Martin-Miller.

On Saturday afternoon at 2 o'clock, while the whole town, and all the country, for that matter, seemed absorbed in politics, Rev. Martin E. Miller, of the Baptist church, in the presence of a few friends in the parlor of Hotel Crittenden, was saying the words that forever united the lives of Miss Ella Martin and V. B. Miller.

The bride and groom are both prominent young people of Livingston county. They boarded a north-bound train Sunday morning for a

of bridal trip. The names of the bride and groom composed of six letters each; married by a minister whose name (Martin Miller) represented the family names of the contracting parties, whose home that evening had been blessed by the advent of a sweet little Miss Miller. They left home on Friday, leaving Monday, both days spelled six letters.

They so live their lives when they are called upon to the valley of the shadow of death, they will fear no evil; and crossing the dark river and the have rolled away, they will be left to see, in all its beauty and splendor, their new home, spelled six letters, Heaven.

Money found.

They found that the owner may be describing same and paying his notice.

CRITTENDEN COUNTY FALLS IN DEMOCRATIC RANKS

Democrats Elect W. H. Wallace For Jailor and R. L. Flanary for Circuit Clerk--Rest of Ticket Defeated by Majorities Ranging From 30 to 75--Pogue and Catlett Win by Big Majorities

The election Tuesday passed off quietly at Marion and throughout the county, notwithstanding the interest manifested by both parties, which brought out an unusually large vote. In Marion, while the crowd was unusually large, arriving early and staying until the closing of the polls, the best of order prevailed. Both sides worked hard from the opening of the polls and looked to a man up a tree, that the usual 400 would be the Republican majority. But instead, it seemed, Crittenden was destined to be in the Democratic landslide, and with the

exception of C. J. Waddill for circuit judge and Hon. Carl Henderson their majorities were cut below 100, allowing two Democrats to win: Bob Flanary for circuit clerk and Will Wallace for jailor. Hon. Marion F. Pogue, for representative, lost this county to his Republican opponent by 10 votes and won his opponent's county, Livingston, by enough to give him the nice majority of 350 in the two counties.

To have had no national speakers to visit the county to stir up the sentiment, as was done by the Republicans, the diminished majorities

and the election of the two stalwart Democrats, speaks a victory that means the end of Republican rule in Kentucky with the closing of the reckless, Willson administration.

A telegram received at this office yesterday evening tells of sweeping Democratic gains all over the State, giving a Democratic majority on joint ballot in the State Legislature of sixty six and that Redwine and the whole Democratic ticket had won in bloody Brethitt.

Judge Gordon was elected to succeed himself, over C. J. Waddill by about 250 majority and J. L. Gray

ot, for commonwealth's attorney over Hon. Carl Henderson, by about 500

Christian county, gave the first Democratic majority, as did Muhlenburg, in twenty years.

Old Webster rolled up over 600 majority for Catlett for state senator, Caldwell went Democratic, which shows a wonderful change of sentiment there since the recent Republican landslide.

Of course the victory achieved by the Democrats in this county is due to the fact that they were aided by many Republicans who decided it but "bringing our saddle home."

GOOD ROADS NEEDED

Read What People Say That Have Tried Them--From Manufacturers Record

Plans contemplating the expenditure of between \$20,000,000 and \$1,000,000 for the permanent improvement of highways in the South and Southwest have been launched during the past 12 months. Some of them have taken form in contracts awarded and work already done; others have resulted in increased local taxation or in the issue of State, county or township bonds, and others, involving the question of Federal aid, are still to be determined by voters.

These plans are a demonstration of the widespread interest in a movement that will advantage the South beyond the outcome of any other action that has been taken for a benefit within recent years. So momentous is this movement, so full of definite promise, that the Manufacturers' Record has undertaken a census of Southern good roads sentiment from reports of county officials in 14 Southern States and in Missouri and Oklahoma, interested in the question of highway improvement. The results of our canvass are published in the following 17 pages of local reports covering nearly a million square miles of territory.

Such records of county public opinion on this vital subject have never before been made, and an analysis of them is full of interest to good roads advocates, not only in the South, but in the whole country. They tell of facts accomplished, of projects well under way, of aids to the movement and of its impediments. As to definite accomplishments, allocation is made of the use of a portion of the funds available under the \$5,000,000 State bond issue authorized in Maryland and under the Shoemaker law; of the co-operation of the State and counties in Virginia; of the authorization of the use of convicts in Georgia and of employment of them in Louisiana; of the great progress made under taxation in North Carolina, and of the hearty support of bond issue in Tennessee, Texas, Alabama and other States.

ADAIR.

T. R. Stults, Columbus: To be built in the next 12 months? Seven miles.

Approximate cost? \$1000 per mile.

Materials? Crushed stone and gravel.

There seems to be considerable interest in road building. During next year the road above to will, in my opinion, be built to connect with a road from Greensburg to this place which is almost completed to the county line. Our county clerk will take \$5000 stock in the road, and the remainder will be subscribed by parties along the route.

ALLEN.

W. H. Justice, Scottsville: Bonds issued? About \$5000 by county and private subscription.

Bonds contemplated? Fiscal court appropriates \$500 every time citizens put up that much; total, \$1000 to mile.

To be built in next 12 months? Ten or 15 miles, perhaps 25.

Approximate cost? Over \$1000 per mile.

Material? Principally crushed gravel. Good sentiment. In favor very much.

BALLARD.

T. J. Neely, Wickliffe: To be built in next 12 months? Four hundred miles.

Approximate cost? About \$10,000.

Material, Dirt.

About \$15 000 is spent on roads and bridges in this county annually and building culverts, paid cash out of road and bridge tax fund.

BARREN.

G. M. Bohannon, Glasgow: Bonds contemplated? Not for several years, if at all.

To be built in next 12 months? Five or six miles of pike and old roads repaired. Approximate cost? \$18,000.

Material? Stone. County sentiment is gradually going to the idea of good roads.

BRACKEN.

James A. McCane, Brookville:

To be built in next 12 months? Three miles.

Approximate cost? \$1500 per mile. Materials? Limestone—macadamized.

Our county fiscal court makes an annual levy amounting to about \$3000 for the purpose of building new turnpike roads. The county pays \$1000 per mile; the balance of cost is paid by individual subscription. There is also a levy made annually for the purpose of keeping the turnpike roads in repair. There are several turnpike roads in the county now under construction.

CHRISTIAN.

G. L. Campbell, County Court Clerk, Hopkinsville: Approximate cost? \$2000 per mile.

Material? Crushed limestone rock. Our people want good roads. On July 1st, 1907, we issued \$100,000 worth of county bonds for road building purposes, and we have constructed nearly 50 miles of turnpike. The money has been expended.

HICKMAN.

J. A. Porter, Clinton: Bonds issued? None for county; \$15000 for town.

Sold? Yes.

Been expended? Being expended. Approximate cost? We expend annually \$12,000.

Our roads (400 miles) are worked by three supervisors. We have no rock—only clay subsoil—hence our roads are worked. We have good roads of the kind.

JACKSON.

D. C. Collier, McKee: Our people are beginning to realize the great benefit to be derived from good roads, and are in favor of them, but our county is not yet able to build them. Our taxable property value is only \$1,500,000, and the county is quite mountainous and roads are expensive to build. We have fine timber and coal, but no transportation.

KNOTT.

R. H. Amburgey, Hindman: Our county has no roads in good condition. We have only dirt roads, kept up by road hands principally. Except when the road is in bad condition, the County Court will expend money to repair same, or the county fiscal court lets out rock jobs, such as blowing rock, etc. The county expends about \$1,600 each year on roads. Our roads stay in very good condition during the summer and fall, but are very muddy during winter season.

KNOX.

C. C. Smith, Bartonsville: Most people want good roads, but are not willing to pay the price.

LEWIS.

O. R. Politt, Vaneburg: Bonds issued? \$2,475.

Sold? Yes.

Bonds contemplated? Yes about \$4,000.

When for sale? Sold; taken up as road built.

To be built in next 12 months? Probably five or six miles.

Approximate cost? From \$1500 to \$2000 per mile.

Material? Limestone rock. Sentiment is for good roads. Would probably be stronger if persons building and paying for roads could use them with satisfaction. There is a strong feeling against building good roads and having them taken possession of by automobile owners.

MCCracken.

E. G. Boone, Clerk, Paducah: Bonds contemplated? No proposition before the county.

To be built in next 12 months? The county is building new roads all the time and paving as they go.

Material? Gravel.

The sentiment in this county is for good roads, better roads, and the very best roads.

MARION.

A. R. Carter, Lebanon: All people want good roads if someone else will pay for them.

MARSHALL.

J. N. Henson, Benton: To be built in next 12 months? Possibly 15 miles.

Approximate cost? \$200 per mile.

Material? Gravel.

MEADE.

W. D. Ashcraft, Brandenburg: To be built in next 12 months? Five miles.

Approximate cost? \$3,000.

Material? Crushed rock after grading. A good sentiment in favor of good roads, but no sentiment scarcely in favor of taxation for road purposes.

MENIFEE.

John Helton, Clerk, Frenchburg: There is no money spent in our county on public roads. They are kept up by work laid off in divisions and worked by the hands that live in that division.

MERCER.

W. J. Poteet, County Clerk, Harrodsburg: To be built in next 12 months? About 10 miles.

Approximate cost? \$1,000 per mile to county, balance by private subscription, to cost about \$1,300 per mile.

Material? Stone.

We have about 230 miles of good turnpikes, with a fund of about \$18,000 derived from tax levy, which is expended in maintaining same. The county has a road supervisor, elected by Fiscal Court each two years. The county owns its graders, a Kelly roller, plows, teams and quite a number of rock quarries, but makes contracts for crushing and spreading crushed stone under the direction of supervisors at eight or nine dollars per road of 18,000 pounds weighed by county.

MONROE.

W. A. Simpson, Clerk, Tompkinsville: Material? Stone if any.

The good-roads proposition has been discussed extensively, but as yet there has been nothing done.

MORGAN.

J. H. Sebastian, County Clerk, West Liberty: Bonds contemplated? I guess not. Our roads are made by allotment of hands on section of road.

To be built in next 12 months? Our roads are bad, and there is no prospect of their being better.

Material? Dirt and sandstone.

The people seem to be anxious, but they don't want to work them. We will never have any roads until same is built by taxation.

MONTGOMERY.

John F. King, Mt. Sterling: The county seems to want good roads. Our county has just bought and installed the latest machinery for building roads, such as crusher, roller, grader, steam drill, etc., in all expanding nearly \$6000 for machinery. We have about 110 miles of pikes in the county, and expend about \$12,000 to \$14,000 per year in repairing them.

NICHOLAS.

John M. Campbell, County Clerk, Carlisle: To be built in next 12 months about five miles.

Approximate cost? \$1750 per mile.

Material? Stone.

We very much desire good or better roads or turnpikes. At present we rely on seven cents levy for construction of pikes, which is all we are permitted to levy under present law, but are looking for relief at next session of Legislature.

OWEN.

R. J. Walker, Owenton: We have just purchased two road machines and grader to repair our pikes. Have about 300 miles in the county that are bad, and are getting in miserably bad repair, and we have concluded that the first thing to do is to put the road in shape to drain the water.

OWSLEY.

H. C. Combs, Booneville: Everybody is in favor of good roads.

RUSSELL.

Elmer Wheat, Jamestown: There is but little interest in good roads in this county. There are only four or five miles of turnpike in the county. It was built by a corporation. All other roads are dirt, and bad, especially so through the winter and spring.

SHELBY.

Luther Black, County Clerk, Shelbyville: To be built in next twelve months? Six miles.

Approximate cost? County ap-

propriation, \$700; supplemented by interested persons, \$400.

Material? Stone.

This county has more miles of turnpike than any county in the State, and until this year roads have been worked by contract system. The system will be changed, however, in favor of road machine work, which we find to be very satisfactory.

SIMPSON.

A. H. Hill Clerk, Franklin: To be built in next 12 months? Fifteen miles.

Approximate cost? \$1800 per mile.

Materials? Rock and gravel.

About same number of miles and at same cost each year for the past five years. Good roads in the county.

TAYLOR.

S. E. Kerr, Campbellsville: The sentiment for good roads in this county is growing very fast.

TOLD.

C. E. Gill, Elkton: Our people are beginning to wake up and take some interest in the "good-roads" movement, and I think it only a matter of a short time until our county takes some action. It is my opinion that we will vote a bond issue next year, but as yet no action has been taken.

TRIGG.

L. R. Wallis, Clerk, Cadiz: Our roads are all worked by road hands between the ages of 18 and 50 years, and the court appoints overseers, and they work from three to five miles, and all road hands are required to work six days in a year if they are called out.

WARREN.

Virgil Garvin, Bowling Green: Our county expends about \$35,000 a year on roads, and is improving them gradually by annual taxation.

WASHINGTON.

W. F. Booker, Springfield:

To be built in next 12 months? Four miles by county and private subscription.

Approximate cost? \$800 per mile.

Material? Rock.

County sentiment is not in favor of voting bonds for same.

WOODFORD.

Richard H. Gray, County Clerk, Versailles: To be built in next 12 months? We build about two miles every year.

Approximate cost? About \$1500 per mile.

Material? Crushed stone.

We have more than 200 miles of turnpike road. We spend about \$25,000 each year on roads and bridges. We have re-constructed some of our pikes, and will re-construct several miles each year.

FORCED INTO EXILE.

Wm. Upchurch of Glen, Okla., was an exile from home. Mountain air, he thought, would cure a frightful lung racking cough, that had defied all remedies for two years. After six months he returned, death dogging his steps. "Then I began to use Dr. King's New Discovery," he writes, "and after taking six bottles I am as well as ever." It saves thousands yearly from desperate lung diseases. Infallible for coughs and colds, it dispels Hoarseness and Sore Throat. Cures Grip, Bronchitis, Hemorrhages, Asthma, Croup Whooping Cough, 50c and \$1.00, trial bottle free, guaranteed by Jas. H. Orme and Haynes and Taylor.

Elderly People Helped Free

The last years of life are the sweetest, and yet the most difficult to prolong. It is then that the greatest care is exercised in maintaining bodily health. But the chief care should always be with regard to the food you eat and whether you are digesting it properly. You should not allow yourself to become constipated.

No doubt you have tried salts and cathartic pills, purgative tablets, etc., and have come to the conclusion that they are violent in action and do but temporary good. Listen, then, to the voice of experience with regard to a wonderful and mild laxative, Dr. Caldwell's Syrup Pepsin. It is not new, only we are trying to find new friends for it.

A. A. Felix, of Johnston City, Ill., suffered from stomach trouble for six years and found his cure in Dr. Caldwell's Syrup Pepsin. His wife uses it too with success. We could name hundreds of others. Some heard of it first through neighbors or friends; others through the doctor's offer to send any sufferer from a stomach, liver or bowel complaint a free sample bottle for trial, without charge. If you will send your name and address to your home, if it proves itself as he claims, then continue the treatment by buying a 50-cent or \$1 bottle of your druggist, as all of them sell it. Old people, like children, should look for purity, and it is well to mention that the purity of this remedy is vouched for with the U. S. government. Also, though a free bottle is sent to prove its merits, results are always guaranteed from the regular bottles bought of druggists, who will refund your money if it does not satisfy you. Send at least for the free test bottle today.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell Bldg., Monticello, Ill.

ANOTHER WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Gardner, Maine.—"I have been a great sufferer from organic troubles and a severe female weakness. The doctor said I would have to go to the hospital for an operation, but I could not bear to think of it. I decided to try Lydia E. Pinkham's Vegetable Compound and Sanative Wash—and was entirely cured after three months' use of them."—Mrs. S. A. Williams, R. F. D. No. 14, Box 80, Gardner, Me.

No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound, made exclusively from roots and herbs, a fair trial.

This famous medicine for women has for thirty years proved to be the most valuable tonic and renewer of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills, and creates radiant, buoyant female health. If you are ill, for your own sake as well as those you love, give it a trial.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.

Money Comes in Bunches

to A. A. Chisholm, of Treadwell, N. Y., now. His reason is well worth reading: "For a long time I suffered from indigestion, torpid liver, constipation, nervousness and general debility," he writes "I couldn't sleep had no appetite, no ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. Its a medicine." Infalible for Stomach, Liver, Kidneys, Blood and Nerves. 50c. at Jas. H. Orme's and Haynes & Taylor.

SUFFERING ENDED.

Haynes & Taylor Sells The Remedy That Cured Stomach Trouble Of Fourteen Years.

And best of all Haynes & Taylor guarantees it to cure you or money back. Read this: "I have been a great sufferer for fourteen years, every thing I ate gave me heartburn. I have never been able to get any thing that would give me any relief until a friend of mine insisted on my taking Mi-o-na. I took a 50 cent box and I believe I am entirely well."—F. M. Bryant, Newman, Ga., June 5th.

Mi-o-na is not a nostrum; it is the prescription of a celebrated physician who is a specialist in stomach diseases.

One clever woman calls Mi-o-na the Sunshine Prescription, because it changed her from a miserable, nervous dyspeptic into a bright, healthy, happy woman in a few weeks.

These little Mi-o-na tablets are sure wonder workers. They absolutely cure indigestion whether acute or chronic.

They stop belching, gas in stomach and heaviness, in a few minutes. Distress after eating vanishes as if by magic when one or two little Mi-o-na tablets are swallowed.

Only 50 cents a box at leading

Pain in Heart

"For two years I had pain in my heart, back and left side. Could not draw a deep breath or lie on left side, and any little exertion would cause palpitation. Under advice I took Dr. Miles' Heart Remedy and Nerve. I took about thirteen bottles, am in better health than I ever was, and have gained 14 pounds."

MRS. LILLIE THOMAS, Upper Sandusky, Ohio.

For many years Dr. Miles' Heart Remedy has been very successful in the treatment of heart troubles, because of its tonic effect upon the heart nerves and muscles. Even in severe cases of long standing it has frequently prolonged life for many years after doctors had given up all hope, as proven by thousands of letters we have received from grateful people.

Dr. Miles' Heart Remedy is sold by all druggists. If the first bottle fails to benefit, your druggist will return your money.

MILES MEDICAL CO., Elkhart, Ind.

TEMPTATION OF CHRIST.

Bro. Miller delivered two addresses from the pulpit of the Baptist church Sunday. His subject was: "The temptation of Christ."

It has not been his intention to treat the same subject at both times, but at the time allotted him was so short for so important a subject, and recognizing the marked attention given by his hearers, to their delight, concluded his brilliant address at the evening hour.

Bro. Miller is an able and very earnest and interesting speaker, and in a most successful manner in which he has treated his subject has been highly commended by all who heard him, especially the visitors in the city. While the Editor is not a member of Bro. Miller's church, we tip our hat to him in recognition of his present

ability and for the great power we expect to hear of his proving to the religious world before his bright life closes. Men of such ability wield a power for good in the world. It matters not to what church they belong.

Did it ever occur to you that a mouth capable of emitting words only to be laughed at by the devil and his imps is like a slop bucket

The brewers and distillers are loudly calling to the farmer that he will suffer a great loss in the price of corn if the prohibition laws go into effect and stop the breweries and distilleries. Statistics show that one per cent, of the corn crop is used in producing malt and distilled liquors. The corn thus consumed amounts to from one to three bushels to each farmer--An actual profit of only a few cents.

Some young men, yea many young men, have so accustomed themselves to low and vulgar associations that it has become a part of their nature--So much so that it now appears to have been inherited. If a young man, seemingly happy in the entertainment of a crowd of the vulgar set, could but see himself as others see him and just stop long enough to picture the pained expression such language would bring to his sweet mother's face, surely he would shake such company forever, and try to fill his mind with higher thoughts.

Messrs. F. W. Harlow, general passenger agent, of Louisville, and Geo. W. Schelke, general passenger agent of the L. C. at Evansville, were in Marion one day last week and while here paid the Record-Press office a visit. They were in a complimentary mood over the big revenue paid their road by Marion and Crittenden county people and their mining and timber industries.

They are both pleasant gentlemen whom we shall deem it a great pleasure to entertain as often as they may see fit to visit our city.

Hallowe'en night was observed by the boys with great glee. The small hours of the night were made resonant with the lovers of innocent fun, or what they called it, and while there were a number who did not approve of the moving of the old safe in front of Yandell-Gugenheim's to Farmers' Bank, filling Carlisle street with antiquated vehicles, stopping up the alley between Haynes & Taylor and the Jenkin block with an old traction engine, piled lumber in front of Henry Bros' marble works, overturning a number of lawn swings, etc., there was no real damage done to property and no body hurt, and surely it gave the boys enjoyment enough to last them until Christmas. God bless the boys. We were one a good many years ago and know and appreciate something of boy life.

Rambles in Missouri and Arkansas

(Clay county [Ark.] Republic)

Sikeston, Mo., Oct. 13.--We left our home near Marion, Ky., Oct. 5, boarded a south-bound train at Fredonia, Ky., changed cars at Princeton, reached Cairo, Ill., at 8 p. m., remained over until 8 a. m., again boarded a south-bound train, passing through southeast Missouri, going via Charleston, Sikeston, Dexter and many other lesser towns, viewing many plants of industry the most important of which were the lumber yards some of them covering an area of fifty to seventy-five acres.

Just as we passed out from Missouri into Clay county, Arkansas, we saw our first cotton field, and as we looked out of the car window at the fields growing in cotton and the bolls opening and the fibers bursting out, we thought what "snow balls." No wonder the south says "cotton is king." As we were ruminating on events of the past the conductor called out "Corning." This was our stop-

ping place, and we found it a small city of about 2,500 inhabitants, situated on the Iron Mountain railroad and but a short distance from Black river.

Thursday morning, in company with Dan Carrier, we drove out west of Corning, taking dinner at the home of Mr. Carrier. We then proceeded to Datto, a small town in the western part of the county. We spent a pleasant night with Mr. Tom Millingham, remained over Friday night, taking supper with Rev. J. A. Wheatley and family, held a service at the Baptist church, remained over night with Mr. Tom Smith, and on Saturday started out on the warpath again, looking here and there at the white cotton fields and the snow-capped wagons as they rolled on with their valuable cargoes to the markets, where it was sold for four and a half cents per pound in the seed. This means money to the farmers of Clay county, Arkansas. We stayed over night with E. B. Goodman and his kind family. Here we spent Sunday, telling each other the advantages and disadvantages of our respective states. On invitation we took dinner Saturday with Prof. Crutchefield.

Monday morning we called at the law office of Moore & Bloodworth. Mr. Moore is a nephew of Mr. C. E. Doss of Marion, and he is also county school examiner. From him we learned of the educational state of the county and talked school matters with him. Then saying good by to him and Mr. Bloodworth, we began making preparations to board a north bound train.

Our stay in Clay county was pleasant and, we hope, profitable. We found the people kind and pleasant, and ready to a hand of welcome to a stranger. The soil is very productive and is all that it is claimed to be. A working man need not be idle a day, as there are plenty of work at fair wages.

The people and county are just grand and my only regret is that we had to leave them when we wanted to stay awhile longest, but business called us away. The people entertained us royally.

J. B. McNEELY.

HERE AND THERE.

BY RAMBLER.

Going down the street the other day we noticed J. C. Elder and Senator W. J. Deboe walking along together and we thought, what a striking illustration of "Before taking" and "After taking."

Rev. U. G. Hughes reports a fine meeting at Seven Springs. Fourteen conversions and the "dry bones" thereabouts much revived.

Rev. W. T. Oakley and Rev. J. F. Price are in the midst of a great revival at Crayne.

There has been a very successful meeting at Piney Creek. Ten conversions and six additions to the church.

While in the city recently Rev. Martin E. Miller gave us a standing invitation to visit him in his studio and we hope to accept soon.

There is a very interesting meeting in progress at Pleasant Hill church. The pastor, Rev. James B. Clark, is assisted by Rev. John A. Hunt.

Tobacco buyers are out in different parts of the county offering and buying at 3, 9 and 9 and some at 8 around. This good money to the tobacco growers.

OAK HALL.

Farmers are gathering corn.

Miss Fanny Ford is very sick.

Rev. Mason preached at the school house Sunday afternoon.

Mr. and Mrs. J. E. Dean and Al Dean attended church at Marion Sunday.

Gilbert Worley and family were guests of his parents, Mr. and Mrs. Taylor Worley Sunday.

Mrs. Caroline Belt, who has been visiting at Jerry Belt's, returned to her home at James Cleghorn's Sunday afternoon.

Mrs. Almeda Cleghorn was a guest of her brother, Robert Belt Friday.

A number of our people have been attending the meeting at Repton this week.

P. E. Shoemaker had the misfortune to lose his large stock barn by last week. It contained a great deal of feed and all of his farming implements and the loss was considerable.

Riley Rowland spent a few days in Illinois last week.

Fred Gilbert passed down the road en route to Possum Ridge Sunday.

Walter Worley has recently moved to the Crayne neighborhood where he intends to make his home.

Low Fares

On the 1st and 3rd Tuesdays of each month, very low fare round trip tickets will be sold via the Cotton Belt Route to points in Arkansas, Louisiana, Texas and Oklahoma. Take advantage of these low fares and investigate the wonderful opportunities now open in the Southwest. The 25 day return limit gives you ample time, and you can stop over both going and returning.

The Direct Line to Texas

The Cotton Belt is the direct line from Memphis to the Southwest, through Arkansas. It operates two daily trains, carrying through sleepers, chair cars and parlor-cars. Trains from all points make direct connection at Memphis with Cotton Belt trains for the Southwest.

Do not delay your trip to the Southwest until the big opportunities are gone--write me today where you want to go and I will show you how cheap you can make the trip and give you complete schedule, etc. I will also send you free our books on Texas and Arkansas, with County map in color.

When looking for bargains don't fail to see Carnahan Bros.

Delightfully Entertained.

Last Friday evening, Oct. 29th, Mr. and Mrs. Sam Gugenheim very delightfully entertained the Euchra Club at their home on South Main St. The house was beautifully decorated with pumpkins, candles and little "goblins." Everything carried out the Halloween spirit, the tally cards being pictures of witches and pumpkins.

The ladies' prize, a beautiful hand painted salad bowl, was won by Miss Mary Cameron. The gentleman's prize, a fountain pen, was captured

by Mr. E. J. Hayward.

The refreshments were delightful, consisting of sandwiches, salads, cider and ginger cakes, orange sherbet and cake.

The guests were:—Mr. and Mrs. Geo. Roberts, Mr. and Mrs. W. N. Russell, Mr. and Mrs. J. W. Wilson, Mr. and Mrs. W. D. Baird, Mr. and Mrs. C. W. Haynes, Mr. and Mrs. W. V. RESOLUTIONS OF RESPECT.

WHEREAS, Death has taken from our midst our sister and co-laborer in the Sunday School work, Mrs. Nina Wheeler,

THEREFORE, BE IT RESOLVED that, in her death, the Sunday School has lost a faithful worker and most valuable friend; and,

BE IT RESOLVED, that, as her associates and pupils in the Sunday School, each of us feel a sense of personal bereavement, and that we profoundly mourn the death of her who was an inspiration to us in our work, and that we feel her death to be a sad and irreparable loss; and,

BE IT RESOLVED, that it is with a heart-felt appreciation of how well she deserved our love and admiration, that we render this tribute to her memory.

BE IT RESOLVED, that these resolutions be spread upon the minutes of the Sunday School Record, a copy be given to the family, and a copy be published in the Record-Press.

Kodol

For Dyspepsia and Indigestion

If you Suffer from Indigestion, Dyspepsia, Gas on the Stomach, Belching, Sour Stomach, Heart-burn, etc., a little Kodol will Relieve you almost Instantly

Kodol supplies the same digestive juices that are found in a healthy stomach. Being a liquid, it starts digestion at once.

Kodol not only digests your food, but helps you enjoy every mouthful you eat.

You need a sufficient amount of good, wholesome food to maintain strength and health.

But, this food must be digested thoroughly, otherwise the pains of indigestion and dyspepsia are the result.

When your stomach cannot do its work properly, take something to help your stomach. Kodol is the only thing that will give the stomach complete rest.

Why? Because Kodol does the same work as a strong stomach, and does it in a natural way.

So, don't neglect your stomach. Don't become a chronic dyspeptic. Keep your stomach healthy and strong by taking a little Kodol. You don't have to take Kodol all the time. You only take it when you need it.

Kodol is perfectly harmless.

Our Guarantee

Go to your druggist today and get a dollar bottle. Then after you have used the entire contents of the bottle if you are honestly say that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one family. The large bottle contains 25 times as much as the fifty cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.

Itch! Itch! Itch!

Scratch! Scratch! Scratch! Eczema is maddening and the more you scratch the more you itch. Your skin is on fire—your lips and mouth are dry with the agony of it—your whole body is worn out with the constant suffering—stop scratching—you can't put out the fire with your finger nails. Little's Liquid Sulphur stops itching instantly and because of its wonderful penetrating qualities comes in direct contact with and kills the germ that causes the disease. It quickly relieves any skin disease on earth—Eczema, Psoriasis, Herpes, Tetter, Shingles, Acne, Ringworm, Barber's Itch, Itch, Poison Oak, Ivy Poison, Erysipelas—all diseases of the skin or scalp whether caused by heredity, contagion, weather, chafing or impure blood. It is well known what a perfect antiseptic and germicide sulphur is—all city health departments fumigate houses where contagious disease has been, with sulphur. Little's Liquid Sulphur is a secret preparation holding the sulphur in solution so that it gets right into the pores, enters the blood and goes direct to the seat of the irritation or disease. Look for the trade-mark—picture of red devil. Sample bottle sent post paid to any address for 10c. Rhuma-Sulphur Co., St. Louis, Mo.

Here's Your Chance To Visit The Old World Free of Any Expense.

A great opportunity to secure the number of votes necessary to win membership in the Louisville Herald's Tour to southern Europe is presented in a special offer announced in connection with the Herald's Mediterranean trip contest.

Beginning Monday, Oct. 18th and continuing until Oct. 30th. The Louisville Herald will give twice the usual number of votes on all subscription payments made on account of the contest. This special offer applies to all new and old subscriptions for payments of one dollar or more. This offer will positively not be duplicated, and at no time in the contest will subscriptions count for as many votes as during the time of the double vote offer.

As an instance of how rapidly votes will count up under the special offer it is only necessary to state that with a single new subscription for three years a voting certificate for 14,600 will be given. This number of votes alone would be sufficient with the present standing to place any contestant in the lead in any

district and with votes to spare will be readily apparent how quick a magnificent vote can be secured under the provisions of the special vote offer.

The next two weeks, while a special offer is in effect, is the time when the contestants already entered should prosecute their campaign with the greatest energy and vigor. In the instance of contestants who have considered entering but have not yet done so the special offer provides an exceptional opportunity to enter the contest for the trip to the Mediterranean.

The trip offered by The Herald will be a fascinating experience, will be as beneficial in an educational way as it is enjoyable and delightful. The trip will start on January 1, 1910, and two months will be consumed in visiting such points of wonderful interest as the Azores, Madeira, Gibraltar, Genoa, Monte Carlo, Cannes, Milan, Venice, Rome, and Naples (Pompeii, Vesuvius). The voyages will be made on the magnificent and luxurious ocean liner of The Cunard Line, the "Gloria" and "Carmania". Every expense of the trip from the time the party leaves home until it returns will be borne by The Herald.

Twenty women will take the trip, the trip being open to women in the different districts. Those who wish to be among the happy twenty to go on this wonderful trip should communicate with the contest editor of the Louisville Herald. Full information and instructions for anyone who enters will be gladly given. Request made to the contest manager of The Louisville Herald, Louisville, Ky.

CONDITIONS

To the first ten persons sending us the largest number of "English words" made from the letters contained in the words "Harding and Miller," we will present the following ten valuable prizes. Only two of these prizes will be given to persons living in the city of Evansville, Ind., and only one prize will be given in one family.

11—To each of the next 100 sending most words, a certificate for \$100. Group 12—To each of the next 100 sending most words, a certificate for \$50. Group 13—To each of the next 100 sending most words, a certificate for \$25.

14—No letter shall be used in any word more times than it occurs in "Harding and Miller."
15—Names of Cities, Towns, Persons, Proper Names, Plurals nor Abbreviations must not be used.
16—No relatives, employees nor members of their families will be permitted to compete. The Contest is open only to persons living in Indiana, Illinois, Kentucky, and as only two (2) of the ten first prizes will be given to residents of Evansville, Ind., it will give all the outside contestants an equal show.

17—The Certificate, if received, will only be applied on the purchase of a new Piano, or Player Piano, no used Pianos, Organs or other goods of a this contest.

18—The Certificate can be applied as part payment and the remainder paid on any reasonable terms to suit the purchaser.
19—Only one Certificate will be accepted on one sale, and must be surrendered at time of sale.
20—If you own a Piano, the Certificate may be transferred by presenting same at our office or by mail, by writing us.
21—Arrange your list of words alphabetically, and only use one side of your paper. State below the number of words and be sure to sign your name address plainly. On the outside of the envelope, lower left corner, write the words, "Word Contest."

22—The Contest will begin Thursday, October 28th, '09, and close November 10, '09, at 6 o'clock p. m. This advertisement is being inserted in several different papers throughout our territory. Remember, it begins and closes at the same hour in all parts of the country, so that every contestant will have the same chance.

23—Contestants living away from Evansville can use their certificate and buy Pianos by mail, or at the following branch stores:
402 Main St., Washington, Ind.
614 North Fourth St., Vincennes, Ind.
South Side Square, Princeton, Ind.
724 East Thirteenth Street, Hopkinsville, Ky.
Yates Bros., Marion, Ky.
Harding & Miller Music Co., Evansville, Ind.

Here is a splendid chance to place a piano or some other valuable prize in your home free of charge.

WHY WE CAN AFFORD TO DO THIS

We have been in business since 1860. Our goods are probably better known throughout the territory we cover than any other dealer in pianos. We will reach with this advertisement about 250,000 people, and impress our name upon the younger people who are soon going to be the piano buyers of the country. We will sell during this contest about as many pianos in ten days as we usually sell in four months and thereby not only get the benefit of an advertisement to 250,000 people but will save almost completely four months selling expenses, which will enable us to buy pianos in such large quantities that our factories will gladly share in this prize contest.

Our greatest return, however, is the lasting manner in which we will introduce our line of pianos to the coming piano buyers of the country, which is as follows:

STEINWAY & SONS,
CHICKERING & SONS
CONOVER.
IVERS & POND,
DECKER & SON,
KOHLER & CAMPBELL.
Also We Have in Player Pianos:
CONOVER, INNER-PLAYERS, 88 AND 65 NOTE.
CAROLA, INNER-PLAYER, 88 AND 65 NOTE.
KINGSBURY, INNER-PLAYERS, 88 AND 65 NOTE.

Every Piano is guaranteed ten years. Every Player Piano guaranteed five years. A stool and scarf with each piano. A bench and a dozen rolls with each player.

DO YOU KNOW THAT

The South's agricultural productions now exceed the total value of the agricultural output of the United States in 1880, and are almost as great in value as the total of the United States 1890?

DO YOU KNOW THAT

The South is mining more than twice as much bituminous coal as the United States mined in 1880?

DO YOU KNOW THAT

Southern railroads must spend \$2,000,000,000 in ten years to provide facilities needed in Southern growth?

DO YOU KNOW THAT

The most comprehensive and remarkable warehousing system in the world is in operation in a Southern town?

DO YOU KNOW THAT

The South is building two of the most remarkable railroads ever constructed in America, and that one of them is the most unique ever built in the world?

DO YOU KNOW THAT

South is now spending \$20,000,000 in building cotton mills.

DO YOU KNOW THAT

The Steel Corporations having \$50,000,000 invested in Alabama is carrying out vast improvements which will add immensely to the prosperity of the whole South?

DO YOU KNOW THAT

Good roads, which means more for agricultural prosperity than anything else before the public, are being built all over the South as never before at a cost of many millions of dollars?

DO YOU KNOW THAT

All of the present development of the railroad and industrial work in the South is only the revival of what was done prior to 1860 on a relatively still large scale which shows the inborn trait of Southern people to turn industrial interests?

DO YOU KNOW THAT

The South lost by emigration between 1865 and 1900 about 2,500,000 of its own white people, and that was a far greater loss than the ruin and destruction by war?

DO YOU KNOW THAT

That this drain has largely stopped, and that Southern men and boys are now finding more avenues of employment at home than elsewhere?

DO YOU KNOW THAT

The tide of investment of American and foreign capital and the movement of population is turning southward as never before, and that wonderful things are in store for this section?

DO YOU KNOW THAT

The biggest immigration movement in the country's history is going on in Texas, where about 200,000 people a year are settling, coming in from the north and West, and that this movement of population is tending to other Southern States as well as Texas?

DO YOU KNOW THAT

Through the value of the South's cotton crop with seed is between \$700,000,000 and \$800,000,000 a year, that value is less than a third of the total value of the South's annual agricultural production?

DO YOU KNOW THAT

With a population by 3,000,000,000 or 4,000,000,000 than what the total population of the United States in 1860, the wealth of the South is \$5,000,000,000 greater than the total wealth of the whole country in 1860?

DO YOU KNOW THAT

You would have known all these things and a thousand more which effect the life of the south if you had read the Manufacture's Record during the last twelve months? But you will learn still more if you will learn still more if you read it during the next twelve. It is the final authority on all information about the South and its resources.

Morality in Schools.

Without morality the citizenship and the State would be far below par in the scale of civilization. To be moral is to be civilized. An examination of the word "moral" will at once convince us, that to be moral, is to be on par excellence with the best of mankind.

The State of Kentucky has enacted into a law. The teacher shall be of exceptionally moral character. What for? Evidently because the moral weight of the teacher's influence is greater or should be greater than any other elements to come into the child's mind or life.

But this moral instruction is not brought about by the teachers altogether, but by a silent working out of the life force fastened by, now and then a word dropped aptly when the lesson so touches upon this important element of character building.

Then to, there is such a thing as over-doing this important part of child life. To the alert and judicious teachers' ways and means will suggest themselves, from numberless sources.

From story from incident in every day and school life, occur such as will impress an idea upon the mind that will last through life.

How important then should the idea be wholesome and elevating.

A good way to give moral instructions is by a moral life. This, the law has made emphatic. No hazardous life should in the capacity of the teacher warp the child's life.

A due sense of this responsibility will at once arouse the teacher to his or her best ability. But in the school room best every where. The very conception and its responsibility will have a dull effect.

While working silently but ceaselessly upon the crude material of childhood, the very life of the teacher will become nobler and better.

Very truly yours,
J. C. HARDIN.

Gone to Rest.

On July 6, 1908, Henry Summers and wife, of Repton, were made to rejoice at the dawn of a bright star in their home, a baby boy, Henry Curtis Ethridge Summers, to love and to be loved, only a short time, when the death angel called for the youngest and tenderest of our home. We had learned to love him dearly and our hearts yearned for his recovery. Such was not the case.

On Sunday evening, Oct. 17 at 6:15 p. m., the shadow of death stole into our home and took our little darling boy to live with the angels of God.

He was sick just a few days with congestion of the stomach and bowels. He bore the pains like a little hero, and closed his eyes in peaceful slumber to awake in the bright world beyond. We can see him by faith, a bright and perfect star, an angel with beckoning hands, a guide to our pathway to the glory land beyond.

The father and mother are members of the Repton Baptist church, and by faith and the help of God they expect to meet their little boy in Heaven, the city of God not made with hands.

A FRIEND.

Card of Thanks.

I wish to extend my sincere thanks to my dear friends and neighbors for their kindness and sympathy during the last illness of my beloved wife.

AL EASLEY.

Obituary.

Mrs. L. A. Easley died at her home in the Hebron neighborhood Monday Oct. 18, after an illness of seven weeks.

While death was expected, yet it came as a shock to her husband and family and friends. She bore her suffering with patience. Everything possible was done to restore health but to no avail. Though having no fear of death, she was anxious to get well and was grieved to part with her husband and to leave her little children without a mother's love and care. The presence of many friends with tender sympathy and love reminded us that she numbered her friends by the score. She was loved by all and will be missed in the neighborhood as well as in the home circle. She has gone to her reward and we hope some day to meet dear Lucy where there is no more sadness or parting, where all tears are wiped away.

Mrs. Easley before her marriage was Miss Lucy Woody, daughter of Mr. and Mrs. Alexander Woody. She was born March 30, 1875 and was married to Mr. Al Easley, Oct. 12, 1898. She leaves a husband, four children, a mother and eight brothers to mourn their loss. She was laid to rest on the Tuesday following, in the presence of many friends, in Mt. Zion cemetery, Rev. R. C. Love conducting the services.

A vacant place is in our home. A mother's voice is stilled; Grim death has left an aching void That never can be filled.

Stops Lameness

Much of the chronic lameness in horses is due to neglect.

See that your horse is not allowed to go lame. Keep Sloan's Liniment on hand and apply at the first sign of stiffness. It's wonderfully penetrating—goes right to the spot—relieves the soreness—limbers up the joints and makes the muscles elastic and pliant.

Here's the Proof.

Mr. G. T. Roberts of Resaca, Ga., R.F.D. No. 1, Box 43, writes:—"I have used your Liniment on a horse for swiney and effected a thorough cure. I also removed a spavin on a mule. This spavin was as large as a guinea egg. In my estimation the best remedy for lameness and soreness is

Sloan's Liniment

Mr. H. M. Gibbs, of Lawrence, Kans., R.F.D. No. 3, writes:—"Your Liniment is the best that I have ever used. I had a mare with an abscess on her neck and one box of Sloan's Liniment entirely cured her. I keep it around all the time for galls and small swellings and for everything about the stock."

Sloan's Liniment will kill a spavin, curb or splint, reduce wind puffs and swollen joints, and is a sure and speedy remedy for fistula, swiney, founder and thrush.

Price 50c. and \$1.00 Sloan's book on horses, cattle, sheep and poultry sent free. Address Dr. Earl S. Sloan, Boston, Mass., U.S.A.

HENRY STONE, - Marion, Ky.

DISTRICT ASSOCIATION OF TEACHERS.

They Held Profitable Meeting at
At Deans School House.
Delayed Report.

The Association convened at 11 a. m. First an election was held, which resulted in the election of J. S. Postleweight chairman and Miss Ruth Hill, Secretary.

W. G. Condit in his address of welcome, extended a hearty welcome to all those present, spoke of the necessity of education, especially among farmer boys. He says the day is fast approaching when the ignorant can occupy only the very lowest stations in life. So he urges the necessity of education in order to prepare the boys and girls of today to become worthy citizens in the future.

Prof. J. P. King said that Mr. Condit struck the key-note exactly. We have been thinking too much about the past and too little of the future. We are not on the threshold of better things in Kentucky, and it is the duty of each of us to get busy, for the national government will not work out our local problems. He also spoke of the importance of co-operation between teacher and patrons and said the school should be the social center of

the district.

Adjourned for noon.

1:15 p. m. song: "There will be showers of blessings," and prayer by W. G. Condit.

The first topic for the afternoon, "The best way of grading rural schools," was discussed by Misses Margaret Moore and Ruth Hill, followed by some suggestions by Prof. King. He recommends that teachers get together and decide on a course of study for the various grades and strive to make our work more systematic. Other interesting suggestions were offered by Mr. Travis, Mrs. Fannie Walker and Miss Iva Hicklin.

On the subject "How to secure and hold attention of pupils during recitation," Hollis Franklin says teacher should insist that lessons be well prepared, for it is the pupil who knows the lesson best that is most attentive. Miss Mamie Henry says some new plan should be adopted for each recitation when interest seems to lag.

"The too talkative and too reserved pupil, how manage each, during recitation?" On this subject C. E. Thomas says that talking on the too talkative pupil too much, rather discourages the too reserved pupil. He thinks the teacher should aid the too reserved pupil on difficult subjects and lead him to express his opinion freely. He thinks it best not to allow the too talkative pupils to do all the reciting.

K. D. Reynolds says that in order

to secure regular attendance, the teacher should visit the homes and ascertain the cause of a child's absence from school. He says that above all else to secure good attendance, the teacher must treat all alike. "Discipline, the best thing for the pupil; how and why?" Is the absence of Miss Marian Richards and T. D. Stone to whom this topic was assigned, it was discussed by Clarence Thomson and Prof. King. They think it a good thing to consult with the parents on the misbehavior of a child. The teacher should be frank in telling parents of a child's work.

T. F. N. Woom said that parents can best aid the teacher by sending to school regularly. Pupils should be required to give a reason for each time they are absent.

"Influence of books and pictures on the mind of the child." This was discussed by Misses Corda Smart and Lillie Postleweight. Miss Smart favors pictures, while Miss Postleweight objects, saying that she rather have her pupils draw on their imagination.

In speaking of "The County High School," Prof. J. P. King said that life is a set of problems to be worked out and the high school affords the training to meet these problems. He urges the importance of taking a High School course especially to those preparing to teach. Prof. King also made a splendid talk on "Agriculture in our rural schools." He thinks it should be taught in all rural schools.

Teachers present were—Mrs. Fannie Walker, Misses Margaret Moore, Mamie Henry, Mabelle Minner, Lena Woods, Bertha Moore, Corda Smart, Lillie Postleweight, Emma Terry, Clara Harley and Ruth Hill, Messrs. Leonard Moore, C. E. Thomas, Clarence Thomson, Hollis Franklin, E. D. Reynolds, Jeffrey Travis, Prof. Barnes and Prof. King.

Mrs. Nina Wheeler
AN APPRECIATION.

Life is not to be estimated by its length, but by its character. The aim and motive in the education of a child should be to the whole child, not to the parts. Education should be a process of growth, not a process of accumulation. The child should be taught to think, to feel, to act, to live. The child should be taught to love, to respect, to serve. The child should be taught to be a citizen, to be a man, to be a woman. The child should be taught to be a person.

The subject of the sketch was a

Colds on the Chest

brilliant soul set in a weak body. Socially she was vivacious, pleasant and attractive. Her face wore a smile for all and her words sparkled with kindly good will. Her bearing was modestly elegant. In her religious life she was devoted and faithful. She loved the church and gave freely of her time and means to further the cause of Christ. She will be long missed in the social and devotional gatherings of her church.

In the community, her neighborly, charitable nature impressed itself by word and deed. Her heart went with her deeds and favored them for heart-comforts as well as physical relief.

In her home she was a true hostess, making gracious welcome for all, and shedding a benignant halo that brought ease and personal comforts to her guests.

Such a life is not to vain, her shall bear its fruits of blessings for many days hence.

FOR PASTOR.

WILL Teach Shorthand.

Miss Lillie Cook will open a night school in shorthand and type-writing in the Post Card building Monday night, Nov. 5.

Miss Cook has thoroughly qualified herself to teach these studies and on those wishing to learn, either of them, the remuneration is well as the economical feature will prove of great benefit to those in and around Marion over that of a business college course. All who may want to talk to her

about the probable cost can see her at the Post Card building on Main street.

KILLS HER FOE OF 20 YEARS.

"The most merciless enemy I had for twenty years," declares Mrs. Jeanne Duncan, of Hanesville, Me., "was dyspepsia. I suffered intensely after eating or drinking and could scarcely sleep. After many remedies had failed and many doctors had given me up, I tried Electric Bitters, which cured me completely. Now I can eat anything. I am 70 years old and am everjoyed to get my health back again." For Indigestion, Loss of Appetite, Kidney Trouble, Lame Back, Female complaint, its unequalled. Only 50 cents at Jan. H. Orme's and Haynes & Taylor's.

All Johns.

Alf Johns, one of the most prosperous farmers and stock men of Henshaw, Union county, was in Marion Friday looking after some stock to feed this winter. His brother, Chas. Johns, who is one of most prominent merchants of Henshaw, was with him, and remained over night, returning Saturday.

A SCALDED BOY'S SHIEKS

horrified his grandmother, Mrs. Maria Taylor, of Nebo, Ky., who writes that when all thought he would die, Bucklen's Arnica Salve wholly cured him. Infallible for Burns, Scalds, Cuts, Corns, Wounds, Bruises, Cures Fever-Sores, Bolls, Skin Eruptions, Chilblains, Chapped hands, Sore mouths, Piles. 25 cents at Jan. H. Orme's and Haynes & Taylor's.

Fine Corn.

Mr. W. M. Lewis, a prominent farmer of Chapel Hill country, brought three stalks of corn to the Record-Press office Friday on which were fine well developed ears.

One stalk with four, one with three and one with two ears, the field from which they were selected, producing eighty five bushels per acre. This sample of Crittenden county corn is on exhibition in our window and is attracting no little attention.

Death of Mrs. Carnahan.

Mr. Horley Carnahan died yesterday evening at 2:30 o'clock. But just ten days ago she lost her little 18 months-old baby. She was a good woman, a member of the Methodist church. She had not been well for some time. She was conscious to the last. Her husband, a hard working, good citizen, is heart-broken. He has the sympathy of the people of Marion. The interment will take place to day at the Mason cemetery.

Important.

To the Farmers' Union of Crittenden county, I hereby call a special meeting of the F. E. & C. U. of Crittenden county, said meeting to be held in Marion, Ky., on Saturday Nov. 13. All local members are urged to send delegates and all farmers who have their tobacco pooled with the union are urged to be present. Plans will be submitted that we think will be very much to your interest. These plans are in regard to marketing the present crop of tobacco. Please attend this meeting and be on hand promptly at 10 a. m. All members in good standing are invited to this conference.

At W. H. Brown, Pres.

Rev. Adams Returns.

Rev. J. B. Adams, who for the past two weeks has been in a big revival service near Pembroke, in Christian county, arrived home Saturday in time to sit his regular appointment at the Methodist church Sunday, which he did in his usual forceful manner.
