NUMBER 4

PRINCETON PRESBYTERY AT STURGIS

Meeting in a liberal and glorious
time. Meeting held in New
Church.

Princeton Presbytery of the
Shelby Presbyterian Church
with the Sturgis congrega-
tion, April 5th 1910, at 7-30 p. m.
Rev. J. R. King, the retiring
moderator preached the opening
sermon from Romans 1: 16.

Elder R. M. Lisman was elec-
ted Moderator. The roll call
showed that nine ordained minis-
ters were present, with two can-
didates: Twenty-nine congrega-
tions were represented.

On Wednesday, at 11 o'clock,
the Presbytery observed the Sacra-
ment of the Lord's Supper.
Rev. G. L. Woodruff preached
on Romans 8: 17. Rev. J. T.
Arbee administered the sacra-
ment.

On Wednesday evening at
8 o'clock, Rev. C. M. Zwingle, of In-
diana Presbytery, and pastor of
the church at Evansville, Ind.,
preached from Matthew 22:42.
He was delighted with the ser-
mon.

Thursday morning was spent
in discussing an interesting
program for Sunday Schools and
Young Peoples' Work.

Rev. Milton L. Clemens, of
Hopkinsville, preached at 11
o'clock, from 2nd Kings, 6:6.

The next Presbytery will meet
with the Madisonville congrega-
tion.

H. N. LAMB,
Stated Clerk.

SOCIETY.

One of the most delightful
entertainments given in honor of
Mrs. H. H. Sayre, of Ardmore,
Okla., was the card party given
at the home of Miss Ruby James
last Thursday afternoon. Mrs.
Sayre was awarded the visitor's
prize. The refreshments con-
sisted of ice cream, cake, mints,
salted almonds and coffee. The
guests were: Mesdames H. H.
Sayre, Sam Gugenheim, E. J.
Hayward, W. D. Baird, R. F.
Haynes and W. V. Haynes;
Misses Della Barnes, Mary Cam-
eron, Kitty Gray, and Leaffa
Wilborn.

On last Monday afternoon,
Mrs. J. W. Wilson entertained
informally a few friends in hon-
or of Mrs. H. H. Sayre. The af-
ternoon was very pleasantly
spent in conversation, inter-
persed with a bit of "fancy
work," with Mrs. Wilson presid-
ing at the tea table in her usual,
charming manner.

Last Monday in honor of her
guest, Mrs. H. H. Sayre, a
luncheon was given by Mrs.
George P. Roberts. The dining
room was beautiful decorated
with ferns, sweet peas and smil-
ax. The luncheon was served
in four courses and consisted of
all the tempting delicacies of the
season. Covers were laid for
eight, and the guests were: Mes-
dames H. H. Sayre, Sam Gugen-
heim, S. T. Dupuy, J. W. Wil-
son, Tom Clifton, R. F. Haynes
and Miss Ruby James.

On last Wednesday afternoon
Miss Della Barnes and Mrs. J.
I. Clement very delightfully en-
tertained a few friends at 500 in
honor of Mrs. H. H. Sayre. The
refreshments were delicious and
consisted of Neapolitan cream
and cake and salted nuts.

OUR WEEKLY NEWS LETTER FROM WASHINGTON

What Our Great Men are Doing, The
Measures They Favor, Other
Things of Interest.

Washington, D. C. - (Special)
The River and Harbor appropri-
ation bill, which, in all probabili-
ty will be reported to the Senate
this week, will carry between
forty-eight and fifty millions of
dollars in many ways gives prom-
ise of being the most scientific-
ally prepared bill which the
committees of the two Houses,
dealing with the rivers and har-
bors of the United States, have
ever reported. In addition to
liberal appropriations for the
larger projects, it will carry some
interesting items affecting the
smaller rivers of the United
States, which are sought to be
improved for the benefit of the
communities along their courses,
and it will carry in the neigh-
borhood of \$75,000 for the de-
struction of the water hyacinth
which grow luxuriantly in some
of the streams of the south seri-
ously interfering with naviga-
tion. These hyacinths originally
came from Florida. When
New Orleans had its exposition
in 1884-5 the water hyacinth was
brought from Florida and sold as
a curiosity to visitors attending
that exposition. They were
planted in the states of Louisi-
ana and Texas and so rapid were
their growth that instead of be-
ing a decorative plant they have
almost become a curse to the
people living along southern wa-
ters particularly in the bayous
of the Pelican State.

Congressman Broussard, of
Louisiana, realizing that the
work of the Engineer Board of
the Army, looking to the de-
struction and extermination of
the water hyacinth, has been but
a drop in the bucket, contem-
plates the introduction of the
hippopotamus as one means to
bring about the extermination
of the hyacinth and to that end
has introduced a bill in Congress
appropriating \$250,000 to begin
the propagation of this animal.
Recently a hearing was had on
the Broussard bill before the
Committee on Agriculture at
which were present Captain
Fritz Duquesne, formerly of the
Boar Army, Doctor Irwin and
Major Burnham a naturalist who
has a great deal of experience
both in Africa, in this country
and in Mexico. This hearing
has aroused the very liveliest in-
terest and the newspapers of the
country are devoting columns to
the discussion, of what gives
promise of being of the first im-
portance in solving the problem,
or at least going far towards
solving the problem, of our meat
supply.

Congressman Broussard, in
speaking of his bill said: "If
the government fails to appro-
priate the amount asked for in
my bill I am in a position to say
that the introduction of the hip-
popotamus into at least some of
the bayous of Louisiana will be
undertaken by a commercial
company shortly to be organized.
Their introduction into the wa-
ters of the south is believed to be
wholly feasible for the climatic
conditions of my state are very
similar to those that prevail in
Africa, the home of the hippo-
potamus.

"African streams and African
rivers are kept entirely clean of
water hyacinth by the hippopot-
amus and other animals like the
water buffalo. The pictures of

the Roosevelt expedition show
the rivers of Africa clean of
aquatic plants like the water hy-
acinth and our streams could be
cleaned up the same way and
navigation made possible where
it is now impossible for steam-
ers to operate, on account of the
rank growth of this plant which
we have been endeavoring to ex-
terminate for many years by
spraying, dredging and cutting.
Then again the introduction of
the hippopotamus would go far
toward solving the problem of
our meat supply.

"The flesh of the hippopot-
amus is highly esteemed and
when salted and cured is known
in the Cape of Good Hope as
"Zee-koe-speck," or Lake-cow-
bacon. The fatty mass lying
between the skin and the flesh
or muscles is considered one of
the purest animal fats and is in
great demand among the Cape
Colonists. These massive ani-
mals were to the English settlers
in Cape Colony what our buffa-
lo was to the pioneers in the set-
tlement of our great prairies and
like the buffalo were heedlessly
almost exterminated. Then again
the African buffalo, the bush-
buck and red-buck would also
be valuable additions to the state
which I have the honor, in part,
to represent. Because these ani-
mals have not been introduced
is not a sound reason why they
should not be. Seriously we
need every additional species
that it is possible to secure be-
fore its extermination takes place.
Of the more than one hundred
species whose flesh is both palat-
able and nutritious we can find
a place somewhere in our great
country that will be adapted to
the successful propagation of
each.

"We are now consuming on an
average eight ounces of meat per
day for each inhabitant or fifteen
billion pounds per annum. At
the same rate of consumption as
now, in 1950 when we will have
two hundred millions of people,
it will require one hundred mil-
lion pounds per day or twenty
million tons per annum, and in
order to provide for this enor-
mous increase in consumption we
must secure animals adapted to
areas that are now non-produc-
ing. Its a condition and not a
theory that confronts us.

XXXXXX

The Agricultural Committee
of the House has been one of the
very busiest of the committees of
Congress during the present ses-
sion. Besides the regular ap-
propriation bill which occupied
upwards of a month in prepara-
tion, the committee has had long
drawn out hearings on the bill
to create a great forest reserve
along the Appalachian mountains
as well as upon the bill to
prohibit the sale of cotton for
future delivery. The latter mea-
sure brought to Washington cot-
ton growers and cotton specu-
lators from all sections of the
country and developed some very
interesting information as to the
methods of "Boosting" and de-
pressing the price of that staple,
especially in New York and New
Orleans. But it is doubtful if
there will be any legislative out-
come of the hearings at the pres-
ent session.

XXXXXX

The next measure of National
importance to be considered by
the committee will be the vari-
ous bills, there are nearly a doz-
en of them, to amend the law
relating to the manufacture and
sale of oleomargarine. While
action by Congress at the pres-
ent session is unlikely it is prob-

I have earnestly endeavored to
encourage the churches to make
liberal offerings to the Board,
much of which never came
through my hands. It has been
a year of successful revivals, and
the churches visited have been
encouraged in the work. Quite
a number of Sunday schools have
adopted the missionary plans of
the boards through my efforts.

FIVE GENERATIONS IN WELL KNOWN FAMILY.

Mrs. Polly James Living to Enjoy
Society of Her Great Great
Grand Children.

Photographer, Joe Stewart, of
Marion, has recently completed
a very interesting group repre-
senting five generations of one
of the best known families in
Crittenden county.

Mrs. Polly James, who is the
eldest of the group, is the widow
of the late Smith James who is
remembered as one of the most
prosperous farmers of this county.
She is held in high esteem by all
who know her and is much loved
on account of the tender, lovable
motherly way which has charac-
terized her life. Although she
has attained a remarkable age
she is yet in possession of her
full mental faculties, moves about
with the alacrity of one many
years younger, and gives prom-
ise of living to add another name
to Crittenden's already well
known record for longevity.

The four remaining characters
are: Mrs. Eliza Paris, her only
daughter, Mrs. Sallie Prowell,
her grand daughter, John Prow-
ell, her grand son and his little
two-year old son, Walter Ray,
who is her great great grand son.
Although Walter Ray has always
been a very delicate child, physi-
cally, a great deal of his life in
care of the family physician, he
has attracted much attention on
account of his extraordinary
mental powers. His bright little
face beams with intelligence;
this together with his friendly
and lovable disposition has made
him a general favorite and his
many friends predict that future
years hold flattering prospects
for him.

flouring Mill man of Dycusburg,

COUNTY COURT CONVENED MONDAY.

Levy Court Convened Tuesday and
Much Important Business
Disposed of.

At the convening of the coun-
ty court Monday presided over
by Judge Walter A. Blackburn,
but little business of interest
was transacted.

An extra session of the Levy
court was held Tuesday in which
much business was done.

The sheriff's settlement was
ordered to be printed in con-
densed form and the delinquent
tax list of each Magisterial given
to a collector at 50 cents on
the dollar.

The court voted \$200.00 to
each Magisterial district for a
road grader and split-log drags.
The plow and team will be al-
most completely abolished.

Three new graders were or-
dered purchased making four in
all. This gives one to every
two districts. Two Magistrates
are ordered to go with each
grader and for their services are
to receive \$2.00 per day.

Capt Carl Henderson and
Judge Walter Blackburn were
appointed to rush the town
Board of Marion on the comple-
tion of the new public lot and
hitching places.

The health officers salary was
fixed at \$100.00 a year.

The meeting of our honored
"County Dads" proved a har-
monious one, with everything
moving like clock work.

Don't fail to attend the Elec-
tric Theatre at the Magestic to-
night as something special will
be given. Mr. Sigler is giving
a series of splendid entertain-
ments every night, and will in a
very short time give a series of
the most exciting and interest-
ing ever put on in Marion.
Every night you go to his show
you get your money's worth.
The entertainment Monday
night was the best we ever saw.

This city will again receive a visit from the Henderson Boosters on May 4th. This is the second annual Booster Trip run by the Henderson Commercial Club. Our citizens will remember with much pleasure the fine delegation of representative merchants and manufacturers from Henderson who visited us last year, headed by their Booster Band. They will come again this year feeling assured of the welcome that will be extended them, and we have no hesitancy in saying that our citizens will turn out en masse, to offer the glad hand of good fellowship to our neighbors from Henderson. The Commercial Club of Henderson is ever in the lead in all matters pertaining to the upbuilding of the Pennyriple; the cause is common to us all, and it is up to us to join hands again in turning out to welcome our visitors, and assure them that we are behind them in their work of developing the great resources of this section.

We received an order from some of our good friends at Tolu last week for the initial printing of envelopes, letter heads etc. for the Tolu Hardware Company coming into existence April 1st 1910. Composed of a personal that is a sufficient guarantee that it will prove a success and a blessing to the people of that rich section of country.

The company will not be cramped for funds to make it what its promoters would have it, the best in the country. They are men who well know the needs of the people of their rich section and having the benefit of the cheap river rates will give them a wonderful advantage. They keep everything to supply the needs of the farmer or his household, from a cambric needle to a threshing machine.

The new company is composed of a clever lot of gentlemen whose financial standing is the best guarantee of its ultimate success.

We extend to them a hearty welcome and ask that they come well represented to Marion May 4th to be recognized by the Posters as one of the many great institutions of Crittenden county.

Let every citizen of Crittenden and Livingston counties who can possibly come to Marion on May 4 do so that they may assist us in extending a hearty welcome to the Henderson Boosters. They are sure to be well paid for their visit.

A band of twenty pieces has been engaged to make music for all visitors to Marion on May 4, that they may be entertained while waiting for the Booster train.

Our good friend W. B. Yates is in Louisville singing for Rev. J. T. Rushing in a revival meeting in progress at Virginia avenue Methodist church. We are proud of our good Bro. Yates. He is a power for good and it is no wonder that every body loves him. He carries a heart so full of love for Jesus that it lights up his face and rolls through the congregation in every song as a Pentecostal shower. His voice is a wonderful gift and he is using it throughout our beautiful Southland for great good. All congregations that know him, love him.

The sickness of our fireman prevents our getting out but four pages this week, compelling us to leave out nearly all our adds. But they will come next week and will make up for the loss.

LOST—Some where in or near Marion, about Apr. 1st, a ladies black leather hand bag extra size and quality, contained handkerchief, cards and probably some other items. Reward for its return, as I prize it for the sake of the giver.

Mrs. MARY A. JENKINS.

LOST—On the first day of Feb'y, one black overcoat some where between Marion and Crayne. Finder please return to Record-Press office and be rewarded.

THE "BOOSTER" TRAIN IS COMING.

On Wednesday, May 4th More Than 300 Henderson Boosters Will March Through Marion

On Wednesday evening May 4th more than three hundred of the representative business men of the city of Henderson will visit our city and it is our duty to see that they receive an old time Kentucky welcome such as one as Marion and Crittenden county people know how to give and that is so characteristic of all true Kentuckians.

We are going to ask not only Marion people, but all the people of grand old Crittenden county to assist us in giving these our neighbors, a great and glorious welcome.

They are not coming here to take our money from us, but to better know us and talk with us about keeping it in the bounds of our own State. They feel to know that they can learn something as well as learn something of us.

The business men of Marion are all joining hands in preparing a hearty reception for the visitors and they are asking the people of all the county and the portion of adjoining counties, that are in the habit of coming to Marion to assist us. We are desirous of putting our county where she belongs, to the front. Every town and country store in Crittenden and Livingston should be represented here, and in the great march with us, with both feet.

The Booster train will leave Henderson with more than three hundred strong and the number naturally increasing all the way until Marion is reached will give us, with the great number of Marion and Crittenden citizens who have expressed themselves ready to fall in line, one of the most attractive processions ever witnessed here.

A splendid band has been engaged to make music for the visitors from neighboring towns and country until the arrival of the long Booster train, when all the whistles from the various flour Spar mills, Ice Plant, Light Company and flour mills will be turned loose in a great blast of welcome. At the depot the line

of March will be formed with Field Marshall and his calvary in the lead followed by a number of ladies on horseback; they followed by the Marion and Lola Bands leading the long procession of visitors, who will be followed by Marion and Crittenden citizens. In plain English, we are determined to give our neighbors a welcome they are not likely to forget and we ask that every citizen of the county come to town on that day with his wife, sons and daughters to help us. After the parade in which there will be three if not four bands there will be a number of short speeches along business lines that will prove of benefit to you.

The town will be beautifully decorated and everything done to make your visit to Marion a pleasant and profitable one.

Tolu, Ky., 3-15, 1910.

Editor of The Record-Press:
Dear Sir:—The interest which you have manifested in the welfare of the farmers at all times, and the many favors that you have shown the Farmers Union, leads me to call still further upon your kindness, by asking you to print a few field notes for us.

Our Union is taking on new life. The membership is more united in sentiment than ever before. There is a conservative feeling and a willingness to let the majority rule.

We have things in a better shape, we have only to do our duty and success is ours. I believe our members are determined to put their shoulders to the wheel and roll the Old Farm Wagon to the top of the hill. I believe that the fellows who have been prophesying that the farmers would not stick, will be disappointed. We look for a rousing meeting at our next County Union the second Thursday and Friday in April, I would like to tell of some of the places I have visited, meeting with nothing, but encouragement, brotherly love and kindness everywhere, but fearing that I shall make this note too lengthy I forbear, I cannot close however, without complimenting the Record force from "ye editor" to the "small boy in the office", on the new dress of the paper, it looks as fresh and bright as a fair maid of "sweet sixteen" in Easter attire. May

success abundantly crown your efforts, and the joys of Easter be with you and yours.

Very truly,
J. W. RASCOE

WE WILL GIVE AWAY

ABSOLUTELY FREE

ONE NICE HOOSIER KITCHEN CABINET

To show our appreciation of the very liberal patronage given us during the short time we have been in business, we have decided to GIVE AWAY ABSOLUTELY FREE one nice \$25.50 HOOSIER KITCHEN CABINET. This is a very desirable piece of furniture for any home.

This is our plan:—For every dollar paid us in cash for goods or on account, we will give a ticket and deposit a duplicate of same in a locked box. ON MONDAY JULY 4TH NOON, Judges J. G. Rochester, W. A. Blackburn and Miss Leafa Wilborn will take charge of the box, open and empty it into a large tub. After thoroughly mixing tickets they will tie cloth over tub. They will then select a small girl and after blindfolding her, cut a small hole in the cloth through which she will put her hand and draw one ticket which will be the lucky one, the party holding the duplicate to this will receive the CABINET.

Should no one present hold this ticket the remaining tickets will be redeposited in box and locked for thirty days waiting the presentation of the ticket corresponding with one drawn. If this ticket is not presented within thirty days, a like drawing will be held and so on every week thereafter until Lucky party is found.

REMEMBER IT COST YOU ABSOLUTELY NOTHING. You get your goods from our fresh clean stock at the same price you pay the other fellow. The CABINET is on display at our new Up-to-date Grocery, come in and see it.

OBITUARY

In memory of George W. Tosh, who departed this life December 28th 1909, aged 78 years two months and ten days. Brother Tosh was afflicted with that dread disease cancer, from which he suffered greatly for several months before he died, but he bore it all with that patience and fortitude which bespeaks perfect resignation to the will of God. He often expressed his willingness to go saying that his suffering would then be over. He is survived by his wife and five children, three sons and two daughters. Funeral services were conducted by Rev. O. D. Spence after, which his remains were tenderly laid to rest in the Crowell cemetery to await the resurrection morning. Friendship and love have done their last.

And now can do no more. The bitterness of death is past: And all thy sufferings o'er. Thy gentle spirit passed away, 'Mid pain the most severe, So great we could not wish thy stay. A moment longer here.

A FRIEND.
