FOR STATEWIDE PROHIBITION.

Beckham And O'Rear To Stump The State For State-Wide Prohibition.

Hon. E. C. O'Rear, Frankfort, Ky.

My dear Sir:-

It has become evident to all intelligent observers of political conditions in Kentucky in the last few months, that the combined liquor interests of the State are exerting their utmost power to influence and control the policies of both political parties, with a view to preventing the next General Assembly from submitting to the people of the State a Constitutional amendment for State-wide prohibition. As you know the liquor interests are non-partisan, or rather bi-partisan, in their work, and are utterly indifferent to the success of either party, so long as their purposes may be accomplished. They are, therefore, seeking in the coming campaign to control the two parties, both in the August primary and in the November election.

As one of the leaders in your party who has always upheld the temperance cause and helped in its work, we are writing you to earnestly request that you join with Senator Beckham in a series of addresses, to place before the people of the State these questions in their proper light. We believe that the people of Kentucky are entitled to a vote upon this important question, and that no political party should submit to the domination of the liquor interests and refuse to grant the people this just privilege.

We are writing a similar letter to Senator Beckham, and we earnestly hope for an early and favorable response from both of you.

Sincerely yours,
N. A. Palmer,
State Superintendent.

Frankfort, Ky. Apr. 1, 1915.

Wedding announcement.

Mr. and Mrs. R. B. Redmon announce the engagement of their daughter, Miss Luella Redmon, to Mr. N. Gray Rochester, of Marion, Ky. The wedding will take place in the early part of May.

They are to be married at the Methodist temple by Rev. Forte, pastor. Miss Nannie Rochester, sister of the groom, to be maid honor.

Mr. Rochester is a young man of sterling qualities, and the Press extends congratulations to him and his bony bride.

A Preacher Severely Boxed.

Recently Pastor R. A. LaRue moved to Salem, that he might efficiently serve the churches there and at Pinckneyville. He had scarcely arranged things and begun to feel at home, when boxes began to come in filled with the good things a preacher and family need most:--meat, beans, peas, parsnips, turnips, corn, oats, flakes, sour and sweet pickles, pepper, sugar, coffee, chickens, eggs, milk, butter, apples, peaches, pears, plums, gooseberries, damsons, preserves, jelly, jam, tomatoes, onions, nuts, toilet soap, enamel-ware, book, table-scarf and many tokens of esteem, welcome, good-will and the pastor feels such a people deserve a great ministry of the gospel, and humbled by his unworthiness, covets their highest development in the Divine Life. So "as much as in me is," I am ready to preach the gospel to them that are in Salem.

"Blest be tie that binds, Our hearts in Christian love, The fellowship of kindred minds, Is like that from above. Before our Father's throne, We pour our ardent prayers; Our fears, our hopes, our aims are one, Our comforts and our cares. We share our mutual woes, Our mutual burdens bear; And often for each other flows, The sympathizing tear."

Tolu Farmers' Club.

The Tolu Farmers' Club met March 31st, 1915, at the school building. We had Mr. Bird with us, and he certainly gave us a very interesting and instructive talk on the subject of "Corn Growing," and as that is our principal crop, he had no trouble in maintaining order.

The two last dry seasons have put the farmers in a frame of mind to try a change; hence we think Mr. Bird will have no trouble in getting the ear of all the farmers in this section.

MISS LALA

WATSON DEAD.

One Of The County's Most Popular Young Ladies The Victim Of A Horrible Accident

Sunday afternoon at 1:15, the Grim Reaper, Death, again visited our county and claimed as his own the life of Miss Lala Watson--one of the sweetest and most popular girls in West Crittenden, the second daughter of Mr. and Mrs. Frank Watson of the Tolu vicinity.

Miss Watson had been attending school at Tolu and last Sunday evening, March 28th, she was riding into town on a spirited race mare, which although perfectly gentle, had been trained to go against the bits. Miss

Watson was aware of this fact and slackened her reins to check the horse. The animal continued to go faster than her rider thought she should and it is thought that perhaps Miss Watson became frightened and lost her stirrup. Near the Methodist Parsonage the horse, still going rapidly, made a sudden turn up the alley toward the barn where she was kept, and Miss Watson, not expecting the horse to leave the road was thrown suddenly, bruising her face and head considerably.

She was taken to her boarding place in Tolu where she stayed until Wednesday, when she thought she was able to go home. She seemed to be improving and thought she would be able to enter school again Monday. Saturday morning she became worse. Physicians were hastily summoned and all that medical skill could do, was done, but at 1:15 Sunday evening--no doubt the very saddest Easter Day to that home and community--her soul winged its way to that Eternal home to be with Him, who made a joyous, eternal life possible; to be with Him from whose tomb the Angels rolled the stone away, so many, many years ago on that Day of all days.

A Few Reasons Why You Should Buy a "Louisville" Silo

- 1 Because it is easy to erect.
- 2 Because we guarantee every part of it.
- 3 Because our silo is second to none on the market.
- 4 Because it is a silo on which each and every feature has been tested and is not an experiment.
- 5 Because all our doors are made of California red-wood, which shrinks and swells less than any wood on the market.
- 6 Because our doors are easy to remove and replace, and cannot stick or bind.
- 7 Because we own our own patents, and do not have to pay any royalty, thus saving the farmer from \$15.00 to \$25.00 on his silo.
- 8 Because the hoops can be adjusted from the ladder front door frame without the necessity of climbing all around the silo on a ladder.
- 9 Because we are not in the silo trust.
- 10 Because it is HOME INDUSTRY.

CLAUDE B. TERRELL IS SEEKING NOMINATION BY DEMOCRATS FOR TREASURER

Trimble County Man Submits Candidacy to Voters
in Primary of August 7, Upon Record of His
Public Services in General Assembly.

HAS TWICE PRESIDED OVER HOUSE

CLAUDE B. TERRELL.

BEDFORD, KY., March 25.—The Honorable Claude B. Terrell, of Trimble County, today announced himself a candidate for the Democratic nomination for State Treasurer in the State primary of August 7, next. He will make an active campaign for the nomination.

Mr. Terrell is one of the best known of the younger Democrats, who have been active in politics and public life during the last few years, and enjoys an acquaintance that covers every section of Kentucky. He is a farmer, merchant and banker in his home town. He has served the Trimble and Oldham District in the General Assembly of Kentucky on three occasions, twice without opposition, and serving at two sessions as Speaker of the House of Representatives.

Mr. Terrell first entered State politics in the memorable legislative session of 1900, when the Goebel contest was before that body. He was a member of the Rules Committee of the House, one of the most important positions at that time, and in the gubernatorial contest, following the assassination of Governor Goebel, he was a member of the Steering Committee of the Democratic organization in the lower House. He was one of the five men of that body who kept its records intact during the days when W. S. Taylor prevented the General Assembly from meeting at the Capitol, and preserved those records so that they were later upheld in the courts of Kentucky.

Mr. Terrell came back to the legislative session of 1912, and because of his former experience was easily elected Speaker of the House. He was returned by his district to the session of 1914, Oldham County Democrats setting aside the custom of rotation in order that he might be re-elected to the Speakership without opposition in the House. As presiding officer of the lower House he had much to do with the enactment of important legislation during the sessions of 1912 and 1914.

Mr. Terrell has for quite a number of years been a member of the Board of Trustees of the State University, Lexington, and has taken an active part in the conduct of the University, and shown much interest in all educational matters that came before the legislative sessions over which he presided. He bases his candidacy for State Treasurer on his experience generally as a business man, and because of his knowledge of the State's financial affairs through his service in the General Assembly.

He presents his candidacy briefly in the following card:

"To the Democrats of Kentucky:

"I will be a candidate before you in the Democratic State primary on Saturday, August 7, next, for the nomination for State Treasurer. I feel that my experience in the past in a legislative capacity, as member and Speaker of the House of Representatives, has brought me closely in touch with public affairs of Kentucky and the needs of the State. The Treasurer, besides the duties directly connected with his department, is a member of the State Sinking Fund Commission, which has general charge of the financial affairs of the State, and a member of the State Board of Valuation and Assessment, which fixes the franchise values of corporations for purposes of taxation. I believe my public experience as a business man and legislator qualifies me for the duties which are to be performed on these two boards, as this experience has given me an intimate knowledge of public affairs and acquainted me somewhat with the needs of the State. If chosen for this office, it is my purpose to give my entire time and attention to it, to the end that it be successfully conducted. I shall always retain my interest in the further development of the educational system of Kentucky, and my desire to see it become a perfect system is one of the reasons why I should like to be a member of the next State administration.

"I respectfully solicit your support."

"CLAUDE B. TERRELL."

THAT TIRED FEELING

Do You Continually Feel Sluggish, Disinterested?

If you do, it is probably caused by your liver. When the liver fails to perform its functions properly, the system becomes clogged with poisonous matter, that weighs you down mentally and physically.

The liver gets out of order very easily, and if neglected, chronic trouble usually results. Don't delay if you feel badly. You knowingly lay yourself open to life long pain, when you allow yourself to continue in a run down condition. Cure yourself quickly and harmlessly with the natural vegetable remedy, L.I.V.-VER-LAX. It has all the effectiveness, BUT NOT THE EFFECT, of calomel.

Genuine L.I.V.-VER-LAX bears the likeness and signature of L. K. Grigsby, and is guaranteed to give satisfaction or money refunded. Insist on it. For sale by Haynes & Taylor.

WOMEN FROM 45 to 55 TESTIFY

To the Merit of Lydia E. Pinkham's Vegetable Compound during Change of Life.

Westbrook, Me. — "I was passing through the Change of Life and had pains in my back and side and was so weak I could hardly do my housework. I have taken Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. I will recommend your medicine to my friends and give you permission to publish my testimonial."

— Mrs. LAWRENCE MARTIN, 12 King St., Westbrook, Maine.

Manston, Wis. — "At the Change of Life I suffered with pains in my back and loins until I could not stand. I also had night-sweats so that the sheets would be wet. I tried other medicine but got no relief. After taking one bottle of Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use for six months. The pains left me, the night-sweats and hot flashes grew less, and in one year I was a different woman. I know I have to thank you for my continued good health ever since." — Mrs. M. J. BROWNELL, Manston, Wis.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled in such cases.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

ANOTHER LINK WITH PRINCETON

Princeton Citizens Add Their Praise.

Another link with our neighboring town of Princeton is provided in the following grateful and generous statement of a well-known resident there, Mr. James P. Pool, blacksmith, who says: "For years I was troubled with kidney trouble. My back was very lame and I could hardly bend, as it hurt me so severely. In the morning when I arose I was very weak and I tired easily, was nervous and languid. I hardly knew what would become of me. Finally a friend advised me to try Doan's Kidney Pills and I began their use. From the very first they helped me and after having used three boxes I was relieved of all the trouble. Doan's Kidney Pills have my highest endorsement."

Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Pool had. Foster-Milburn Co., Props., Buffalo, N. Y. 41-8

Miss Lala Watson Dead.

(Continued from first page.)

Lala Catherine Watson was born April 1st, 1895, being just twenty years old. She was a member of the Methodist church at Hebron and a splendid worker, both in church and Sunday School. Her life was one of beauty and of purity. Her manners and bearing were pleasing; her disposition was sweet and untainted. Her nature was joyous and her greatest pleasure seemed to be in bringing sunshine to others. She always had a smile and a kind word for everyone; both young and old. Her life was a sermon of kindness and purity.

This noble young lady will be missed more in her home and community than words can ever tell. Truly her place can never be filled. She was preparing to teach the coming year, having promised to teach at Irma. She was a great lover of children and an enthusiastic worker and

we feel that her life would have been very successful in her chosen work. The future was bright to her, still we must yield in humble submission to the will of our Father, "who doeth all things well."

Funeral services were conducted at the White Graveyard near Irma Monday afternoon, by her pastor, Rev. Royster, in the presence of one of the largest funeral gatherings ever assembled there.

The Record-Press wishes to extend its heartfelt sympathy to the bereaved family in this sad hour. The Editor personally joins the countless friends of this most noble girl, whose life has been a blessing to those with whom she came in contact, in expressing their sympathy to this heartbroken family.

He is seriously bruised about the hips, but the attending physicians believe no bones are broken and that he will be able to be out again in a few weeks.
