Great Hopkins County Fair.

Judge Givens always announces that each successive Great Hopkins County Fair will be 'greater and grander than ever.' Whether this is literally true or not, the people understand that they are going to get their money's worth at the Madisonville Fair. It holds the record in this section for thirty-one year's continuous success, and every year something new and novel is provided for the entertainment of the big crowds which invariably attend. The races during the past seven years have been of a high standard and the Derby now draws large numbers of lovers of good racing from a wide territory. The Derby will be run on Wednesday. July 30. which is also Woodmen's Day, the combined lodges of Hopkins County uniting in the determination to make it a monster demonstration of Woodcraft.

The date selected this year is very fortunate-the farmers everywhere being up with their work and ready for a period of recreation-and indications point to record breaking crowds. The railroads entering Madisonville offer reduced rates.

Roberts-Crider.

A courtship of 9 years standing, touched with a deal of romance, culminated last Thursday evening with the marriage of Miss Elsie Crider to E. Owen Roberts.

The wedding took place at the home of the bride's father S. F. Crider, near Repton. A host of friends assembled to witness the ceremony which was beautfully pronounced by Rev. King of Webster county.

The bride is beautiful and accomplished, has grown to womanhood in this vicinity and numbers her friends by the score.
