Society in Evansville.

Mr. and Mrs. Ken Hammond entertained at a 6 o'clock dinner Sunday evening at their home, 112 Fountain Avenue in honor of the golden wedding anniversary of Mrs. Hammond's parents, Mr. and Mrs. Geo. Zeller. The dining room was decorated in gold and white with golden streamers with clusters of yellow narsissus, set off by a background of ferns, as the attractive decorative features. The wedding cake was the center feature of the table decoration, with yellow candles carrying out the gold idea. Following the dinner, games and contests were enjoyed with prizes awarded to Henry Paul, sr., Robt Sparker, and Miss Robinson. Among the out of town guests present for the affair, were Mrs. Gertrude Dawson of Denver, Mr. and Mrs. George Zeller of Great Falls Mont, and Mrs. Essie Robinson of Alabama.

Those present were: Mr. and Mrs. Henry Paul, sr., Mr. and Mrs. Felwock, Mr. and Mrs. Adam Miller, Mr. and Mrs. John Stark, Mr. and Mrs. Robt. Spraker, Mr. and Mrs. Claude Sanders, Mrs. D. Newman, Mrs. Roberts, Miss Helena Felwock, Arthur Felwock, Master Oscar Felwock, Miss Esther, Felwock, Miss Ellen Starker, Miss Lucile Straker and Arthur Sanders. — Evansville Journal News.

BEAUTIFUL HAYWARD MEDAL

Miss Henrie Easley Carries Off
The Honor in The
Contest.

The auditorium of the school building was comfortably filled at 8:15 on the eveing of the 12th with an expectant and appreciative audience in attendance on the contest of the young ladies of the high school for the Hayward medal which is presented annually. The contestants for the medal were Misses Mayme Haynes, Mary Gilbert, Freda Lemon, Lillian Clifton, Naoma Asher, Henrie Easley.

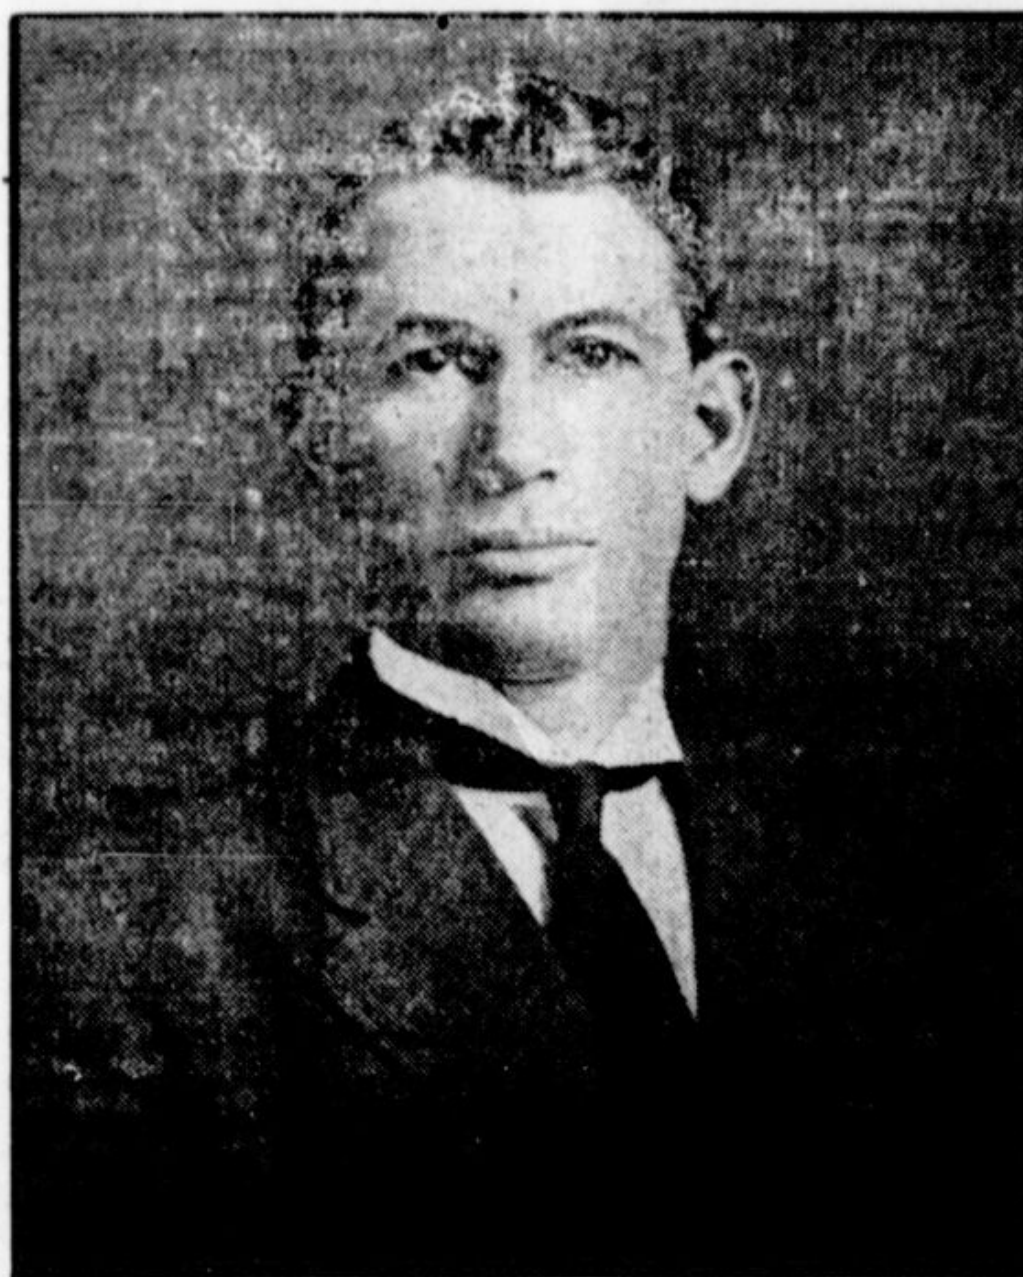

The selections were well made and the young ladies gave evidence of talent and skillful training. The decision of the judges awarded the medal to Miss Easley, after some deliberation and Rev. Escott presented the medal which was graciously accepted.

When Miss Easley first arose it was evident that, although the other young ladies had acquitted themselves with credit, in her impersonation of the characters "On the Wrong Train," she was making a remarkably "happy hit" and there was general approval of the decision, even the fair contestants joining in the applause. Miss Ruth Flanary presided with easy grace and altogether, with the music from the orchestra and the beautiful flowers, it was one of the pleasant events that are annually connected with the Marion school.

The judges were Messrs Geo. M. Crider and J. R. White, and Rev. H. V. Escott.

Judge Allen W. Barkly of Paducah.

Aspires to Ollie M. James' Seat.

In this issue of the Crittenden Record Press we publish a good likeness of Judge Allen W. Barkly of McCracken Co., who announces in this issue for the Democratic nomination for Congress in this district to succeed Ollie M. James.

Although there are rumors of other candidates Judge Barkley is the only one so far to announce

his candidacy here. He announces in the Paducah News Democrat several weeks ago and of him his home paper said:

"While Judge Barkley has been recognized as a logical candidate for several months, his announcement today places him in the limelight of publicity, and from now on he will be actively en-

BURRIS RECEIVED AT EDDYVILLE

Feared a Mob and Was Hastened
to Prison at His Own
Request.

Eddyville, Ky., Feb. 10. — Phil Burris, convicted of murdering his employer, and a negro cook by placing strychnine in their beer, was received today at the branch prison here. He was placed in a cell and began serving a life sentence. Monday he will be placed in one of the factories.

Burris was persistent in denying his guilt to sheriff Royster, a kinsman of the man and said he had been rail roaded to the pen.

The first white man to go in the electric chair will be B. L. Merritt, from Middlesboro, convicted of an unusual cold blooded murder. Merritt claims the court of appeals will grant him a new trial, but those conversant with the facts in the case assert that such is doubtful. If the court of appeals and Gov. McCreary refuse to intervene in the behalf he will be killed in the death house on the morning of March 29. He still asserts his innocence.

Interesting Revival.

The services at the Cumberland Presbyterian Church has been characterized by a crowded house and a fine interest. Costello's quartette has given great pleasure to those who attend. At several services admittance for those who arrived late found admittance impossible.

Death of Thomas Clifton.

Died, Thos. Clifton the four year old son of Mrs. Pearl Clifton formerly of this city, but now of Paducah, at his mother's home, Friday, Feb. 9, 1912, of dropsy, after an illness of ten weeks.

The remains accompanied by Mrs. Clifton and her brother and sister, Mr. Chas. and Miss Lilly Cook, reached Marion on the 4 o'clock train Saturday afternoon and the funeral services were conducted by Rev. J. B. Adams of the Methodist Church South, at the home of Mrs. Margaret Clifton on North Main St. at 2 o'clock p. m. Sunday, in the presence of a large concourse of friends of the family. The funeral offerings for the occasion both from this city and from Paducah, have perhaps never been surpassed in this place, both in beauty of design and costliness. Immediately after the funeral the interment took place at the New Marion Cemetery.

Mrs. Clifton and little son, Joe will remain in Marion several days with relatives and friends, while her brother and sister and oldest son, Robt, returned to Paducah Monday.

Again has been observed the obsequies of a little child whose mission is filled and whose earthly existence and death was only another bond between the bereaved and Heaven.

Relieves Backache Instantly

Sloan's Liniment is a great remedy for backache. It penetrates and relieves the pain instantly—no rubbing necessary—just lay it on lightly.

Here's Proof.

"I had my back hurt in the Boer War and in San Francisco two years ago I was hit by a street car in the same place. I tried all kinds of dope without success. Two weeks ago I saw your liniment in a drug store and got a bottle to try. The first application caused instant relief, and now except for a little stiffness, I am almost well."

SLOAN'S LINIMENT

is the best remedy for rheumatism, neuralgia, sore throat and sprains.

Miss E. Rim of Brooklyn, N.Y., writes: "Sloan's Liniment is the best for rheumatism. I have used six bottles of it and it is grand."

Sold by all Dealers. Price, 25c., 50c., and \$1.00.

Sorrow of the Microbes.

"The germ theory, thanks to the study of hygiene in the schools, is familiar even to our children," said Dr. Charles T. Atkins, president of Susquehanna university, in an address at Selinsgrove.

"Two little Selinsgrove urchins played in their mother's kitchen the other day while the cook boiled some water. Hearing the sound of the boiling, they drew near the gas range.

"What is in that pot?" asked the first urchin.

"Water," said the second. "Just water."

"What is the sound I hear, then, brother?"

"Sister, it is the microbes crying."—New York Tribune.

BROUGHT TO LIGHT

Marion People Receiving Full Benefit.

There have been many cases like the following in Marion. Everyone relates the experience of people we know. These plain, straightforward statements will do much toward relieving the suffering of thousands. Such testimony will be read with interest by many people.

Thomas L. Hillyard, Railroad St., Marion, Ky., says: "Doan's Kidney Pills came to my relief after I had suffered a great deal from kidney trouble and had spent much money for medicine without receiving benefit. Two years ago I was taken with an attack of typhoid fever and upon recovering found that my kidneys were badly disordered. The pains in my back were so severe that frequently I had to leave my work and lie down for several hours. There was a constant desire to pass the kidney secretions and I was obliged to arise several times during the night. The kidney secretions were also highly colored and the passages were attended with pain. I became dizzy and dark spots floated before my eyes. A relative, hearing about my condition, advised me to give Doan's Kidney Pills a trial and I procured a supply at Haynes & Taylor's Drug Store. They cured me in less than two months. For over two years I have had no return attack of my old complaint and am bound to look upon my cure as a permanent one."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other. F1-8-15

RAVAGED BY A WILD GOAT

Animal in Oregon Pursued by Hunter Who Wants Both Meat and Rest.

Medford, Oregon, Feb. 14.—A strange and wily goat is ravaging the countryside near the county line, and Medford authorities are uncertain if the animal is in their jurisdiction or that of Josephine county. John Burley, a countryman of Pleasant Creek, has notified the city officials of the depredations of the goat and has asked assistance.

Burley, it seems, has tried to bring the goat down with his rifle, but could not get within range. Meanwhile the bearded ruminant is eating all the cabbages left in the ground and does not hesitate to carry away Burley's weekly paper as a morning relish. Burley drew the line when the goat ate his fishing tackle, and he wants Constable Singler to run the beast to earth with his pack of imported bloodhounds.

It is believed that this is the same goat that troubled the residents of Grant's Pass last September and scared several women in the streets.—New York Herald.

When BALLARD'S SNOW LINIMENT is rubbed in rheumatic aches and pains, it reaches the spot quickly and the relief is very gratifying. Price 25c., 50c. and \$1.00 per bottle. Sold by Jas. H. Orme.

Folding Bed Holds Oakland City Man.

Horrible Accident in Mt. Carmel.

A horrible and perhaps fatal accident occurred at the home of Dr. and Mrs. S. W. Schneek this afternoon. A young woman, employed there as a servant, was engaged in cleaning a stove with gasoline. Evidently there was some fire in the stove, and the gasoline caught, exploding the can and flinging the fluid over almost her entire body. The shrieks of the girl attracted the attention of Miles Dyer, driver for the Russell grocery store, who chanced to be near, and grabbing a horse blanket from the wagon he ran to her assistance, wrapping it about her and rolling her in the snow, as she had run out into the yard. But for his prompt assistance the girl would have been burned to cinder, and it is feared she is fatally injured anyway, as the flesh is said to be dropping from her arms. For a time it was feared the house would be burned also.—Mt. Carmel Republican.

Quadruplets in Tipton.

Covington, Tenn., Feb. 12.—Four boys were born Tuesday night to Mrs. Agnes Bond, wife of Hance Bond, who lives on Esquire George D. Green's farm in the Thirteenth district. Late reports are that the mother and children are doing well.

Mr. and Mrs. Bond have been married ten years and the advent of the quadruplets runs their family total to thirteen children.

"TEN REASONS"

Why You Should Patronize The FARMERS BANK of Marion.

1st. The officers and Stockholders of this bank, were all born, reared, and now reside in this county. **No other Bank in the county is so owned and officered.**

2nd. The earnings of this bank are distributed among men who help to maintain your schools and other public institutions.

3rd. The net profits, earned from your patronage, to this Bank is not sent to Stockholders who live outside this State, or in other Counties of this State; but it is paid to men who live in this County; and the money becomes available, at once, for the use of any man in the County who needs to borrow it.

4th. The Stockholders of this bank do **not** borrow the money of the depositor, to use in furthering their private interests.

5th. The officers of this bank, are men whose conservative and successful conduct of their own affairs, proves their ability to manage the bank's affairs.

6th. The officers of this bank are bonded against dishonesty, and its vault, **(the ONLY steel vault in Crittenden County)** is insured against burglary.

7th. Alike all State Banks in Kentucky, this bank is examined by an official from the office of the Secretary of State, but we make no boast that we have been found honest. It is the **Duty** of officials of a bank to see that the affairs of the bank are honestly conducted. We claim no special distinction for having performed our duty.

8th. This bank is **not a United States Depository**. No money is sent from Washington to be deposited in State Banks in Kentucky. Under the Postal Savings Bank law, the Postmaster is permitted to re-deposit in local banks, such **small sums** as have been deposited in the Post office. **Provided;** a bank can be found willing to comply with the requirements of the Government; which are, in substance, that the local bank must first deposit with the Government say, **One Hundred Dollars**, then the Postmaster is permitted to deposit with that bank **seventy-five to ninety dollars**, provided the bank pays the Government **2 1/4 percent per annum interest**. This Bank pays home depositors **Two percent** on time certificates of Deposits. We do not believe the advertisement of having "**United States Depository**" appended to our sign, would be of enough value to justify the paying of a higher rate of interest to the Government than we pay to home people.

9th. Since the organization of this bank, there has not been projected in this County a single enterprise which was thought for the good of the County, which we have not assisted.

10th. This bank offers you the security of careful, honest and conservative management, added to ample capital for all its needs, and abundant credit for extraordinary needs, combined with liberal terms and courteous treatment, as all who patronize us will testify.

There is no other Bank in Crittenden County that can offer the above reasons for your Patronage.

We solicit your business.

WHY HESITATE?

An Offer That Involves no Money Risk if You Accept It.

We are so positive our remedy will completely relieve constipation, no matter how chronic it may be, that we offer to furnish it free of all cost if it fails.

Constipation is commonly caused by weakness of the nerves and muscles of the large intestine. To expect a cure you must tone up and strengthen those organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our guarantee. They are eaten like candy, and are particularly good for children. They seem to act directly on the nerves and muscles of the bowels. They apparently have a neutral action on the other organs. They do not purge or cause other inconvenience. We will refund your money if they do not overcome chronic or habitual constipation and thus aid to relieve the myriads of associate or dependent chronic ailments. Try Rexall Orderlies at our risk. Three sizes, 10c., 25c., and 50c. Sold only at our store—The Rexall Store.

AMERICAN BAPTISTS THOUGHT

Window Unveiled in Westminster Abbey 224 Years After Death of Bunyan.

London, Feb. 12.—A memorial window for John Bunyan was unveiled in Westminster Abbey this afternoon, 224 years after his death. The window illustrates scenes from "Pilgrims' Progress." The dedication ceremony was attended by a large gathering of public men and many dignitaries of both the Church and the State.

The inception of the memorial was due to American Baptists,

who during the world's Baptist congress, held in London in 1905, commented strongly on the fact that nothing of the kind existed in Westminster Abbey. The British people were stirred to action and started a fund for the purpose of inserting a memorial window in the abbey, America and Great Britain contributing.

HAIR HEALTH

If You Have Scalp or Hair Trouble, Accept This Offer.

When we promise your money back for the mere asking if Rexall "93" Hair Tonic does not do as we claim it will, you certainly have no reason for even hesitating to try it. We do not ask you to obligate yourself in any way.

We could not afford to so strongly endorse Rexall "93" Hair Tonic and continue to sell it as we do, if it did not do all we claim. Should our enthusiasm carry us away, and Rexall "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements, and in consequence our business prestige would suffer.

Therefore, when we assure you that Rexall "93" Hair Tonic will promptly eradicate dandruff, stimulate hair growth and prevent premature baldness, you may rest assured we know what we are talking about.

We honestly believe that Rexall "93" Hair Tonic will do more than any other human agency toward restoring hair growth and hair health. It is not greasy and will not gum the scalp or hair or cause permanent stain. It is pleasant to use as pure cold water. It comes in two sizes, prices 50 cents and \$1.00. Remember, you can obtain it only at our store.—The Rexall Store, HAYNES & TAYLOR, Marion, Ky.

The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Nephew of Rev. Escott Honored

The Louisville Times of Fri-
day afternoon, Feb. 9th, con-
tains the following notes of Al-
lan S. Escott, a nephew of Rev.
Henry V. Escott of this city.

"Allan S. Escott fifteen-year
old son of Mr. and Mrs. Jas. Es-
cott, 2514, Longest avenue, was
elected unanimously yesterday
afternoon by the Boy Scouts of
more than twenty troops of this
city to be the special personal
aide to Gen. Mr. Robert S. S. Ba-
den-Powell, K. C. B., Feb. 22.
The election was held after an
examination held at the Scout
headquarters in the Norton build-
ing conducted by Scout Commis-
sioner, H. U. Montague and

Field Secretary R. C. McDowell.
Young Escott, who is a mem-
ber of Dr. H. K. Kellogg's High-
land troop, was the unanimous
selection of the boys and also of
the Scout leaders. He was elect-
ed by boys who themselves were
selected by their respective Scout
masters as the "best Scout" in
the particular troop. Dr. Kel-
logg's troop has been known as
one of the most active and effi-
cient and once before was given
signal honor when it was accord-
ed first place in the parade held
in honor of President Taft when
the president visited Louisville.
That honor was given because of
the efficiency of the troop in
drill and parade.

The duties of young Escott
will be varied. He will have per-
sonal supervision of Gen. Baden-
Powell's baggage, will point out
the principal buildings, the mon-
uments and other interesting ob-
jects in Louisville to him and
will see that the distinguished
visitor reaches his places of en-
gagement on time. He will be
permitted to spend a great deal
of the time with the General.

When Gen. Baden-Powell re-
turns to England he will carry
with him the impressions made
by about twenty boys who in all
of the cities visited in this coun-
try during his tour, where the
"best Scouts" that he met. The
honor to young Escott is a nota-
ble one for a Boy Scout.

It places him at the head of a-
bout 1,000 Scouts in Louisville
and among the first twenty in
the country.

Lewis Thomas of Mt. Vernon,
Ind., the aged father of James
Thomas of this city is dangerous-
ly ill at his home in Indiana.
Mr. James Thomas, his son left
for Mt. Vernon Tuesday after-
noon to be at his bedside.

The friends of Miss Mable
Wilson in this city and in Wes-
ton, where her father resides
were surprised at the intelli-
gence received Tuesday morning
that she was married in Prince-
ton, Feb. 12, at the home of
Mayor Aiken to Mr. E. W. Simp-
son of Welch, West Va., with
Rev. C. G. Prather, of the M. E.
Church officiating.

This is the happy consumma-
tion of an old love match. Miss
Wilson and Mr. Simpson previ-
ous to the time that Mr. Simpson
went away to take a business
course and afterward took a po-
sition with a West Va. coal com-
pany, were sincerely attached to
each other and their marriage is
regarded as especially felicitous.

Hill—Mountjoy.

This afternoon at Princeton,
Ky., Miss Ida Hill of this city
and Mr. George R. Mountjoy of
Columbus, Ky., will be united in
marriage by Rev. C. G. Prather
of the M. E. church, South. Im-
mediately after the ceremony
they will leave for the groom's
home in Hickman county, where
he has furnished his house ready
to receive his bride. The groom
is a wealthy planter, owning a
fine farm in that section of Ken-
tucky where to own a farm
means a fortune. He is to be
congratulated on winning the
heart and hand of one of Marion's
fairest daughters. Miss Hill was
born and reared here and until
recently lived here. A few years
ago she went to Clinton and re-

sided with her sister, Mrs. Joel
P. Deboe, and moved to Colum-
bus when Mr. Deboe went in
the banking business at that
point and she has been a valu-
able assistant to him in his busi-
ness affairs, first in the bank and
afterwards in his general store,
she came home to spend the holi-
days with her mother, Mrs.
Porter Hill and has been here
since then arranging the details
of her coming wedding. Today
at 11 o'clock accompanied by her
brother, Noble Hill, she will go
to Princeton where the bride-
groom and his brother as best
man will be awaiting her and
where the ceremony will take
place probably at the Methodist
parsonage. Her brother will re-
turn home from Princeton.

Friday's Clinton Gazette says:
Invitations have been issued
for the marriage of Mr. George
Rexford Mountjoy and Miss Ida
Hill, the wedding to take place
on next Thursday at Princeton,
Ky. Miss Hill has made her
home in Columbus for several
years with her sister, Mrs. Joel
Deboe, and has had many ad-
mirers. She is a very charming
young woman and we congratu-
late our young friend, Mr.
Mountjoy, on winning her heart
and hand.

Judge Barkley of Paducah.

Continued from First Page

gaged in furthering his interests.

This announcement will come
as a pleasing message to his
many friends in the First dis-
trict in every county of which he
is well known and the fact that
he is first to announce added to
his own popularity, form a com-
binations that will make him a
formidable candidate for the high

honor which is to be given to
some First district man. While
Judge Barkley is perhaps as well
known in the district as
any man in it, something of him
as a man, as well as an outline of
his public life, will be of unmis-
takable interest to the people of
the district before whom he places
his claim.

Allen W. Barkley was born in
Graves Co., Ky., Nov. 24, 1877,
in which county he remained un-
til he was 15 years of age when
they moved to Clinton, Ky.,
where young Barkley, already
giving evidence of an ambitious
nature, coupled with a studious-
ness most commendable, entered
Marvin college after preparation
in the common schools, from
which institution of learning he
graduated with high honors in
1897.

It is but fair to him in this in-
stance to speak of the Spartan-
like efforts put forth by the poor
but ambitious young man to
gain an education and render
himself prepared for the battle
of life, in which he was to play
an important part. Being with-
out funds to pay his way through
college, he accepted a position
demanding manual labor about
the school building in payment
for which he was given his tui-
tion.

Thus he spent four years of
his life mingling study with la-
bor, and finally by his own abili-
ty, finished, first, in his class.
After receiving his diploma, he
taught school for a year in the
college and in the following year
came to Paducah where he en-
tered the law office of Hon.
Chas. K. Wheeler and began the
study of law, later continuing
his studies under Hon. John K.
Hendrick. While a law student
he secured the position of official
court reporter and from the

funds thus gained he was able
to continue his studies.
He was admitted to the bar in
1901.

In 1905 he was honored by the
people of McCracken county by
being elected county attorney
serving the four years of his
term of his office in a manner
which strengthened the confidence
had in him by the people and
proving himself an official faith-
ful to every duty.

In 1909 he was again honored
by the people of McCracken
county by being elected to the
office of county judge, which
office, although an exacting one
he filled in a manner characteris-
tic of his close attention to every
duty and fidelity to the people.

Judge Barkley is a Democrat
of the desirable make. In every
campaign he has always given
his best talents to the interests
of his party and in the last pres-
idential and state campaigns he
was especially active in making
speeches in every county in the
First district and otherwise us-
ing his best efforts for the
party's success.

Judge Barkley is a gifted
speaker and is called on for an
address at nearly all the public
meetings in the district.

While it is a little early for
him to outline his position on
those issues in which the people
are directly interested, he will at
an early date, state specifically
his stand upon every public issue
and generally outline his position
on matters of which it will be
essential to speak.

He favors the primary plan of
nomination and will so express
at the proper time.

Judge Barkley is well known
in each of the thirteen counties
of the district and has a strong
following in each. He entered
the race under conditions that
are most favorable to his success
and that he will prove a strong
candidate in the contest ahead,
is generally conceded.

COUPLED GAS PIPES

William C. Johnson Admits The Unauthorized Use of Gas And Gets Jail Sentence.

William C. Johnson, 2405 Dumesnil street, was tried in the Criminal Court on a charge of grand larceny, which consisted of coupling pipes and using gas without a meter, and found guilty of a misdemeanor charge and given three months in jail by the jury. The Louisville Gas Company charged that Johnson had been using gas from their pipes for two years without their knowledge.

L. L. Cadwallar, superintendent of distribution of gas for the company, stated that the meter was taken out in 1909 and that Johnson used pieces of pipe for

coupling the supply pipe to the pipe through the house. He said when he went into the house to examine matters some time ago the connecting pipes were on the floor and that he applied them and found that perfect connection would be made.

Johnson on the stand admitted that he couple the pipes and used the gas. He said the meter was taken out over two years ago and he coupled the pipes because the supply pipe leaked, not having any tap on. He said he did not think he used over thirty cents worth of gas a month, as the flow was imperfect.—Louisville Times.

Husband Didn't Bathe, Wife Gets Divorce

Muncie, Ind., Feb. 12.—Judge Frank S. Ellis decided that failure on the part of a husband or wife to take a bath at reasonable intervals constitutes "cruel and inhuman treatment" within the statutory meaning. Mrs. Josie Carter, in suing for divorce, said that in the two years of their married life her husband had never, to her knowledge, indulged in a bath. Judge Ellis said that, in his opinion, bathing should be regarded as a necessity, and so awarded judgment to the wife.

WHAT NEXT? A MACHINE FOR WRITING SHORTHAND.

The largest manufacturing plant in the city of Owensboro, Ky., is that of the Universal Stenotype Company, which is making a machine known as the "Stenotype," which is destined to revolutionize office correspondence and will to a large degree eliminate shorthand in the business offices of this country.

With it speech can be recorded at a very great speed, and its work is so legible that any person who learns to operate the machine, can read the writing of all other Stenotype operators with ease, a thing which cannot be done with shorthand. One machine operator can take sufficient dictation to keep three typists busy.

The machine will be introduced to the business world through the commercial schools, where it will be taught in connection with typewriting and kindred subjects. It is much easier to learn than stenography and the severest tests have proven it to be more accurate. It will open up an entirely new and profitable vocation for intelligent young men and women everywhere. The manufacturers have contracted with Lockyear's Business College, of Evansville, Ind., to teach the use of the machine to students from this county, and this college has opened a department of Stenotypy under a competent teacher, and Stenotype operator. This school occupies its own new college building, which is equipped with the most modern furniture and appliances. Boards its students for \$2 a week. Has strong courses in Bookkeeping, Shorthand and Typewriting. And enjoys a large patronage of intelligent young people from several states. Lockyear's Business College will be glad to give you full particulars concerning either course desired if you will write them to-day.

SEVEN YEARS OF MISERY

How Mrs. Bethune was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Sikeston, Mo. — "For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I had cramps, backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband's told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do all my own housework, work in the garden and entertain company and enjoy them, and can walk as far as any ordinary woman, any day in the week. I wish I could talk to every suffering woman and girl, and tell them what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. DEBRA BETHUNE, Sikeston, Mo.

Remember, the remedy which did this was Lydia E. Pinkham's Vegetable Compound. It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it?

COUNTY UNIT BILL IS A JUICY LEMON

Say Some of The Wise Ones on The Inside.

Has the legislature handed the County Unit advocates a lemon? That is the question subsequent events only will evidence, but there is a great host of men, some wise in the law, and others unversed who think, and contend that it did.

These folks say the measure passed by the senate yesterday is unconstitutional; that many of the men who voted for it knew it was; that some of the leaders of the party saw an opportunity to indulge in a little hoodwink, and they did it. These same men say all the wrangle and arguments the big men in the party turned loose were released for a purpose,—there is a joker in the bill and it is hoped won't be disclosed yet a while.

That feature of the law that renders it unconstitutional, it is claimed is the provision in the act that provides that if the majority of the precincts of a county vote for prohibition, the entire county must eliminate the liquor traffic, yet, on the other hand, provides that in the event a majority of the precincts vote wet, those that voted "dry" shall be "dry."

This feature of the bill, it is claimed is not fair, as it gives the local option folk an advantage, and it is contended an appeal to the courts will so prove. Some of the best lawyers in Paducah today gave it as their opinion that the bill is unconstitutional, notwithstanding the fact some of the best attorneys in the state contend that it is.—Paducah Sun.

Wearry Feet. I wonder how many people who suffer tortures with their feet in hot weather, agonies of aching, burning, swelling and extreme tenderness, know that a raw potato, peeled and cut in half and well rubbed over them every night and morning will cure the trouble? The fall of the year always lays a special strain upon the nation's financial resources. STOP THAT DANDRUFF

before it kills your hair. You know dandruff is a germ disease and it leads slowly and surely to baldness and there is only one way to cure dandruff and that is to kill the germ that causes the trouble.

Greasy salves will never do this. ZEMO and ZEMO SOAP kills the germ and are guaranteed to cure dandruff, itching scalp and all other germ diseases of the skin and scalp.

ZEMO and ZEMO SOAP are the true scientific remedies for these afflictions. To show our faith in ZEMO and ZEMO SOAP we have instructed the druggist selling them to refund your money if you are not satisfied with the results from the very first bottle and the first cake of soap.

We can afford to make this offer because one bottle of Zemo and one cake of soap are sufficient to show their healing qualities and if used according to directions, they will affect a permanent cure.

Interesting Facts Regarding the Laboratory of the Chamberlain Medicine Co., Des Moines, Iowa.

A person purchasing a bottle of Chamberlain's Cough Remedy has no conception of the magnitude of the laboratory where this medicine is manufactured. The machinery and apparatus used in its preparation was designed especially for the purpose and cost several thousand dollars. Europe, South America and the United States supply various ingredients of this remedy, and only the highest obtainable quality is used. No pains or expense has been spared in making it as nearly perfect as possible. A force of helpers representing homes enough to populate an average Iowa town are regularly employed at the plant of the Chamberlain Medicine Company at Des Moines, Iowa. The printing department, which is usually overlooked in calculating the expense of a business of this kind,

ranks as one of the best in the State, and is thoroughly equipped with automatic presses and folders of the latest improved type. Here enough print paper is used in one year to spread over ten farms of 160 acres each, upon which is printed advertising matter, directions and labels in twenty-eight different languages and dialects. Enough lumber is used in making the cases in which the medicines are shipped to build an eight room house on each of these ten farms every three months. The bottles used by this firm every year, which are filled by machinery at the rate of 2,000 per hour, if placed end to end would reach across the United States seven times or almost encircle the globe.

GROUP ENDS LIFE

**Many Children Die of Croup Every
Year Before a Doctor Can
be Summoned.**

Parents of children should be prepared at all times for a spasm of croup.

Keep in the house a remedy that will give instant relief and keep the child from choking until the arrival of the physician.

Get a 50 cent bottle of HYOMEI today and in case of an attack of croup pour 20 drops into a kitchen bowl of boiling water. Hold the child's head over the bowl so that it can breathe the soothing, penetrating vapor that arises. In the meantime send for a physician.

This treatment has saved the lives of many children and is a precaution that all parents should promptly take. HYOMEI is sold by Haynes & Taylor and druggists everywhere and is guaranteed for croup, catarrh, asthma and bronchitis. F1-15

How Ollie Got a Berth.

Ollie James, Senator-elect from Kentucky, is a big man—big all over, beginning with his feet and ending with his head, excepting his supply of hair, which is nil, says the Washington correspondence in the New York World. A conservative estimate of Mr. James' weight by a thin man would be 300 and by a fat man at a trifle more than 375.

After the Kentucky Legislature elected Mr. James to the Senate a few weeks ago he hurried back to Washington, where he now serving as a Representative from the Bluegrass country. He bought his railroad ticket and delayed the purchase of a sleeping car berth until he got on the train.

The conductor gave him a shock by showing him the diagram with only one empty berth and that an upper. Mr. James is not built on architectural lines adaptable to an upper berth, and even in the lower he holds an overflow meeting in the aisle. He took the upper and worked on the sympathies of the conductor and porter by the most expeditious means. They canvassed the car and could find no man agreeable to switch from a lower to an upper. Mr. James took up the quest himself, and in the smoking compartment offered \$5 for a lower. No takers.

When bedtime came Mr. James walked slowly into the car and sat down in his section disconsolate. A dapper little man, weight about 115, took a seat opposite him. He was the owner of the lower berth in that section.

The porter came to make up the berths. When he lowered the top shelf Ollie tested the chains with his hands and sounded the platform. He shook his head doubtfully.

"Hope she holds," he soliloquized. "The last time I got into one of these darned uppers she fell through with me and broke a man's leg in the berth below."

Ollie got the lower. -Exchange.

ADDITIONAL LOCALS

Mr. Ben Rankin spent several days in Marion last week receiving tobacco for the Farmers' Union.

Rev. J. S. Henry at his death gave his library to Rev. Robt. Larue of this county. It was an evidence of esteem worthily bestowed.

Mr. Joe Hughes of Weston was in Marion Saturday and Sunday.

John R. Harris of Salem was here Monday with a nice bunch of a dozen or more mules several of which he sold while here. Mr. Harris spent Monday night with his daughter, Mrs. John Cocaran three miles south of Marion.

Our Co. Supt. E. Jy Travis returned from Bowling Green Monday where he has been attending the State Supt. Meeting. Among these superintendents, we venture to assert that the superintendent from Crittenden stands like Saul of old tallest from his shoulders up. After an absence of two weeks he returned home Tuesday.

Dr. J. T. Reynolds and brother, W. H. Reynolds and H. Cennells of Blackford, were in town Tuesday on business and stopped at the Gili Hotel.

The little daughter of Ura H. Bigham of the Chapel Hill neighborhood was seriously burned one day last week while playing in front of the fire. Members of the family who were present and possibly saved her life. She is not dangerously burned.

J. T. Kemp of Iron Hill, who has read the Record-Press for a third of a century was in town Saturday and renewed for another year.

J. S. G. Green of Fredonia dropped in on us Saturday to renew for the Record-Press and the Louisville Courier Journal. He also attended the meeting of progress at the Cumberland Presbyterian church.

Levi Cook Moore is the name of the young gentleman who was left at the home of Mr. and Mrs. Chas. Moore last week. Mother and son are getting along nicely. Our popular jeweler is almost as proud of his namesake as if he were his own boy.

J. A. Hill of Chapel Hill sold two Dunco Jersey 1 year old gilts to Geo. T. Belt of Sheridan, Ky. Gradually the best strains of stock are being disseminated in Crittenden Co.

E. Calvin Clark who is engaged in mining at Rosiclare, Ill., was here and in the county last week shaking hands with his many friends. The ice gorge in the Ohio River interferes with shipments up and down the river this season of the year.

Dempsey M. Kemp of Iron Hill was here last week with a load of tobacco which weighed 3300lb. He sold 2700 of it at \$10 per hundred and the remaining 600lbs at \$8 per hundred making the load net him \$318. We call that a pretty good load of tobacco.

We are still paying a quarter for eggs but they are dangerous to fool with this time of the year at that price said one of our produce men, Monday afternoon.

Robt. W. Hill of Seattle Washington and Miss Nancy Thurber Hunt of Dixon Ill. were married in Chicago last week. Robt. is a brother of Jas. A. Hill of Chapel Hill, was reared here in the county and is remembered by our older inhabitants. He has not visited here for several years.

The transfer boat is able to make her way only with the utmost difficulty. The Ruth and the Ohio are laid up, the Ruth at Paducah and the Ohio at Golconda. The Ed Meyer is tied up here at the Duck's Nest and has not made a trip in over three weeks. The Ohio will probably start running Monday if the ice moderates. —Paducah News Democrat.

Mrs. A. H. Cardin, Marion, Ky. Harvey Wells of Hurricane died Sunday morning of paralysis, leaving a wife and six children. The interment took place at Sullinger graveyard Monday.

Mrs. Willis Thomas and daughter and John Thomas, all of Sikeston, Mo., arrived last week and were guests while here of James Thompson. They were enroute to visit John L. Thomas who last Sunday celebrated his 82th birthday with a family reunion.

Dr. Bell's Pine-Tar-Honey
For Coughs and Colds.

Dr. Derritt Eskew of Peplar Bluff, Mo., called here last week to see his nephew, Mr. Oscar Eskew who has been afflicted for a month past with blood poison.

Ice continues to flow on the Ohio. The ice is heavy, but scattered. Navigation is practically tied up all along the Ohio from Pittsburg to Cairo. So far no serious damage has been done here as Paducah is protected by a natural harbor, which offers safety to all boats. The only boats running out of here in the Ohio are the Cowling, Robertson and the Nashville, which only runs to Smithland in the Ohio.
