WELDON-HINA GROCO.

BRITISH

In memory of George W. Tash, who departed this life December 20th, 1909, aged 29 years and ten months. Brother Tash was afflicted with that dread disease, Tuberculosis, from which he suffered greatly for several months before the end, but the end all that with patience and fortitude. Brevard speaks her perfect resignation to the will of God because he refused to say anything to his suffering and said nothing to express his sorrow because he was confident his suffering would end in a better life. He is survived by his wife and five children, three sons and two daughters, who were reared by Rev. O. E. Ballance, after which his remains were tenderly laid to rest in the Cemetery, awaiting the resurrection morning.

Friend and neighbor, you have done their last and can do no more.

The bitterness of death is past:
All the sufferings over.

The gentle spirit passed away,
Mid pain the most severe,
So great we could not wish the day.
A moment longer.
