RICH PLANTER WINS CITY GIRL

Mr. Galen Dixon, of Tolu, Weds
Miss Clara Elizabeth Ham-
mack, of Marion.

The marriage of Miss Clara Elizabeth Hammack and Mr. Galen Dixon was solemnized Wednesday, April 7th, 1915 at the First Baptist Church.

About three hundred invitations had been issued and the acceptance by a great part of those invited, attested to the popularity of this young couple.

Before the hour appointed a beautiful musical programme was rendered by Miss Lucile Pope at the piano, Miss Juliet Pope, cornet and Mr. Medley Cannan, violin.

At ten o'clock the sweet strains of the wedding march filled the church, and the bride on the arm of Miss Ruth Flanary, maid of honor, slowly descended the left aisle, and the groom and best man, Mr. Virgil Threlkeld, the right aisle.

They were met at the altar, banked with ferns and Easter lilies, by their pastor, Rev. J. B. Trotter, who tied the nuptial knot in a few happily chosen words, both beautiful and impressive.

They drove immediately to the bride's home and after donning their traveling apparel departed on the south bound train for a weeks sojourn in the east.

Miss Hammack, who is the older daughter of Mr. and Mrs. H. F. Hammack, is a petite blonde and possesses those admirable traits that make friends everywhere. She wore a coat suit of navy blue, with hat to match and carried a shower bouquet of white roses and lilies of the valley.

At all times a beautiful girl, yet on this occasion she was more lovely than ever before.

Miss Flanary was attired in a black and white coat suit with large black hat and carried a bouquet of pink roses.

Mr. Dixon is the son of Dr. and Mrs. J. O. Dixon and is a prosperous young farmer, of near Tolu, Ky. He is one of the most popular young men of Crittenden county. Both the groom and best man wore the conventional black with gray gloves and ties.

They received many rare and costly gifts of silver, cut glass, linen, etc., from their admiring friends.

They will be at home after the twentieth of April at their beautiful country home which is ready for occupancy. —G. D.

A Card Of Thanks.

We wish to return our heartfelt thanks to the good people of Seven Springs and also other vicinities who assisted us and spoke words of consolation to us in the sudden death of our dear husband and father and may God's richest blessings ever be with each one of them, and when afflictions and death come to their homes as it did to ours, may they ever be sustained and aided in a time of trouble with just such friends as we were supplied with and we also want to extend our thanks to the nice undertaker, Mr. Willie Koon for his kind service at the home. These deeds of kindness shall ever be remembered by us.

Mrs. Sarah Patton and children.

THE NEXT GOVERNOR.

Sends Us Some Extracts From
Billy Sunday's Temper-
ance Sermon.

"I challenge you to show me where the saloon has ever helped business, education, church, morals or anything we hold dear. Seventy-five per cent of our idiots come from intemperate parents; 85 per cent of the crime is committed by men under the influence of liquor; 90 percent of the adult criminals are whiskey made.

I go to a family and it is broken up, and I say, "What caused this?" Drink. I step up to a young man on the scaffold and say, "What brought you here?" Drink! Whence all the misery, sorrow and corruption? Invariably it is drink.

The saloon is the sum of all villainies. It is worse than war or pestilence. It is the crime of crimes. It is the parent of crimes and the mother of sins. It is the appalling source of misery and crime in the land. And to license such an incarnate fiend of hell is the dirtiest, low-down damnable business on top of this old earth. There is nothing to be compared to it.

The saloon comes as near being a rat hole for a wage earner to dump his wages in as anything you can find. The only interest it pays is red eyes and a foul breath, and the loss of health. You can go in with money, and you come out with empty pockets. You can go in with character and come out ruined. You go in with a good position and you lose it. You lose your position in the bank, or in the cab of the locomotive. And it pays nothing back but disease and damnation, and gives an extra dividend in delirium tremens and a free pass to hell. And then it will let your wife be buried in the Potter's field and your children go to the asylum, and yet you walk out and say the saloon is a good institution, when it is the dirtiest thing on earth. It hasn't one leg to stand on, and has nothing to recommend it to a decent man, not one thing."

Dear Marshall:—I thought perhaps you had not seen the above clipping and therefore am sending it to you. Yours for temperance and State wide prohibition.

H. V. McChesney.

SUNDAY APRIL 25th, IS GO-TO-SUNDAY-SCHOOL DAY IN KENTUCKY.

Will You Do Your Part?

Lines Of Allies Total 1,656 Miles.

Paris, April, 13 (3:15 p. m.)—Troops of the Allies today occupy battle fronts whose length totals 1,656 miles, according to a compilation made by the Matin. In the western arena, according to these figures, the French occupy 540 miles of trenches, the British 31 miles and the Belgians 17 miles.

In the eastern theatre the Russians face a front of 861 miles, while the Serbians and Montenegrins are fighting along a line which measures 217 miles.

Fate Of Austria Doomed

Say Russians.

Petrograd, via London, April 13.—The highest importance is attached to the fall of Przemyśl by the Novoe Vremya. Likening the surrender of the Galician fortress to the fall of Metz during the Franco-Prussian war and the capitulation of Port Arthur in the Russo-Japanese war, the paper states that the last obstacle has now been removed to the Russian advance in Galicia and to the heart of the Carpathians.

"Thus is decided the fate of the whole Hapsburg empire, and consequently that of her ally, Germany."

COOPER ENDORSES Y. M. C. A. WORK

Well-Known Man Becomes More Thoroughly Identified With Kentucky.

Lexington, April, 14th.

L. C. Cooper, the philanthropist who electrified Lexington by furnishing, at his own personal expense, the bread that is used in the Orphans' Homes in that city, who established a "Bread Line" for the indigent poor, and who is conducting an agricultural exposition to encourage the farmers, whom he considers the bone and sinew of the land, became more thoroughly identified with Lexington in particular, and Central Kentucky in general, when he became a member of the Young Men's Christian Association.

Mr. Cooper was waited upon by a delegation of some of Lexington's best-known young men and invited to join the local Y. M. C. A. Mr. Cooper, a native Kentuckian, not only accepted the invitation to become a member, but he endorsed the work of one of Lexington's most deserving and commendable institutions.

The demand for Tanlac, the remarkable medicine that is now being introduced by Mr. Cooper to prove his theories on health, is now the biggest thing of the kind ever seen in this section.

POPULAR COUPLE WED.

Miss Lucile Nunn And Mr. Thomas
Waller Were Married Wed-
nesday April 7.

The marriage of Mr. Thomas Small Waller and Miss Lucile Olga Nunn was solemnized at the residence of the bride's parents, Dr and Mrs. W. H. Nunn, on Wednesday morning at 8:30 o'clock, in the presence of the immediate relatives and friends, by the Rev. J. H. Nicholson of the Methodist church.

The decorations were ferns, smilax, pink carnations and yellow narcissus, carrying out the color scheme of pink and yellow, relieved with green.

Miss Mary Casey Dyer presided at the piano and played during the entrance of the bride and groom, Lohengrin Wedding March, and during the ceremony soft sweet strains of the piano accompanied the service of plighted troth.

The Nunn home is one of the most attractive in the city, and in its festive attire it was especially beautiful.

The bridal pair were preceded down the stairs, by their pastor, Rev. Nicholson, and stood in front of the mantel which was banked with ferns, roses, smilax carnations and narcissus. The ceremony was short, but impressive, the double ring service being used. After a short duration of prayer and benedictions, the happy pair left for Evansville to take the train for a wedding journey of ten days.

On their return they will be "at home" on South Main street.

The bride is the only daughter of Dr. and Mrs. W. H. Nunn of this city, and is a young lady of most attractive personality and lovable temperament.

The groom is the oldest son of Mr. and Mrs. B. G. Waller, and is a young gentleman of high moral character and superior mental attainments, having graduated in law from Vanderbilt and Yale and is an attorney of this city, of especial promise.

Mr. Waller is certainly to be congratulated upon having won Miss Nunn for his life companion. Both of the high contracting parties belong to the most prominent families of the county, and they are entering upon this most happy and sacred relationship with bright promise of a useful life and a most happy voyage.

The out-of-town guests were: Miss Ina Dorris, of Henshaw; Miss Mary Casey Dyer, of Sturgis; Miss Evelyn Clement, of Marion; Mrs. Sloan McKinney of Spring Grove; Mr. and Mrs. Aaron Waller and daughter, Miss Elizabeth, of Henderson; Mr. Maurie Nunn, of Marion and Mr. Wright Waller, of Henderson. —Morganfield Sun.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional treatment. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars.

HUSBAND RESCUED

DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. In two things The Youth's Companion is first and foremost--capital stories and useful information. There are stories for boys that delight their fathers, stories for girls that charm their mothers. There are stories that make you hold your sides, and stories that move you to tears. And it is a liberal education to read what The Companion offers you in sound, practical, trustworthy information. All of it--fiction and information--is chosen and printed with the one aim of leaving the reader better and wiser, if possible, than he was before. ANOTHER LINK WITH PRINCETON

Princeton Citizens Add Their Praise.

Another link with our neighboring town of Princeton is provided in the following grateful and generous statement of a well-known resident there, Mr. James P. Pool, blacksmith, who says: "For years I was troubled with kidney trouble. My back was very lame and I could hardly bend, as it hurt me so severely. In the morning when I arose I was very weak and I tired easily, was nervous and languid. I hardly knew what would become of me. Finally a friend advised me to try Doan's Kidney Pills and I began their use. From the very first they helped me and after having used three boxes I was relieved of all the trouble. Doan's Kidney Pills have my highest endorsement."

Price 50 cents at all dealers. Don't simply ask for a kidney remedy--get Doan's Kidney Pills--the same that Mr. Pool had. Foster-Milburn Co., Props., Buffalo, N. Y. 48-15

HIGH GRADE SILOS
Made of Long Leaf Pine and Oregon Fir

A Few Reasons Why You Should Buy a "Louisville" Silo

- 1 Because it is easy to erect.
- 2 Because we guarantee every part of it.
- 3 Because our silo is second to none on the market.
- 4 Because it is a silo on which each and every feature has been tested and is not an experiment.
- 5 Because all our doors are made of California red-wood, which shrinks and swells less than any wood on the market.
- 6 Because our doors are easy to remove and replace, and cannot stick or bind.
- 7 Because we own our own patents, and do not have to pay any royalty, thus saving the farmer from \$15.00 to \$25.00 on his silo.
- 8 Because the hoops can be adjusted from the ladder front door frame without the necessity of climbing all around the silo on a ladder.
- 9 Because we are not in the silo Trust.
- 10 Because it is HOME INDUSTRY.

Peruna
Is A
Tonic and
Strength
Builder
So Says

Mrs. Frank Stroebe, R. F. D. 1, Appleton, Wis. Her letter reads: "I began using Peruna a few months ago when my health and strength were all gone, and I was nothing but a nervous wreck. Could not sleep, eat or rest properly, and felt no desire to live. "Three bottles of Peruna made me look at life in a different light, as I began to regain my lost strength. While my recovery took nearly four months, at the end of that time I was better than I ever had been before. I had a splendid color and never weighed more in my life. "I certainly think Peruna is without a rival as a tonic and strength builder, and it has my endorsement." Mr. Charles Brown, R. R. 4, Box 176, Rogersville, Tenn., writes: "I have tried many different remedies, but have found that Peruna is the greatest tonic on earth, and a perfect system builder."

Miss Eula Curnell died March
31st. She was the second daugh-
ter of John and Alvin Curnell
and was a member of the Christ-
ian church at Liberty Grove.
She was a good christian girl and
much beloved, was a good Sun-
day School attendant and will be
greatly missed at Sunday School.
Her Superintendent, J. J. Por-
ter made a nice talk at her grave
Thursday, which will long be re-
membered by those who heard it.
She leaves Father, Mother,
two sisters and six brothers to
mourn her untimely demise.

Weep not Dear ones, Eula has
gone on to her home beyond,
waiting to welcome you.
A Friend.

Miss Grace Clements died at
Bunk Perryman's near old Jim
mines, last Wednesday of con-
sumption. She was 17 years old
and was a good christian char-
acter. She was a member of
the Methodist church at Siloam.
The burial was at Deer Creek
Thursday.

Tobe Akers, of the Forest
Grove section, died Sunday, and
was buried at Dunn Springs
Monday. He leaves one brother,
Ellis, and five sisters, his mother
and little children to mourn his
death, his wife having died three
months ago. The funeral ser-
vice was conducted by Rev. J. B.
McNeely, of this city, in the
presence of a large concourse of
neighbors and friends.

More Bewitching Than Ever.

Nothing on earth can smile
but man. Gems may flash re-
flected light, but what is a di-
amond-flash compared to an eye-
flash and a mirth-flash? Flowers
cannot smile; this a charm that
even they cannot claim. It is
the prerogative of man; it is the
color which love wears, and
cheerfulness and joy—these
three. It is a light in the win-
dows of the face by which the
heart signifies it is at home and
waiting. A face that cannot
smile is like a bud that cannot
blossom, and dried up on the
stalk. Laughter is day, and so-
briety is night and a smile is the
twilight that hovers gently be-
tween both—more bewitching
than either—Henry Ward Beech-
er.

Sick Women Attention

Is it possible there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, which proves beyond contradiction that this grand old medicine has relieved more suffering among women than any other one medicine in the world?

We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine for women—and every year we publish many new testimonials, all genuine and true. Here are three never before published:

From Mrs. S. T. Richmond, Providence, R. I.

PROVIDENCE, R. I.—“For the benefit of women who suffer as I have done I wish to state what Lydia E. Pinkham's Vegetable Compound has done for me. I did some heavy lifting and the doctor said it caused a displacement. I have always been weak and I overworked after my baby was born and inflammation set in, then nervous prostration, from which I did not recover until I had taken Lydia E. Pinkham's Vegetable Compound. The Compound is my best friend and when I hear of a woman with troubles like mine I try to induce her to take your medicine.”—Mrs. S. T. RICHMOND, 84 Progress Avenue, Providence, R. I.

From Mrs. Maria Irwin, Peru, N.Y.

PERU, N.Y.—“Before I took Lydia E. Pinkham's Vegetable Compound I was very irregular and had much pain. I had lost three children, and felt worn out all the time. This splendid medicine helped me as nothing else had done, and I am thankful every day that I took it.”—Mrs. MARIA IRWIN, R.F.D. 1, Peru, N.Y.

From Mrs. Jane D. Duncan, W. Quincy, Mass.

SOUTH QUINCY, MASS.—“The doctor said that I had organic trouble and he doctored me for a long time and I did not get any relief. I saw Lydia E. Pinkham's Vegetable Compound advertised and I tried it and found relief before I had finished the first bottle. I continued taking it all through middle life and am now a strong, healthy woman and earn my own living.”—Mrs. JANE D. DUNCAN, Forest Avenue, West Quincy, Mass.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

The guests included the girls of Miss Hammack's immediate crowd; Misses Clara Hammack, Ruth Flanary, Louise Clement, Isabel Guess, Mira Dixon and Mrs. J. P. Guess.

The menu consisted of Grape Fruit Cocktail, Veal loaf, Tomato dressing, Asparagus on toast, Peas, Potatoes, Hot biscuit, Fruit Salad, Wafers, Pineapple Mousse, Coffee.

Miss Louise Clement was hostess at a luncheon on Tuesday, April 6th, in honor of Miss Clara Hammack, an April bride. Miss Ruth Flanary delightfully entertained the Bridal party of Miss Clara Hammack, on Tuesday, April 6th, with a six o'clock dinner.

The dining room was attractively decorated in pink and yellow flowers and green potted plants. A large basket, tied with a bow of yellow and filled with pink sweet peas and ferns formed the centerpiece of the dining table. Yellow candles cast a soft glow over the fetching scene. Tiny brides and grooms marked the covers which were laid for: Miss Hammack, Mr. Dixon, Miss Garnett Delaney, of Henshaw, cousin of the bride, Miss Ruth Flanary, maid of honor, Mr. Virgil Threlkeld, best man and Miss Lucile Pope.

One of the prettiest pre-nuptial affairs for Miss Clara Hammack was a linen shower, given by Mr. and Mrs. John Wilson, Monday evening, April 5th.

The house was attractively decorated with ferns, easter lilies and rose. A huge wedding bell was suspended from the top of the stairway and as each guest came down they threw a gift through the bell to the bride and groom who were seated under the bell. The happy couple were the recipients of many pretty and useful gifts, such as: linen, sheets, towels, handkerchiefs and lunch cloths.

Delicious apricot cream and angel food wedding cake were served, the cake contained, of course, the ring, darning needle and money and each one was asked to cut their own slice.

The favors were little green slippers filled with candy, for the men, and little baskets for the girls, each had a toast which was read.

Those who enjoyed their hospitality were:—Misses Nannie Rochester, Katharine Yandell, Linda Jenkins, Louise Clement, Ruth Haynes, Marian Clement, Francis Blue, Madeleine Jenkins, Isabel Guess, Ruth Flanary, Maud Flanary, Mira Dixon, Clara Hammack; Messrs:—H. L. Wilson, Maurie Nunn, Sylvan Price, Medley Cannan, Raymond Minner, Earl Clement, Douglas Clement, Bruce Babb, Hurt Yates, Virgil Threlkeld, Charles Peat and Galen Dixon.

Mrs. Tilla Conard Tells Remarkable Experience After Suffering for Months.

Mrs. Tilla Conard lives at 307 Morgan street, Peoria. She suffered from stomach trouble for months. Nothing seemed to give relief. One day she visited a sister who resides in Bloomington, and upon urgent advice consented to try one bottle of May's Wonderful Remedy. This, in her own words, is the story of her experience—read it.

"For a number of months I suffered terribly with pains in my stomach; would fill with gas and belch for an hour at a time. I had pains in my side which at times I thought would kill me. I was under the doctor's care for four months, but got no relief at all. One day while in Bloomington my sister persuaded me to take a bottle of your remedy. To say the results were wonderful would be putting it mildly. After the first dose my pain left me, my appetite improved, my skin became clear again and I felt like a new woman."

May's Wonderful Remedy gives
