THISDAY LET LOVERS FOND ENTWINE
Their Hands, And Bless St. Valentine.

St. Valentine's Day Parties.

ST. VALENTINE AS A VENUS.

The tale of St. Valentine's legend is one of the most romantic in Christian history. According to legend, he was a priest who helped Christians who were hiding underground to escape persecution by Emperor Claudius II. When the emperor found out, he had Valentine beaten and thrown into a dungeon. There, a girl who loved him and was also a Christian brought him a note. Unknown to her, it was captured by the guards. When it was read, the emperor ordered Valentine to be beheaded. As he was being led to the execution, he began to sing a prayer, and the emperor was so moved that he asked Valentine to pray for him. Valentine prayed, and the emperor was touched. He asked Valentine if he would convert to Christianity, but Valentine refused. The emperor then had Valentine thrown into a pit of poisonous snakes, but he remained unharmed. Finally, the emperor had Valentine beheaded. Valentine's feast day is February 14th. Today, Valentine's Day is celebrated as a day to honor St. Valentine, and it is a day for celebrating love and romance.

LOVE'S TOKEN.

A SONG FOR VALENTINE'S DAY.

I send my love across the night
To thee that art my heart's delight,
And, though the night be dark, I know
My love will find the way to go.
And, though the path be rough and long,
What happiness if I might use
With love across the night to thee.
