If you call at our store during our Majestic Demonstration Week and allow us to show you the many advantages and superior qualities of the Great and Majestic Range, and will purchase one at the regular price, we will give FREE the beautiful and useful Souvenir Set of Ware illustrated in this advertisement. This ware is made to match the quality of the Majestic Ranges, and we know all ladies will see the beauty and utility of this Set, especially the first three pieces, which are entirely new and cannot be had alone by purchase, except at a very high price. The prices of Majestic Ranges are the same, but we give the set FREE with each Majestic Range BOUGHT DURING DEMONSTRATION WEEK ONLY.

REASONS WHY THE GREAT MAJESTIC YOU SHOULD BUY

- 1st. It has the reputation of being the best Range money can buy.
- 2nd It not only has the reputation, but is the best range made, and we will prove this to you if you will let us.
- 3rd It is constructed of Malleable iron, material you can't beat, and of Charcoal Iron—material that resists rust 300 per cent. greater than steel—, is riveted together air-tight No heat escapes or cold air enters range thus uses very little fuel to do perfect work.
- 4th The reservoir alone is worth the price of the range over any other reservoir made. It boils 15 gallons of water; is heated like a tea-kettle, with pocket against left-hand lining, and is movable and sets on a frame, hence cannot wear out. When water gets too hot it can be moved away from fire.

Majestic Ranges use less fuel; heat more water—and heat it hotter; costs practically nothing for repairs; last three times as long; bake better; easier to keep clean and gives better satisfaction than any other range on the market. If you knew positively that the above statements were true, wouldn't you buy a Majestic at once? Come In During Demonstration week and we will prove it to you:

This ware is made to match the quality of the Majestic Ranges, and we know all ladies will see the beauty and utility of this Set, especially the first three pieces, which are entirely new and cannot be had alone by purchase, except at a very high price. The prices of Majestic Ranges are the same, but we give the set FREE with each Majestic Range BOUGHT DURING DEMONSTRATION WEEK ONLY.

REASONS WHY THE GREAT MAJESTIC YOU SHOULD BUY

- 1st. It has the reputation of being the best Range money can buy.
- 2nd It not only has the reputation, but is the best range made, and we will prove this to you if you will let us.
- 3rd It is constructed of Malleable iron, material you can't beat, and of Charcoal Iron--material that resists rust 300 per cent. greater than steel-, is riveted together air-tight No heat escapes or cold air enters range thus uses very little fuel to do perfect work.
- 4th The reservoir alone is worth the price of the range over any other reservoir made. It boils 15 gallons of water; is heated like a tea-kettle, with pocket against left-hand lining, and is movable and sets on a frame, hence cannot wear out. When water gets too hot it can be moved away from fire.

Majestic Ranges use less fuel; heat more water--and heat it hotter; costs practically nothing for repairs; last three times as long; bake better; easier to keep clean and gives better satisfaction than any other range on the market. If you knew positively that the above statements were true, wouldn't you buy a Majestic at once? Come In During Demonstration week and we will prove it to you:
