## LAXATIVE SENT FREE TO TRY

It may be taken for granted that there is no family that does not sometime need a laxative. If you don't know of a good laxative, or the laxative you are using is losing its effect, we want to call your attention to Dr. Caldwell's Syrup Pepsin, which thousands of families are using successfully.

We have scores of letters from mothers, and scores from prominent men saying they are using it personally and giving it to their families. Men like Mr. C. K. Smith of the Traffic Clearing House, Pine Bluff, Ark., and Mr. George B. Turner, a lawyer of Harlan, Ky. The thousands of mothers who use it themselves and give it to their children would take too much space to mention.

The reason they prefer Syrup Pepsin is that it is a mild, gentle laxative- tonic that does not gripe—effective and yet so mild that babies can take it. Its tonic ingredients invigorate the body and strengthen the stomach and bowel muscles so that they again do their work naturally. If you have been a victim of salts, pills and strong cathartics you will discard them when you once use Syrup Pepsin.

You can buy a fifty cent or one dollar bottle of any druggist, but before doing so you may want to try it free. If so, send your address to Dr. Caldwell and he will promptly forward a free sample bottle. Then, being convinced, do as others are doing and buy it in the regular way of your favorite druggist.

For the free sample address Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.

### "Spirit of Wine."

William Shakespeare, for once at a loss for a word, proposed to call it "devil," but it is entitled to no such honor—it is no prince of darkness, it is no prince of anything. It is the cockroach of human industry; it is the louse of human liberty; it is the San Jose scale upon the orange trees of youthful ambition; it is the cut worm; the Hessian fly; the canker worm; the caterpillar of the growing crops of character; it is the codling moth of the trees of righteousness; it is the filthy footed house-fly of domestic love; it is the fever-bearing mosquito of politics; it is the flea bearing plague rat that plants pus in moral fiber; it is the slug that eats life's roses from the cheeks of happy wives; it is the pander of paresis, insanity and crime; it is the world's most notorious and accomplished sneak thief and it does its larceny in broad daylight as well as in the dark.—John G. Wooley.

### Cheap Imitations

Owing to the immense sale and popularity of Dr. Bell's Pine-Tar-Honey there are many cheap imitations on the market under similar sounding names, but you can always get the genuine by looking for the bell on the bottle.

### Six Inch Snow in Texas.

Dallas, Tex., Nov. 13.—With the entire Panhandle section of Texas covered with six inches of snow, the heaviest this early in the season that has visited that portion of the state in a number of years and extending far into Western Oklahoma, and with freezing temperatures reported all over north and central portions of the state while the thermometer has reached 7 above zero at some places in eastern Oklahoma, the first real winter weather of the season is being experienced in the southwest.

Reports from the cotton belt of Texas are strongly indicative that where the freezing point was not reached last night or to-

day, the rapid descent of the mercury forecast that it will go far below the freezing point before daylight, thus insuring that no further growth will be experienced by cotton plants that have established the frost belt several days ago.

At Amarillo the temperature was 16 today; at Kirkland it was 24; 40 in Grayson county; 24 at Tulsa, Okla., Canadian and Spur had half an inch of sleet and freezing at Wichita Falls; sleet and temperature 24 at Ade, thin ice at Gainesville, Tex.; 25 at Enid, Okla.; 38 at Marshall, Tex.; 32 at Weatherford, Texas, 35 at Ennis and Corsicana, 32 at Abilene 36 at Denton, freezing at Venus, and 32 at Terrell.

### Dr. Bell's Antiseptic Salve

Is guaranteed for eczema, salt rheum, tetter, ringworm, running sores, chapped hands and lips, pimples on the face, black heads, barbers itch, sun burn, insect bites, fever sores and nasal catarrh. 25 cents.

### Burns \$1,419 In Stove.

Cleveland, O., Nov. 13.—James Carr, sixty years old, a mill worker, lost \$1,419, the savings of his lifetime, when a fire was started in the stove, in which the money had been hidden, here today. The failure of a bank, in which part of his money had been placed, induced him to hide his savings in the stove. Mrs. Carr "forgot" and set fire to rubbish in it.

### Hogwallow Happenings.

Fit Smith, who confessed to hog stealing last week, was tried Thursday at Bounding Billows and found not guilty, on account of the strong influence his brother, Bat Smith, the moonshine distiller, had with the jury. The case was tried behind closed doors on account of the cold weather.

The Dog Hill preacher read his yearly report last Sunday. He has preached 94 sermons besides raising a crop of the finest sweet potatoes you ever saw, and patching the floor of the church. In cash he has collected nearly four dollars. Besides this amount there has been donated to him a pair of socks, one bucket of nice persimmons, one wooden legged chicken besides a middling of meat, a string necktie and other necessities of life.

A hog-eyed fellow wearing light completed pants, cut above the highwater mark of the heavy fall rains, visited our community this week, and swindled some of our folks by selling them yellow yam sweet potatoes for bananas.

On account of Poke Eazley's eyes getting bad he has decided to move his house closer to the road in order that he may watch the strangers that pass.

Frisby Hancock went to the Hog Ford moonshine still house last Monday and got a jug of liker so old that he could hardly get home with it.

Dock Hocks has spent the last week looking for his mule, which he suspicions was stole from the sapping at the Dog Hill church last Sunday. As yet he has no clue, though he has asked at least a dozen men if they are guilty. He believes the crime was committed by a member of some other church.

Miss Fruzie Allsop has decided not to get a new hat this winter but will merely turn her old one around.

Prof. Sap Spradlin has hung a picture of George Washington in the Wild Onion School house, so that the pupils will know how to roach their hair back like his.

The old Miser is being watched this week by the deputy constable on account of his having been out for several nights with his lantern turned down right low.

### THE CAUSE OF ECZEMA

is germ life that burrows under and feeds on the skin. The way to cure ECZEMA is to remove the cause by washing away with a clean, penetrating liquid, the germ life and poisons that cause the trouble.

We have a preparation that will do this. The first application will stop the itching and give prompt relief to an irritated, itching or inflamed skin. If you are a sufferer from skin or scalp eruption in any form, try one bottle of ZEMO the clean scientific preparation, we are confident you will be pleased with the result from the use of this standard preparation for eczema.

Good for infants as well as grown persons.—Haynes & Taylor's Drug Store.

### RECKLESS DRIVER

#### Hurled Through Plate Glass.

While driving his auto at the rate of about thirty miles an hour, Dr. Thomas James, living at Third street and Broadway, early this morning, drove his machine onto the sidewalk and was hurled through the big plate glass window of Hush Brothers 212 Fourth street. Dr. James was rescued bleeding profusely from a slashed artery in his left arm, and walked more than two squares down Fourth street before the police reached him in the auto patrol. The wound is serious. He was removed to his home in the patrol.—Courier-Journal.

When you feel Lax, Stretchy, Half Sick, Blue and Out of Sorts, look to the Liver; it is Torpid.

**HERBINE**

Is the Remedy You Need.

It is an invigorating tonic for a torpid liver. The first dose brings improvement, a few days use puts the liver in fine vigorous condition. Herbine also extends its restorative influence to the stomach and bowels. It helps digestion and food assimilation, purifies the bowels and brings back the habit of regular daily bowel movements. When the stomach, liver and bowels are active, bilious impurities no longer obstruct functional processes, the result of which is renewed energy, mental activity and cheerful spirits.

### Baby Born

#### Half Hour After Mother Dies.

Chicago, Nov. 15.—By an operation yesterday in the county hospital a baby was brought into the world half hour after its mother died.

One of the most successful operations of this kind was responsible for Julius Caesar being born. The operation took on the name of the Caesarian section and is rarely retorted to. The operation has been per-

formed in Chicago with success before.

Mrs. Emma E. Simpson, of 4643 Cottage Grove Ave, was in the hospital as a patient. The doctors were expecting the arrival of a child. Just at the critical moment was approaching the nurses discovered Mrs. Simpson was being affected with a swelling of the larynx. So swift was the ailment the patient was dead before anything could be done.

### For Colic

or any bowel trouble Dr. Bell's Anti-Pain acts like magic, relieves almost instantly. Also good for all external pains.

### CERTUARY.

Elmer Williamson, the 25 year old son of Mr. and Mrs. Horace Williamson, was killed in the Tabor Mine, on Oct. 28, 1911. He was a noble young man, and admired by all who knew him. Having professed faith in Christ while young he joined the Chapel Hill Presbyterian Church when 15 years old.

It seems sad to us and especially to his family, that he should be so suddenly called to the great beyond while in the very bloom of life, but he has only answered that call of the death angel, that sooner or later we all must answer. And what a consolation it is to feel that he is with the redeemed.

So we can but say to the parents, brothers and sisters, we know we can not comfort—only Jesus can, then let us thank Him and plead intensely for his love that we too may be prepared to go, when the call is made, for to die in Christ is but to live again, and He is the only one from whom rays of light penetrate the darkest parts of the earth, and who has the balm of Gilead to heal every broken heart.

"God has his mysteries of Grace—ways we cannot tell; He hides them deep, like the secret sleep, of him we loved so well."

### A Cousin.

Chilblains, frosted feet or hands, can be cured with one or two applications of BALLARD'S SNOW LINIMENT. It quickly relieves itching or tenderness of the flesh. Price 25c., 50 cts and \$1.00 per bottle. Sold by Jas. H. Orme, Marion, Ky.

### Pearls of Great Value Found.

Madison, Ind., Nov. 13.—Three pearls have been found in the last few days by men gathering mussel shells. One found by Joseph Porter weighs 39 1-2 grains and he values it at \$700, though it is not quite perfect. Another pearl, slightly defective weighing 17 grains, was sold for \$75. The finest one, however, perfectly round and clear, almost as crystal, weighing 20 grains, is valued at between \$400 and \$500.

### Whooping Cough

It is an old saying that whooping cough must run its course, but the use of Dr. Bell's Pine-Tar-Honey has demonstrated beyond doubt that such is not the case. It can be cured by the use of this remedy.

### FARMERS' GIFT

### Henry James Dead.

Robt. Henry James died at his home in Salem, Wednesday night Nov. 8th, after an illness of less than one week of pneumonia. He was here with the mail hack, which he was driving, on Thursday, previous to his death but went home sick and went to bed never to get up again.

He was thirty-two years of age, and was married when twenty-four to Miss Mattie Gregory, daughter of Robt. Gregory, of this place. And she with one little girl, survives him.

He was buried at the James family lot at Pleasant Hill, Rev. John A. Hunt, officiating Thursday afternoon.

## Dr. Frazer Guest of Honor at Henderson Banquet.

One of the pleasing events of the week was the luncheon and smoker given at the Elks' home last night by the physicians of the city in honor of Dr. D. O. Hancock, the newly elected president of the Kentucky State Medical association. The affair was well attended and enjoyed by all present. The guest of honor was Dr. T. A. Frazer, of Marion, who has the distinction of being regarded as the most active physician in health matters in this end of the state. Toasts were responded to by

the following physicians: T. A. Frazer, D. O. Hancock, P. Ligon, M. C. Dunn, E. Branson, Silas Griffin and W. M. Floyd.—Henderson Gleaner.

## WHY SO WEAK?

**Kidney Troubles May be Sapping Your Life Away. Marion People Have Learned This Fact.**

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Marion testimony to prove it. Mrs. Mary Alexander, Marion, Ky., says: "I was afflicted with kidney trouble for three or four years. Sharp twinges seized me in my back when I stooped or lifted and I was unable to rest well on account of a constant backache. I tired easily, often felt nervous and languid, and was annoyed by headaches and dizzy spells. I was also troubled by a blurring of my sight, and the kidney secretions were unnatural. I finally procured Doan's Kidney Pills at Haynes & Taylor's drug store and am glad to say that they gave me great relief. I have no hesitation in recommending Doan's Kidney Pills to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other. N2-9-16.

## Dashed To Death.

Paris, Ky., Nov. 12.—While crossing the Louisville & Nashville railroad at Huston's crossing, in Bourbon county, this afternoon, Miss Hughes, her sister, Mrs. Barton Harp, and Mrs. Harp's two children, Ruth and William, aged three years five years, respectively, were struck by a fast train and instantly killed.

The buggy was torn from the horse, which was uninjured. The entire family of Barton Harp, of Lexington, was wiped out, except himself. There were no eye witnesses.

"I do not believe there is any other medicine so good for whooping cough as Chamberlain's Cough Remedy," writes Mrs. Francis Turpin, Junction City, Ore. This remedy is also unsurpassed for colds and croup. For sale by all dealers. n

## "Death Spot" to be Wiped off Earth.

Birmingham, Ala., Nov. 14.—The United States marshal and sheriff's offices will combine to raid an illicit still near Lewisburg four miles north of here, where six white men and eleven negroes have met death in the past eighteen months. It developed today that the still is the real source of all trouble and that there is a standing challenge that none can approach nearer it than a certain point.

## SUNDAY SCHOOL NOTES.

By J. B. MCNEELEY.

Nov. 19, 1911.

Ezra's Journey:—Time, 457, B. C., place, river of Shava, and Babylon, Motto Text.—The hand of God is upon all them for good that seek Him. Ezra 8:22.

Opposite:—But his power and His wrath is against all them that forsake Him. Preparation For The Journey. Ezra had spoken unto the King concerning the power of God. So he proclaimed a fast and sought God for help. Therefore he was ashamed to ask for a guard. They fasted and prayed and God heard their prayers. God always hears the faithful and prevent prayer of his people.

What did Ezra do then? He selected twelve of the chief priests.

Their commission:—He said unto them, "ye are holy unto the Lord. The vessels are holy also and the silver and gold is a free-will offering" and charged them to be careful and faithful.

They put their trust in God and He delivered them from the hands of the enemy and of such as lay in wait by the way, and watched by cut-laws and robbers. This was about four months' journey.

### Its Application.

We are making a journey.

1. It is personal, each one has his work. There should be no idlers.

2. As a church we should be a unit "in every good word and work."

3. It is a journey of labor. God has a work for each one to do, and He has commissioned us to do that work.

4. It is a journey of self denial. We must deny ourselves many pleasures for the benefit of others.

5. It is a journey of pleasure. It is a great consolation to know that we are serving the Lord. Then it should be a journey of unselfishness. No envy, malice or hatred in our hearts.

The invitation:—We invite others to go with us, by our influence, the gospel and personal appeal.

## CAUSE FOR ALARM

Loss of Appetite or Distress After Eating a Symptom That Should not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, healthiest and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in Marion who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms. We urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be refunded to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two large sizes, which sell for 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store.—HAYNES & TAYLOR, Marion, Ky.

### NEW SALEM.

Miss Cora Wheeler and little daughter of Haywood Hicks, are sick, but the rest of our sick are improving.

Winter is here at last.

The farmers have commenced to strip their tobacco.

Eliza Hicks, of Pinkneyville, is visiting her son, Haywood Hicks, and family.

We failed to mention in our last week's letter the arrival of a daughter at the home of Frank James.

J. D. Hall, of Livingston county, has moved on the farm of Lan Waddell for the year 1912.

The remains of James Kirk, who died near the Hurricane camp ground, were laid to rest at Tyner's Chapel, Nov. 11th. Mr. Kirk was formerly a resident of this section and had many friends in this neighborhood. A large concourse of relatives and friends attended the funeral. Rev. J. W. Penn conducted the funeral services.

Mrs. W. C. Tyner arrived home last week from a visit to her children in Arkansas.

James King and daughter, of Mexico were the guests of Andrew Wheeler and family last week.

Some people we are acquainted with, is still fearful of snake bites.

Saturday was a fearful stormy day in this section, considerable damage being done to fencing and timber.

### OUR PRIDE.

There is a man of monstrous bulk, Must weigh nine hundred pounds; He wears a number eleven hat, His glossy dome to crown.

His shoes are made of ten cowhides Joined with a peck of tacks; They exist expressly for trodding down The Republican party in their tracks.

It takes the mills a brimming week To weave his broad-cloth coats; No wonder he wants low tariff On wool from foreign goats.

He loves the town where he was reared He likes their baseball games; He's a whole soul American Democrat His name is Ollie M. James.

His voice is like the roaring sea, And as musical as David's lyre; He swept the state both far and near With his political fire.

And so he won the people's hearts, And for Congress again he's bound, He'll run things there to the joy of us all

#### MATTOON

Marie, the little daughter of Dexter Daniels, was buried at Mt. Zion Friday. She died of typhoid fever after several weeks' illness. Bro. Wheeler preached a very touching and comforting sermon, from the words "The mother kept all these sayings and pondered them in her heart," Luke 3:51. Little Marie was eleven years of age and leaves a heart-broken mother, father and sister to mourn her death, but we feel that their loss means eternal gain and happiness to her for we think she is numbered with the lambs whom the Master said He would gather and carry in His bosom. Many friends were present at the funeral and the sad faces and weeping eyes, told more impressively than words could have done, the sorrow and sympathy they felt.

Mrs. Ida M. Roberts and son, Lewin, have returned from a ten days' visit to her son, John E. Roberts, at Providence.

Frank Burton has just completed covering his house.

Prayer meeting every Wednesday night at Repton church. Everybody welcome. Come out and let's have an interesting and a profitable time in the service of the Lord.

Our neighborhood received quite a shock on account of the death of Pierce McChesney. Since he located among us, eight years ago, he has rendered himself helpful as a leader in singing at the different places of worship in this neighborhood. We hope this was not a cruel accident but the hand of God, who has removed him from our midst to mingle his notes of melody with the choir above. Peace to his memory.

Rev. J. K. Wheeler has just closed a series of meetings at Mt. Zion. Those who attended reported a good meeting.

Miss Lottie Davis, of near Blackburn church, is spending a few weeks with Mrs. Nation, of Repton.

Mrs. Julia Deboe Sheeks, of Arkansas, is the guest her sister, Mrs. Perry.

Chester Fisher and Miss Hattie Shuttlesworth attended the funeral of little Marie Daniel at Mt. Zion Friday.

Little Bryan Fowler, who had a spell of fever several weeks ago, is still unable to walk, and his friends fear that his affliction is infantile paralysis.

Several from here attended the funeral and burial of uncle Billie Hill at Mt. Zion Thursday.

P. H. Deboe has moved to the house and lot he purchased recently from M. P. Deboe.

Dr. T. A. Frazer went to Evansville Thursday to attend the Southwestern Medical Association.

M. P. Deboe has moved to the Chittenden place and will remain there until he gets possession of his farm near Levas.

Rev. A. J. Thompson, of Kutawa, who for nearly thirty years has preached to the Chapel Hill congregation with but few intermissions, was compelled on account of sickness to miss his last appointment there, much to the regret of his many friends. He has now, so far, recovered as to be able to fill his pulpit there next Sunday.

G. W. Lawson has moved to the Gene Love residence on west Gum street recently vacated by L. E. Guess.

Mrs. E. H. Holtzclaw returned Thursday from Louisville, where she went to attend the wedding of her son, Melrose Vernon.

H. F. Hammack, of the Belknap Hardware Co., of Louisville, was here Thursday.

H. D. Wolford, of Salem, who moved here recently, will take Mrs. John Hurley's residence Jan. 1st, when Mrs. Hurley will

go to Illinois to spend some time with her sons.

L. E. Guess, the county clerk, has rented the Thos. Herrin house on west Depot street.

### FREE IF IT FAILS

Your Money Back if You are not Satisfied with the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate, and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Sold in Marion only at our store—The Rexall Store.—HAYNES & TAYLOR, Marion, Ky.

### Paper Bags to Cook Fowl.

French cooks have a way of making a year-old fowl as tender as one half the age by wrapping it in brown paper when it is put in the oven and letting it cook in this envelope until it is nearly done. The paper retains the juices and lets the fowl cook slowly and evenly and grow tender before the fowl is browned. At the last the paper is removed enough to bring the surface of the bird to the desired color. In the same way young mutton can be brought to lamb-like tenderness and roast veal may be cooked thoroughly without the risk of the hard outer crust, which sometimes spoils this meat when roasted.—National Magazine.

## YOUR DRUGGIST STOPS THAT ITCH

If you are suffering from Eczema, Psoriasis or any other kind of skin trouble, drop into our store for instant relief. We will guarantee you to stop that itch in two seconds. A 25c trial bottle will prove it. We have sold other remedies for skin troubles, but none that we could recommend more highly than the well known compound of Oil of Wintergreen, Thymol and a few other ingredients that have wrought such wonderful cures all over the country. This compound, known as D. D. Prescription, will cool and heal the itchy, burning skin as nothing else can. Get a regular bottle and see—on our no-pay offer.

### Open Letter to Manager Hodge.

To Edwin Hodge, Esq.,  
Manager for the Imperial Tobacco company, of Kentucky.

Dear Sir:—This open letter from the Stemming District Tobacco Association is addressed to you as the General Manager of the Imperial Tobacco company of Kentucky.

That you may the more easily give to this letter a sound interpretation we the authorized spokesmen for the Association, deem it best in the beginning of this letter to enumerate certain particular facts within the knowledge of tobacco growers and to all tobacco buyers, and,

1st, it is a matter of common knowledge that the American tobacco company has been adjudged an outlaw; has been adjudged in conspiracy and illegal combination in restraint of trade.

2nd. Known as well to all it is that the Imperial tobacco company has employed similar methods as the American company; has been in conspiracy and illegal combination in restraint of trade—in close combine with the American tobacco company, for say, a period of ten years. During that ten years the tobacco growers of Kentucky have been mercilessly exploited and have suffered enormous losses by the machinations of the combines.

3rd. The American tobacco company co-conspirator of the Imperial tobacco company, is an American corporation, owned, controlled and directed by Americans and capitalized by American dollars.

4th. The Imperial tobacco company is manned, owned and controlled by aliens and foreigners, men who owe their allegiance to the British government; and the Imperial company is capitalized with millions of British dollars.

So much, in brief manner, of undisputed facts.

You, Mr. Hodge, Imperial manager of Kentucky, take, and have taken for ten years, your orders from the aliens and foreigners who control the Imperial tobacco company.

You, after an absence of some weeks, have just returned from the dread presence of your alien employers, and you therefore, we feel assured, are thoroughly familiar with the plans and policies of the Imperial company to be carried into effect in the immediate future here in the state of Kentucky.

Needless to point out to you how vitally concerned are the tobacco growers of Kentucky, and more especially the thousands of growers who dwell in the five counties of the Stemming District to learn their dole or doom.

Needless to point out to you the Association's clear and perfect right to interrogate you upon the subject of Imperial policies, in the confident expectation of a speedy and candid answer. For in justification of the right asserted, and the expectation indulged, it is only necessary to cite you to the fact that,

Your co-conspirator, the American tobacco company, has been declared an outlaw—ready for the slowly heating branding iron to be applied red-hot by the Supreme court of the American nation.

That American company outlaw has been haled before the courts, and is now daily bidden by the court of justice to declare its plans and policies.

Shall an alien outlaw, a foreigner owing allegiance to the British government, demand the immunity afforded by reticence and

DR. BELL'S ANTI-PAIN  
For Internal and External Pains.

silence, after the American outlaw has been haled before grand juries and courts and compelled to break silence, and made to answer for its misdeeds, and to declare its plans and policies.

The Stemming District Tobacco Association was called into existence, and that existence prolonged by the artificial conditions produced by the conspiracy and illegal combination of the American-Imperial-Regie tobacco trust. The Stemming Association is a body of co-operating farmers formed for self-protection against the aggressive and devastating conspiracies of triple pillared tobacco trust. The Stemming District territory was, it is plain after all these years, set apart by the combination as counties for the special governance and exploitation of the Imperial tobacco company.

Hence the special pertinency and relevancy of this letter from the Stemming Association to the manager of the Imperial tobacco company. And the questions to follow we assure you, Manager Hodge, are a studied, not a present, thought, framed to embody the enquiries agitating the minds of ten thousand tobacco growers in the five tobacco counties embraced by the Stemming District.

Now therefore, whereas the American tobacco company has been adjudged by the Supreme court of the United States an illegal combination and has been prohibited from continuing or carrying into further effect that combination and conspiracy.

Question 1.—Is it the plan and purpose of the Imperial tobacco company to submit to the mandate of the Supreme court of the United States and to observe the letter and spirit of that decision?

Question 2.—Is it the purpose and plan of the Imperial Tobacco Company, an alien corporation, to spurn and defy the mandate of the Supreme Court of the United States, and continue the same combination and conspiracy, or form a like combination and conspiracy for the monopoly of tobacco commerce? or—

Question 3.—Is it the plan and policy of the Imperial Company for the future to submit itself to the law of the land, wherein it is sheltered and protected and by engaging in honest competitive tobacco commerce to put an end to that era of commercial anarchy existing in Kentucky by reason of the artificial conditions brought about by the unlawful conspiracies of the Imperial Company?

Three brief questions, the answers to which will embody momentous consequences.

For once remove the unjust and artificial conditions existing by reason of the conspiracies of the Tobacco Trust, restore honest competition, and the reason for the existence of the Stemming Association, a lawful combination for the protection of farmers, vanishes as darkness vanishes before the rising sun.

Prove, only prove. Manager Hodge, by declaration and demonstration, that the Imperial Tobacco Company will return to honest competitive methods in Kentucky, and we hereby assure you the members of the Stemming District Tobacco Association will be only to glad to return to individual loose sales from the wagons.

Very respectfully,

I. N. Baker,

Chairman District Board  
George L. Campbell,  
Committee for Henderson Co.  
C. D. Oglesby.

Committeeman for Union Co.

deepest consideration.

The authors of the letters, impelled by a sense of official duty, clearly and lucidly state in a most courteous manner certain doubts and difficulties weighing on the minds of members, and appeal to Manager Hodge to remove, as only he can, the distressing doubts and uncertainties now plaguing the members.

# A Helpless Invalid

Restored to Health by Lydia E. Pinkham's Vegetable Compound

A woman who is sick and suffering, and won't at least try a medicine which has the record of Lydia E. Pinkham's Vegetable Compound, is, it would almost seem, to blame for her own wretchedness. Read what this woman says:

Richmond, Mo. — "When my second daughter was eighteen months old I was pronounced a hopeless invalid by specialists. I had a consultation of doctors and they said I had a severe case of ulceration. I was in bed for ten weeks, had sinking spells, and was pronounced to be in a dangerous condition. My father insisted that we try Lydia E. Pinkham's Vegetable Compound, and brought me six bottles. I soon began to improve, and before it had all been taken I was as well and strong as ever. — my friends hardly recognized me so great was the change." — Mrs. Woodson Branstetter, Richmond, Mo.

There are literally hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering.

Read what another woman says:—

Jonesboro, Texas. — "I have used Lydia E. Pinkham's Vegetable Compound for myself and daughter, and consider it unequalled for all female diseases. I would not be without it for anything. I wish every mother in America could be persuaded to use it as there would be less suffering among our sex then. I am always glad to speak a word of praise for Lydia E. Pinkham's Vegetable Compound, and you are at liberty to use this testimonial." — Mrs. James T. Lawrence, Jonesboro, Texas.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound had the virtue to help these women it will help any other woman who is suffering from the same trouble?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice — it is free and always helpful.

## 600 TEACHERS

Are Expected to be at Meeting of First District Educational Association Dec. 1 and 2

The First District Educational Association which meets at Marion Dec. 1 and 2 is the largest body of teachers in Kentucky. The State Teachers' Association is not equal to it in attendance. It is a signal honor for Marion to have this meeting here, especially so, since so many towns in the First Congressional District fought to secure the meeting.

The Secretary of the Association thinks there will be at least six hundred teachers present this year. There will be a special train run from Cairo, Ill., via Wickliffe, Fulton, Paducah and Princeton and the rate is made so low that it is cheaper to come than to stay at home. Hence every school teacher in the district who has drawn a month's salary and can get to the railroad will be here. All roads lead to Marion for this occasion.

This is not a charity organization; the teachers expect to pay for their entertainment, and what is more they insist on doing so. They do not feel free from restraint when entertained gratis. The Association has a fixed rate they pay everywhere. Since most people want to take them without charge, a compromise price of one dollar a day has been agreed upon. This pays for the extra touches of chicken and other dainties and keeps the teachers from feeling that they are objects of charity.

The benefits of a meeting of this kind can hardly be measured. The majority of our citizenship is of that staid and sturdy class which does not wander far from home. For this reason we have not realized what a gigantic system our public schools are. And there is a surprise in store for us. Some will be amazed that there are so many teachers in Kentucky as will be here Dec. 1 and 2. This is a rare opportunity to observe at first hand the force that is slowly but surely pushing Kentucky upward from its rank of thirty-ninth in the list of literary of the states of the Union.

A meeting of this kind, bringing as it does, the best element in the profession, cannot but leave an influence for good in aroused ambition and renewed enthusiasm. As the Association has honored Marion by coming here, Marion owes a duty to the Association in cordiality, hospitality and encouragement of the profession. There is a likelihood that 600 teachers will have to be provided with homes. Are we going to allow this body to go away from here saying that Marion was too small to accommodate the Association? True Southern hospitality is not all dead yet, and I know the good people of Marion are going to do themselves credit in the way they take care of the crowd.

This is not a personal favor to anybody, but rather to the great cause of education in our own section of the state. When the teachers of the Marion City Schools call at your homes to know how many you can take, don't take any "just to help you teachers." Our teachers don't need any "helping out." It means not a thing to any one of us in a personal way. But it does mean much to the community as a whole, and the influence

of these meetings means better advantages for your own children and a more intelligent citizenship for all Kentucky.

Special appeal:

1. To the children—Mention it every day from now till Thanksgiving.

2. To the mothers—Plan to give these visiting teachers a royal welcome in your homes.

3. To the fathers—Meet that special train with a buggy, wagon or automobile and bring the teachers into town. Show them you are glad to see them.

To the merchants—Mention the F. D. E. A. in every advertisement you publish from now till Dec. 1. Decorate your windows in Association colors, navy blue and white.

5. To the doctors—To ever prescription add a liberal dose of F. D. E. A. enthusiasm. It will make the pills more easy to take.

6. To the ministers—Announce the meeting at every service. We are co-laborers, working toward the same end—the glorification of God and the uplifting of humanity.

7. To the Board of Education—Please, Oh PLEASE don't let those 600 teachers see our school building in its present condition.

8. To the local papers—"Spread the tidings all around," and mention it in each issue locally and editorially.

9. To all—Let us work, work, work, that the meeting may be a success. Let us do our part so well that every teacher may say on returning home, "I am so glad I went to Marion."

Yours for better things educationally in old Crittenden.

JAS. U. SNYDER.

Supt. Marion City Schools.

## A TEXAS WONDER

The Texas Wonder cures kidney and bladder troubles, removing gravel, cures diabetes, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women. Regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment, and seldom fails to perfect a cure. ## A Monster Potato.

Thomas Payne, a colored man, who resides on South Green street, brought a queer Irish potato to this office yesterday. The potato, or rather potatoes, for it is a cluster of thirteen tubers, was raised in Payne's garden. There are thirteen potatoes, 12 of which are clustered around one, and the whole thing weighs about three pounds.—Henderson Gleaner.

There is little danger from a cold or from an attack of the grip except when followed by pneumonia, and this never happens when Chamberlain's Cough Remedy is used. This remedy has won its great reputation and extensive sale by its remarkable cures of colds and grip and can be relied upon with implicit confidence. For sale by all dealers.

## Negro's Wagon Smashed.

A negro boy named Vernon Vaughan, driving a wagon belonging to Henry Henderson,

col., drove on the L. & N. track at Second street Saturday morning in front of the approaching Dixie Flyer passenger train and a bad accident occurred. One mule was killed outright and the other was so badly crippled that it had to be killed.

Vaughan's right leg was so badly crushed that it had to be amputated above the knee. He was taken to the home of his uncle, George Vaughan on Third street, where the operation was performed.

Vaughan, lives with Henderson, whose home is on the Greenville road a few miles from town. He was warned not to drive across the track by several persons who saw the train coming but paid no heed to the warnings. The wagon was badly wrecked, but the train was not thrown from the track. The crossing is somewhat above the street level and Vaughan's foolish act endangered the lives of a train full of passengers. The boy is about 18 years old.

## New Span Done.

The new draw span in the Illinois Central bridge over Cumberland river was placed in service yesterday afternoon, completing the reconstruction of the bridge, which was begun several years ago. The bridge is now one of the most modern and substantial in the country.

The bridge has been overhauled and reconstructed entirely and without the cessation of traffic but for only a few hours at a time. Concrete piers have been substituted for the former piers.

The old draw span of the bridge was removed several months ago and the trains crossed on temporary girders. The new draw span was constructed while in a position parallel to the course of the river. Yesterday afternoon after north-bound fast passenger train No. 102 passed, the temporary girders were removed and the new bridge span was swung into position. About 3 o'clock south-bound passenger train No. 121 was the first train to pass over the new span.

The new span is 478 feet long while the old span was only 200 feet long. It is turned by elec-

THE RANGE WITH A REPUTATION  
MADE IN ALL SIZES AND STYLES.

## Reasons why the Great Majestic You Should Buy.

- 1st. It has the reputation of being the best range money can buy.
  - 2nd. It not only has the reputation but IS the best range made, and we will prove this to you if you will let us.
  - 3d. It is constructed of malleable iron, material you can't beat, and of Charcoal iron, material that resists rust 300 per cent greater than steel, is riveted together air tight. No heat escapes or cold air enters the range, thus uses very little fuel to do perfect work.
  - 4th. The reservoir alone is worth the price of range over any other reservoir made. It boils 15 gallons of water; is heated like a tea kettle, with pocket against left hand lining, and is movable and sets on a frame, hence cannot wear out. When water gets too hot it can be moved away from fire.
- Majestic ranges use less fuel; heat more water—and heat it hotter; cost practically nothing for repairs; lasts three times as long; bakes better; easier to keep clean and gives better satisfaction than any other range on the market. If you know positively that the above statements are true, wouldn't you buy a Majestic at once?

## TOLU

Corn shucking is in full blast and the farmers are making a great fuss about hands. Many having to shuck their corn with two hands.

The blizzard came unexpected and caught nearly everybody's wood-pile away from home.

Rev. J. W. Elington preached at Pleasant Hill Saturday night. There is prayer meeting at Pleasant Hill every Saturday night, and preaching every second Saturday night and Sunday.

Revs. J. W. Elington and M. B. Batman held a protracted meeting at Pleasant Hill this fall and the fruits of their two week's labor was a grand revival and fifty-nine conversions.

The death angel visited our community last week and called away two of our citizens and old landmarks, namely James Kirk and Carpenter Stone.

They were both prominent old gentlemen and will be badly missed in our vicinity.

Dr. S. S. Dalton, of Hampton, has located here and is practicing in a veterinary hospital, and is doing a good business. We are glad he has located at this place, for we were badly in need of a good veterinary, and we know from past experience that he is such.

Dark shadows were fast gathering over our section and it seemed that it was to be numbered with the many communities, forgetting God and going down to long night and keen despair, preaching was very rare and prayer meeting was a thing of the past. The country was given over to all the vanities of modern times, but thanks be to God for sending his good servant, Rev. J. W. Elington, with Rev. A. Johnson, assistant, in the Milford community, who, after building a brush arbor, began a series of meetings and was given many precious souls and added many stars to their crowns for their hire. Rev. Elington organized a General Baptist church at Barnett school house with sixteen members, and within about four months the church had grown in membership to the number of about sixty-five. Well done thou good and faithful servant. At that place Rev. Elington began a protracted meeting in the later part of September and was joined latter by Rev. M. B. Batman. They had one of the greatest revivals ever known in our land and country. Many were revived and fifty-nine souls were saved. There had once been a thriving church there, but it had gone down, the members had dispersed, the interest had died away, the windows were broken out, the doors had tumbled down and the squirrels and bats had made it their fort; but now, there is a good prayer meeting organized there and the people meet there every Saturday night and give thanks to God. Satan's kingdom has been overthrown and Christ's kingdom reared instead and all is peace, harmony and love, and the earnest prayer of the writer is that it may go on until every house may become a house of prayer and each soul a fit vessel for the beautiful white city in Heaven. The writer had forgotten to mention the name of Bro. Wilson, the Methodist preacher of Tolu, in connection with the Pleasant Hill re-

vival, thanks to Bro. Wilson and to God for the excellent sermons preached for it was news straight from God and a crucified Savior, and Bro. Wilson will long be remembered by we people and also Bros. Elington and Batman. May God bless them and their work and be with them in all of their undertakings is the fervent prayer for Christ.

## Beautiful Eyes

are desired by every one. If there is any inflammation the eyes can't be beautiful. Sutherland's Eagle Eye Salve will remove the inflammation and clear the eyes.

## CALDWELL SPRINGS

The Democrats are still shouting over the recent victory for Democracy in the good old state of Kentucky.

Mrs. Jordan Thurman, who went to Evansville last week for the purpose of undergoing an operation, has returned home in a very bad condition. She has dropsy in its worst form.

We need a lot of new hats in Dycusburg precinct. All of our old ones were worn out while we were shouting and working for Pogue and McCreary.

Pate Hamby had a very severe stroke of paralysis, Tuesday.
