## GRANT COUNTY FARMERS FINED

Fined in the court in Covington for intimidating others.

Covington, Ky., April 19.—Grant county Ky. farmers found guilty of conspiracy of restraint of trade by a jury of the United States District Court at Covington Ky., to-day.

The twelve men indicted, was dismissed by order of Judge Cochran, and others were acquitted on verdict rendered by the jury.

Fines ranging from \$100 to \$1,000 were assessed on the defendants convicted were to have interfered with Interstate Commerce by intimidating and persuading W. Osborne, also a Grant county farmer, to withdraw from shipment of a lot of tobacco consigned to the Cincinnati market from station at Dry Ridge, Ky.

One of the men found guilty prominent in their locality, of them, John S. Steers, be a minister and member of the adjourned State Legislature, the evidence for the Government was worked up by H. W. England, a special representative of the Department of Justice, and in addition to United States District Attorney Tinsley, assistant Attorney General supervisor from Washington, United States District Attorney Du Relle, of the Western Kentucky district, were also entered on the side of the prosecution.

Judge Cochran made it plain at the Burley Tobacco Society, an organization, was not a factor in the case on trial, and out both the evidence and arguments of counsel on matters involving it.

The defense was conducted by Percy Myers and Robert Wynn, latter Chairman of the Republican State Central Committee.

All the cases passed upon will be appealed.

## ENTHUSIASTIC WAS BUSINESS MEETING

They Prepare to Greet the Henderson Boosters With "Old Time Kentucky Hospitality."

The business men of Marion met in the office of County Attorney, Jno. A. Moore on Saturday morning to discuss the coming of our friends, the "Henderson Boosters" on May the 4th. The meeting was well attended, every business in town being represented and every man went down in his pocket liberally that there might be no lack of funds in the planning of a proper welcome for the visitors.

Senator Maxwell, with an eye to the proper care of our visitors and holding that "things must not be done by halves," started the contribution with \$5.00, which was repeated by many in the room before Secretary Jno. A. Moore could put them down and when the enthusiastic meeting was over it was found that not a man had failed to give liberally, even the many ladies in business contributing from \$2.00 to \$5.00.

Mr. T. H. Cochran, who was unanimously elected Chairman, appointed the following committees:

Committee on Arrangements:—N. E. Calmes, J. H. Orme and Jno. W. Wilson.

Committee on Music:—Jas. L. Travis, W. Q. Tucker and Dr. F. W. Nunn.

Committee on Entertainment:—Jess Olive, J. D. Asher and R. F. Haynes.

Committee on Finance:—E. S. Love, P. S. Maxwell and W. H. Copher.

Committee on Reception:—Judge W. A. Blackburn, Hon. Jno. W. Blue, Hon. Jno. A. Moore and Mayor C. E. Weldon.

Chairman Cochran appointed H. M. Stone to arrange with the ladies of the various churches for the serving of ice cream and cake in the Court House yard; the proceeds to go to the new Marion cemetery.

## THE DISTRICT BOARD MEETING

For Five Year Pool And Now Advises Pledges For 1910 Crop Before One Year.

The District Board of the Stemming District met at the office of Chairman F. F. Brown, in Madisonville, on Saturday, April 9, at 9 a. m. Those present at the meeting were Committeemen W. B. Rankin, Crittenden, I. N. Baker, Webster, Hiram T. Dean, Union and F. F. Brown Hopkins county.

William Elliott, of Henderson, general manager, was elected chairman; James N. Banks, Henderson, secretary.

The chairman stated the object of the meeting was to consider the manner and method of pooling the 1910 crop of tobacco. He said the District Committee had, two weeks ago, recommended that hereafter pooling should be taken or five years, but since that time certain happenings in various counties of the district prompted the committee to meet and again consider the matter. The chair then called on the several members of the committee present to express their views.

After a full, a free and frank expression from the four committeemen present, it was evident that each one, as a personal preference, favored the five-year plan pooling, but it was equally obvious that all four doubted—in the light of events of the past two weeks, the wisdom and good policy of pressing the five-year plan during this current, year of 1910.

Mr. Baker, of Webster county, said a big majority of his constituents wanted the five-year plan, and yet he now believed more members there could be signed up on the one-year plan. He, however, recognized the fact that a uniform rule for the pooling must apply to all the counties and he would therefore offer no factions opposition to the wishes of a majority of the committee. And then, on motion made, seconded and carried, the following resolutions were adopted.

Resolved, That whereas this committee some two weeks since recommended to members of the Stemming District Association throughout the district to authorized a pool for five years, but now the committee, in light of subsequent events, are convinced that an attempt to pool for that time would be impolitic.

## SAFE BLOWERS MAKE HAUL IN WEBSTER

Wreck Postoffice Safe and Make Off With All the Contents The Work of Professionals

Slaughterville, Ky., April 19.—When the postmaster went home Monday night he placed all cash, stamps and valuables in his safe as usual. When he came down to the office early Tuesday morning he found the safe blown to pieces and the interior of the post office in confusion.

All the stamps, the cash, etc., had been taken, the robbers making a clean haul.

It was evidently the work of experts.

Do you need roofing of any kind U. Crimp painted U. Crimp galvanized, or rubber roofing from the cheapest to the best. We can save you big money on any kind of roofing. T. H. COCHRAN & CO.

Second, Resolved, That, further, the committee now recommended the pooling of the 1910 crop for a period of one year, and that said pools, are to be declared null and void unless 85 per cent. of the crop of the district is signed up to the Association.

The committeemen expressed opinion on that could 85 per cent. of the 1910 crop be pooled for one year, there would be no trouble beginning with 1911 of pooling crop for five years.

Upon motion the District Committee adjourned.

WM. ELLIOT, Chairman; JAS. N. BANK, Secretary.

## "ST ELMO" FOR MONDAY NIGHT

This Will Prove The Most Interesting Play Ever Presented In Marion Monday April 25

"St. Elmo" A novel that has been read by millions has at last been dramatized. The many readers of this popular book will no doubt read this announcement with pleasure. As the company that Robert Robinson has placed entour will play an engagement for one night only at The Majestic Theatre Monday April 25.

The Sidney Daily News of March 19th, has the following to say regarding "St. Elmo": The much heralded "St. Elmo" attracted a capacity house last night at the "Lyric". Why a novel 2 years old should have lain dormant so long without dramatization is beyond comprehension. It's a remarkable play. Intense and replete with original comedy. The climax reaching a display of realism seldom seen.

The cast headed by Catherine Hadley all did good work, Robert Robinson in the title role showed a keen appreciation of the cynical character and investigated it with convincing earnestness.

Miss Hadley as Edna Earl the little uncouth mountain girl, who by her own efforts rose to a student of high order, gave as clever a performance of this role as has been seen in many a day. Her personality fits her for the character, Ralph Holland as "Jiggins," carried off the comedy honors, and made a hit. Mr.

## **Wednesday, MAY 4th, 1910**

**THEY ARE COMING,**  
several hundred strong in a special train. Every business of the city will be represented and all expecting a repetition of the hearty welcome extended them last year.

They are our people and as they are from a city that is rapidly coming into prominence as a manufacturing city and so near us, Marion and Crittenden county people are vying with each other in preparing for them a royal welcome.

To do this, we are asking the co-operation of every citizen of our town and grand old county, including the portion of Webster, Caldwell and Livingston counties who trade with us, to come to Marion on this day and join us in the welcome we are planning for the visitors.

Every town on the river and in the territory named should be well represented on that day.

Many of the leading business men of Tolu have expressed their intention of being here to take part in the great parade.

That all visitors to our city might be entertained during the wait for the Great Booster Train a splendid band of twenty pieces has been employed to entertain them.

An enthusiastic meeting of the business men of Marion was held Saturday morning, presided over by Mr. T. H. Cochran of the firm of T. H. Cochran & Co. The meeting was largely attended and much interest manifested in the approaching visit of our neighbors.

### **TO DINE AT MARION.**

Secretary Chas. T. W. Argue of the Henderson Commercial Club on learning of the efforts being put forth by Marion to entertain them decided to change their program that the "Boosters" instead of having but a short hour here, will remain with us for supper, giving time for us to the more enjoy their visit.

Let every man, woman and child in Crittenden prepare to come to Marion on this day. You will have ample time for all your trading and shopping before the Boosters arrive and in the mean time be entertained by a splendid Brass Band composed of an aggregation of musicians that are unequalled in Western Kentucky.

Entered as second-class matter February 9th 1907 at the postoffice at Marion, Kentucky, under the Act of Congress of March 3, 1879.

One Dollar the Year in Advance.

The trip of the Henderson Boosters this year promises to eclipse by a long way that of last years, it will be remembered by all of our citizens what a successful event that was, and to turn out a more lively bunch of genial whole-hearted Boosters again this year the Henderson Commercial Club will have to be "going some." But the assurances we are receiving, all are to the effect that last years trip will be totally eclipsed this year. The Boosters will be composed this year of about 150 of the leading men of Henderson, headed by their one Booster band, and when they unload their special train here we will have an opportunity of greeting as fine a lot of men as any that ever united in an effort for the upbuilding of any section. It is up to us now to meet these gentlemen from Henderson with the same spirit that has induced them to come, let us all turn out to meet them with the glad hand of good fellowship, and convince them that we are behind the Henderson Commercial Club and ready to co-operate with it in its

work for the upbuilding of this section.

The expense of undertaking a trip of this sort is heavy, but if the results will show that the cause of co-operation is helped, and that our people will pull together and buy all they can from home merchants, and so support one another, the Boosters will feel that their efforts have not been in vain.

Here in the Pennyville we have the best country on earth, the bounds of our prosperity are only dependent on our own efforts. The mission of the Boosters is to ask us to keep what money we make at home, if you want something and your local merchant can't supply you, they say, go to Henderson for it, but above all don't send your money out of the State where it will go to the upbuilding of some other section. Boost ourselves, Boost the Boosters, and show them we are with them as their slogan says, "All together, all the time, on everything for the Pennyville".

As the season has been early and very favorable to the farmers and as the Marion people are preparing for a great jollification day for May the 4th they should not only come to town themselves, but bring their families. The days rest will better prepare you for the rest of the farm season. Come to Marion on May 4th and help us to give the Boosters a hearty welcome.

We have been repeatedly asked why we have not made known our choice for Governor. Now the fact is that we have splendid gubernatorial timber at home and perchance the "bee" may be buzzing around their heads, and if either Hon. Ollie M. James or Judge T. J. Nunn should be induced to make the race (which is not probable,) we would be for either of them first last and all the time. Mr. James has not yet returned from Washington to consent or refuse to allow his name to go before the convention and consequently we do not want to be hasty in pledging or declaring for some one against men so worthy as either of our home men.

The Weldon-Hina Grocery Company have been advertising for a real live owl, for which they were to give a dollar's worth of real Owl coffee, but failed to mention that screech, or barn owls were barred which failure upon their part cost them one dollar's worth of coffee, as young Vincent, the other day brought them a screech owl. They made good their promise by giving the lad the coffee in exchange for the night bird, turning his owlishness over to the owl man. But to the surprise of Mr. Hina the next morning the creator of more superstition and

warbler of strange songs, in more languages and doleful tones, than any bird on earth, was gone. Now since the loss of owl and coffee this firm held a meeting at which they passed resolutions refusing to recognize any but the big hooting owl.

## RESOLUTIONS OF RESPECT

Bigham Lodge No. 256. F. & A. M.

The all devouring scythe of time has again invaded our lodge—Chapter and Council, at this place, and severed the thread of Mortal life of our brother and companion, William H. Asher.

On the evening of April the 5, the Supreme Architect of the Universe, called from labor to eternal rest, our brother to enjoy the Sabbath of eternity where the adoration of the twelfth hour will be everlasting joy, and the noon-tide of bliss shall eternally shine.

In the evening of his life, and in the evening of common time he laid down the working tools of Masonry and went to that temple on high "that house not made with hands eternal in the heavens."

His mortal remains were laid to rest in the Repton cemetery, April the 6th, "to await that Great Day."

Bro. Asher was one of the oldest members of our lodge, and one who had been faithful and jealous in work and attendance until the last few years, when from old age he could not attend regularly. Therefore, be it resolved; That we who survive him cherish the noble traits of this our brother, and bow with humble submission to the will of

"Him who doeth all things well." And while we extend to the family of our brother our deepest sympathy in their sad bereavement, we rejoice in the hope of a glorious immortality where we may all be gathered around the great white throne, never to be separated any more.

Be it further resolved: That a copy of these resolutions be spread upon the records of our Lodge, a copy be delivered to the widow, and a copy to the Record Press for publication.

His remains were laid to rest by members of his lodge in the Masonic cemetery at Morganfield on last Friday.

#### FARM R UNION

Brethren, we have just closed one of the most harmonious, and from a business standpoint most practical county union meetings ever held in the county. Our supply House is made practically a success and the pooling of our tobacco and wool is being heroically pushed. We have already almost as much tobacco pooled as was pooled last year. Some locals report an entire pool of their membership, and some from the outside. Push the good work along and as fast as your pooling sheets are made out send them in your job pools to J. P. Pierce and your wool pools to J. E. Dean. We must have at least one million pounds of tobacco pooled for this year. In order to curtail expenses we have decided to only receive (for balance of 1909 pool) one day in each week (Thursday) and must insist that you bring your tobacco in not later than May 13th. Our contract expires June 1st. Bring your wool to J. E. Dean.

Fraternally,

J. P. Pierce.

#### OBITUARY

After an illness and great suffering of nine days duration, Charlie Bettis aged 20 years two months and eleven days, son of P. E. J. and Emma Bettis of College Park Ga., who passed away on the 10 of March, at 7:15 p. m., surrounded by friends and loved ones. Although not a Christian up to his sickness he was a kind and affectionate boy making friends wherever he went, and greatly beloved by those who knew him best. He was a fine type of young manhood, and when last saw by the writer, two weeks before his death, one would never have thought his stay on earth would be so short.

He is survived by father mother 5 sisters and 3 brothers. The funeral took place Saturday morning at 10 o'clock. It is hard to give him up so young, but we weep not as those who have no hope for the precious words that fell from his lips during his illness which he bore so patiently, inspires the hope within us that our loss is his eternal gain.

Oh, why was he taken away from us when we loved him so much, but Lord we know thou knowest best and doeth all things well; so we will try to be submissive to thy holy will.

Soar on dear Charlie on wings of love,

Around the ancestral throne

And be watching and waiting with out-stretched arms

To welcome your loved ones home.—By his aunt Ida.

### OTHER CLOCKS WILL NOW BE SET

They are now setting big clocks in the cities today, and as soon as they're wound there'll be money to pay; the way they make "time fly" is sure something fierce, but there's no indication that money is "skeerce." Some say 'tis a scheme to get money "on tick," and it is a good plan to raise "big money" quick; now these new clocks we speak of tell folks when to buy Chi-Namel,--a finish the whole world should try. Chi-Namel is ALL varnish--free from resin and benzine and rich in Chinese Oil. All colors and all size cans at our store. Sold by

## Two Good Papers for \$3.50

The Crittenden Record-Press and Henderson Daily Journal for \$3.50 and a chance to win one of the many attractive prizes offered by the Journal.

Each subscription to both papers entitles you to 3,500 votes in the great contest for the \$1,500.00 Automobile. This machine is a beauty. In fact one of the handsomest models we ever saw and there is no reason why some one in Crittenden county should not have it. The Editor of the Record-Press won a trip to Europe for Miss Ida Dyer last year and feels he can win this splendid Automobile for some young lady or gentleman in Crittenden county.

The Henderson Journal is a live, newsy paper, getting here every morning in time for the rural free deliveries. It publishes all the "Tobacco Tidings" and gives the very latest market reports besides several columns of news every day from Marion and Crittenden county.

As the two papers are well worth the money, back up some one from our county with your subscription. You need not subscribe but for one year to win it, or the fine piano or some one of the many other prizes.

The regular price of the Henderson Journal is \$3.00 and we have cut the price of our paper in half, that we may be instrumental in winning this auto for some one. By taking advantage of this combination you will get what no other daily paper gives you, the news from Crittenden every day.

## SUBSCRIBE AT ONCE AND SAVE YOUR 3,500 VOTES FOR THE GIRL OF YOUR CHOICE.
