A Charming Woman

is one who is lovely in face, form, mind and temper. But its hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a male weakness and stomach trouble, godsend to women who want health, besuty and friends. They regulate Stomach, Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion and perfect health. Try them. 50c at James H. Third Tragic Death

In Same Family.

Paducah, Ky., June 16 -Edward Utterback, of Murray, was fatally injured at Cape Girardeau, Mo., when he either jumped or was shoved from a moving train after being attacked by a gang of drunken toughs. J. C. Utterback, the injured man's father, was in Paducah today enroute to Cape Girardeau. Ed Utterback is the third son to meet a tragic end, his brother, Joe, being murdered at Murray two years ago and another brother, Preston, being killed when a tree fell on him.

CERTAIN RESULTS

Many a Marion Citizen Knows How Sure They Are.

Nothing uncertain about the work of Doan's Kidney Pills in Marion. There is plenty of positive proof of this in the testimony of citizens. Such Misses Mayme Hughes and evidence should convince the most ing statement:

C. W. L. Nesbitt, Depot street, Marion, Kv., says: "I suffered so severely from kidney complaint that I was unable to get out of bed and no baby visited Mrs. Mag Hughes one knows the suffering I endured. I often wished that death might come and relieve my misery. The kidney secretions were filled with sediment and my limbs were badly swollen The doctor said I had dropsy and held out little hope for my recovery. I could not raise my arms above my head, in fact, there was an almost complete paralysis of my right side. A relative at length advised me to try Doan's Kidney Pills and a box was procured for me at Haynes & Taylor's drug store. I improved from the time I commenced using this remedy and gradually the symptoms of my complaint disappeared. In three months Miss Clara Heath spent the I was in good health. I have been Kidney Pills are the best kidney remedy on the market."

Wetherford came out of his hiding place with a grave face.

"They're right about our staying clear of town," said Cavanagh. "They'll quarantine us sure."

Wetherford now that the danger of arrest was over was disposed to be grimly humorous. "There's no great loss without some small gain. I don't think we'll be troubled by any more visitors, not even by sheriffs or doctors. I reckon you and I are in for a couple of months of the dulet life-the
