## MARION GRADED AND HIGH SCHOOL

Opens Monday Morning With An Enthusiastic Crowd of Young Boys and Girls

Monday morning at 9:30 while the High School orchestra was playing one of its best selections the students of the Marion Graded and High School marched into the beautiful school auditorium to begin their work for the school year 1915-16. Many interested and enthusiastic patrons and school boosters were present to show their interest in, and appreciation of, the biggest thing in Marion.

After a few introductory remarks by Supt. Christian, the Devotional exercises were led by Rev. Escott of the Presbyterian church. A beautiful selection was then rendered by the orchestra, after which some live speeches were made by members of the School Board and others. Judge Rochester in a very pleasing way set forth some of the advantages which belonged to the children of Marion by right of their environments. Judge C. S. Nunn emphasized the importance of practical things in school work. Other live talks were made by C. W. Haynes, Rev. Trotter, Rev. Chandler and Carl Henderson.

The new High School teacher, Mr. Hollis C. Franklin, was next introduced to the school and in a few well-chosen words Mr. Franklin showed that he was "on the job". Every sentence of his talk was alive and to the point, his attitude toward the school being shown in his own words, "If we have a thing worth telling, let's tell it; if we haven't, let's get busy."

The two new grade teachers, Miss Elizabeth M'Gee of Hopkinsville, seventh grade and Miss Sue Moore, fifth grade, were introduced. Both of the young ladies expressed their pleasure at being in the school and pledge their earnest support to make the school a success.

Supt. V. L. Christian in his own, direct, straight-forward way briefly outlined the work for the year and promised some new improvements in equipment. At the conclusion of his talk he said, "We'll make this the best years work in the history of the school."

We predict for the school a very successful years work and the Record-Press will be a booster to that end.

### Jamie Clement Seriously Ill.

Jamie Clement, son of the late Charles Clement, and Miss Essie Clement, of the Chapel Hill section, is critically ill at his new home in Sturgis, Ky., where he located last winter with his bride who was Miss Iva Scott, daughter of Mrs. Jelina Scott, of this county. His first wife was Miss Grace Hill, daughter, of H. O. Hill, and wife, and when she died she left a bright little son, Kevil, who is now with Mr. and Mrs. Hill, near Chapel Hill.

His mother, Mrs. Essie Clement, who is with him sends very discouraging reports as to his chances for recovery. This will be sad news to the many friends and connections of this young man, who is well known and liked here and everywhere he is known.

## OPERATION PROVES FATAL

Mrs. Finie Griffith Taken to Evansville Saturday Morning Hoping to be Cured.

Another shock, seldom if ever equalled, in Marion, came Monday afternoon when a message came telling of the death of Mrs. Finie Griffith at Walker's Sanitarium in Evansville, Ind., where she went last Saturday morning. Few here knew of her illness. She was here in apparent good health Friday afternoon and was in the office of the editor, accompanied by her daughter, Mrs. Jerry P. Hatcher, and little grand-daughter of whom she was so proud. She had come into town from her home near Crittenden Springs to consult her physician as to a growth in her throat, which was affecting her wind-pipe, and it was decided at once that something must be done or she would choke to death. Her son Guy accompanied her to Walker's Sanitarium Saturday morning and the consultation there, only served to urge the importance of a quick operation. She cheerfully agreed and was not assisted by anyone when she crawled onto the operating table Monday. The shock to her system was so severe she never rallied but passed away at 4:50 p. m. before coming from under the influence of the anesthetic.

With her when the end came were her husband, son, sister, Mrs. W. T. Terry and Mr. Terry and her daughter Mrs. J. P. Hatcher. They arrived here Tuesday at 11 o'clock and took the remains to her home which she had so recently left. The funeral was conducted by her pastor Rev. H. V. Escott of the First Presbyterian church here, at Love Grave Yard Wednesday at 11 o'clock and was largely attended. She was a life long member of the First Presbyterian church here.

Sophina Matilda Witherspoon was born in this county Mar. 22, 1841, lived in this county all her life. She was a daughter of the late U. G. Witherspoon and is survived by her husband, Mr. Thos. Elson Griffith to whom she was married April 17, 1872, and by three children, Alice wife of J. P. Hatcher, Guy and Walter, both of whom are married.

Two sisters and two brothers survive her, they being Mrs. Annie Terry, wife of William T. Terry; and Mrs. Mattie Conditt, wife of William G. Conditt, both of this county; and Rufus E. Witherspoon, of Emporia, Kan., and Thadeus Witherspoon, of Glen Elder, Kan. There are six grandchildren.

Mrs. Griffith was one of the county's best known women and will be greatly missed. She was a true Christian and lived her religion in every day life.

### COUNCIL PROCEEDINGS.

A special called meeting of the City Council was in session Monday morning to meet B. N. Gordon, Secretary of the "Kentucky State Railroad Commission, who came here to represent L. B. Finn, a member of the commission, who was detained at home on account of sickness and who was expected here to meet the Council and discuss the telephone

situation. Mr. Gordon stated the commission had been discussing the situation at Marion and were to take it up again at a special meeting of the Rail Road Commission, next Wednesday, Sept. 15th, at Bowling Green, and the City Council decided to send City Attorney, James A. Moore to represent the City of Marion at that meeting. It is understood the Cumberland Telephone and Telegraph Co., has signified its acquiescence to the proposed union and has submitted its contract to the commission. Judge Moore will leave in time to be present at the Bowling Green conference and we may be able to announce something definite to our readers two weeks hence.

At the regular meeting of the City Council, four concrete crossings were ordered put in, one from the Gugenheim residence corner across Princeton or main street, one from Tucker's Furniture Store to Mrs. Terry's millinery store, one from Carnahan Bros. & Dodge's corner across north main to the vacant corner, and one across Bellville street near T. J. Yandell's and J. N. Boston's residences.

Application was made by Guy Givens for butcher's license but

it was not granted.

A rescinding order was entered as to the concrete walk abutting the residence lot of T. C. Guess and R. S. Elkins.

All bills for street work were paid.

### W. B. Yates In Several Camp Meetings.

W. B. Yates, who has been conducting the song service in a protracted meeting at Eldorado, Ills, returned home Monday for a few days stay. He will leave today for Greenville in the mountains of east Tennessee to hold his 11th meeting for this year. One of the greatest was at Wichita, Kansas, where 2500 people assembled in the great Lynnwood park, one of the prettiest in the west and well known to all travelers to that hustling city. Another of great interest was at Camp Sychar, near Mt. Vernon, Ohio, where the gate fees last Sunday at 10c amounted to \$420., 4200 paying at the gate. There 2000 campers and 400 automobiles parked. This does not look much like Camp Meetings are getting unpopular as some would have you believe.

## MRS. CRIDER LAID TO REST

In New Cemetery Last Saturday Afternoon. Rev. J. B. Trotter Officiating

In the bosom of her beloved Marion, covered with a mountain of flowers, the remains of Mrs. Cora Pierce Crider were laid to rest Saturday afternoon at 4 o'clock in the new cemetery after the funeral service, conducted by her pastor, Rev. J. B. Trotter, of the First Baptist church of this city.

The funeral party from Rochester, Minn., was composed only of Mrs. Florence Yandell, but was met at Chicago by the husband, Mr. G. M. Crider, and they later being met at Evansville by W. B. Yandell and C. J. Pierce, brother-in-law, and brother of the deceased. They reached here Friday afternoon at 3:40 and the remains were taken to her late home. Many friends called at the home, and the profusion of flowers was noticeable. Mrs. Crider being greatly beloved and honored in church, Sunday school, several societies to which she held membership, and the social circles of Marion. Peace to her ashes.

### Joint Picnic.

Next Tuesday W. D. Cannan's Class 12, of the Baptist church, C. W. Haynes' Class No. 3, of the Methodist church and Jeff D. Asher's Class No. 3, of the Cumberland church, will have a joint picnic at Wheeler's Grove, on Morganfield street, and a great time is expected. Croquet marbles, pitching dollars or horse shoes and other innocent pastimes will be indulged in, and a good old fashioned Kentucky dinner will be spread soon after the noon hour. Members of these classes are all studying their lessons for next Sunday, as it has been hinted that a good lesson next Sunday is necessary to get a ticket to the dinner spread.

## HAS MANY FRIENDS HERE

Young James Carlross Has Narrow Escape in Recent Floods in Missouri.

James Carlross, auditor on the Butler county "Missouri Mule," took his car down the line Saturday. He brought the car back to Baileys and then took a speeder to Morocco. At Morocco he phoned to Poplar Bluff as to his whereabouts and then tried to make the trip to this city on his speeder. The flood waters overtook him and unable to return to Morocco or get to Poplar Bluff, Lester Jeffords and Harry White who went to his rescue in a canoe, found Carlross tied to a fence post in the midst of a raging torrent. Carlross had been unable to reach a tree and had been forced to secure himself to the post to keep from being carried away by the current.—Poplar Bluff, Mo., Citizen-Democrat.

The above is a part of the account of the recent floods in Missouri. Young Carlross is the son of Mrs. Minnie Carlross, who was here visiting relatives only two or three weeks ago. He is

## BIG BIRTH-DAY DINNER

In Honor of Uncle Doc Green And J. J. Butler Is Attended By A Host of Relatives.

Uncle Doc Green has been missing from Marion for several days. Not a few of his associates have been wondering what had become of him. This morning we find him on his regular beat, and at his accustomed occupation, (pressing brick), and this is the story he gives us by way of explaining his absence.

"On Wednesday morning, Sept. 1st, I went to Eldorado, Ill., to visit my kinsfolk. I went to the home of J. J. Butler, my nephew, first. From here I visited all the other nephews and nieces and their children, which is not a few, all told. Among other things, Billie Yates and I held a big camp-meeting at Eldorado. At least, we did our part. Billie did the singing and I kept up the other little odds and ends that always need attention around a camp-meeting. Besides this camp-meeting I attended other religious gatherings, but the thing that interested me more directly and individually was a birth-day dinner and a family reunion. This is the way that happened: J. J. Butler's birth-day came on Saturday, and mine on Monday, and the good women, Mrs. Butler and her daughter-in-law planned to give us a surprise and a good dinner at the same time. To make the occasion mutual and accommodate both dates they made the dinner on Sunday. Mr. Butler who is the son of my oldest sister was sixty-five years old on that date. Of course, most of my friends know how old I am.

Those who were present at this re-union, and all relation of mine were: D. M. Butler and wife; children Grace, Edith, Gilbert, William and Aileen; J. A. Butler and wife, children Kelley, John, Sibyl, Nellie, Jimmie and Pearl; Joe McConnell and wife, Aunt Mary Butler, Aunt Elizabeth McConnell, Miss Elizabeth Butler, A. G. Jones, wife and daughter, Kathleen, T. G. Tison and wife, Matilda Beasley, Clifford Whitlock, Ira Steinsultz, wife and son, Wayne, Harry Butler and wife, J. J. Butler and wife, Dave Butler's children, Ella, Mary and Webber.

"A jollier party I have never seen. I wish I could be with them on a hundred more birth-days. It gives me an idea of that Grand Re-union you ponder.

Yours very truly,

J. S. G. GREEN.

It is fun to hear Uncle Doc tell this and see his enthusiasm and the evidence of a new lease on life manifested in his face. We hope he will live a hundred years if he wants to.

Rah for Uncle Doc!

In the current issue of Farm and Fireside appears the following:

"Wheat is not undisputed king, nor cotton either. The egg crop last year was worth about \$700,000,000.

"The hand that rocks the cradle is the hand that does its full share in feeding the world."

THE STATEMENT OF THIS MEXICO RESIDENT WILL INTEREST OUR READERS.

Our neighboring town, Mexico, points the way in the words of one of its most respected residents:

J. O. Tabor, Mexico, Ky., says: "I had kidney trouble for about six years. The pains in my back were severe at times and when I stooped or lifted, sharp twinges shot through my loins. My back always ached more intensely at night and in the morning, I felt very lame. I tired easily, was languid and nervous and had headaches. The kidney secretions passed too frequently and caused me annoyance. One and a half boxes of Dean's Kidney Pills rid me of the trouble, and I am now in good health."

### My Sojourn in California.

I reached my sister's, Mrs. E. E. Thurman, of Buena Park, Orange Co., on July 18th, found all well; and have been enjoying the sunshine and sea breezes, while feasting on tropical fruits which grow on Mr. Thurman's ranch and they are certainly fine to pick them off the trees.

There is a fine boulevard running in front of their residence, over which we have had many a pleasant auto ride going to different places of interest. The oil fields with hundreds of wells, with a flow of thousands of gallons of oil and immense tanks for holding the oil.

The sugar factory where the raw beet goes in, and comes out a beautiful refined sugar.

The olive factory, which is a beautiful building of the old mission style, in cream colored cement with the rough finish. The superintendent was very kind to tell us all about. In the storing room there were six large tanks of oil each valued at \$10,000.00 besides hundreds of boxes of canned olives and bottles of oil.

They do not begin to manufacture the oil, can and pickle the olives till December. The McHalley Olive Co., own 3,000 acres of land in one body, which is laid off in beautiful drive ways among their olive and lemon trees.

Have a large building on the old mission style with court, etc., which is known as the Japanese Camp.

They have their own packing house, etc. This the same McHalley who publishes the McHalley geography.

I noticed fifty cases of olive oil ready for shipment to Omaha, Neb., which were very interesting and instructive to me.

We have visited quite a number of the beaches including Seal Bay City, Anaheim, New Port, Balboa etc. At Seal Beach I caught my first sight of the Pacific ocean also my first plunge. It certainly is grand to see those mighty beaches coming to you and have them dash over you.

Sister and I spent some time with her daughter, Mrs. Lou T. Wilsey, and family, of Pomona, where we were royally entertained. Had a theatre party, saw the noted play "The Clans-

men." Was given a picnic at Gamca Park which is a lovely place, laid off in walks and driveways, a number of animals, birds etc. We ate our lunch in a beautiful pergola with flowers and fountains in every direction, also a swimming pool which was formally opened while we were on our visit at Pomona. The Park cost the city somewhere near \$100,000.00.

We were also entertained while at Pomona by the Dosett families, formerly Kentuckians. Mr. Wilsey took us in his auto to the top of the Mt. The road was cut in and run round and round the mountain. I will have to admit I felt rather shaky in going on that narrow ledge, but felt doubly repaid after reaching the summit for the scenery was simply grand. We could see a number of different places, including Ontario, Claremont, Pomona and Chenn.

Spent some time in Los Angeles sight seeing, and expect to visit Long Beach and San Pedro, where we can see the ocean steamers, also to the Catalina Islands and to San Diego, from there to San Francisco and home via Chicago.

I will long remember my visit to the land of Sunshine and flowers.—GEORGIA DEAN, Fredonia, Ky.

## STEPHEN ALLEN'S POCKET PIECE.

Many years ago the fine steamer Henry Clay, which ran between New York and Albany, when on her down trip and just opposite the beautiful village of Yonkers, was found to be on fire. The steamer was immediately headed for the shore, but notwithstanding its nearness to the land, and the heroic efforts made to rescue the passengers, many lives were lost. Among the victims was Stephen Allen, Esq., an aged man of the purest character, formerly Mayor of New York, beloved and esteemed by all who knew him. In his pocket-book was found a printed slip, of which is the following is a copy:

Keep good company or none. Never be idle. If your hands cannot be usefully employed, cultivate your mind. Always speak the truth. Make few promises. Live up to your engagements. Keep your own secrets, if you have any. When you speak to a person, look him in the face. Good company and good conversation are the very sinews of virtue. Good character is above all things else. Your character cannot be essentially injured except by your own acts. If one speaks evil of you, live so that none will believe him. Ever live (misfortunes excepted) within your income. When you retire, think over what you have done during the day. Make no haste to be rich, if you would prosper. Small and steady gains give competency with tranquility of mind. Never play at a game of chance. Avoid temptation, through fear you may not withstand it. Earn money before you spend it. Never run into debt unless you see a way to get out again. Never borrow, if you can possibly avoid it. Do not marry until you are able to support a wife. Never speak evil of anyone. Be just before you are generous. Keep yourself innocent if you would be happy. Save when you are young to spend when you are old. Read over the above maxims at least once a week.

Yellow complexion, pimples and disfiguring blemishes on the face or body can be gotten rid of by doctoring the liver, which is torpid. HERBINE is a powerful liver correctant. It purifies the system, stimulates the vital organs and put the body in fine vigorous condition. Price 50c. Sold by James H. Orme, Marion, Ky.

CHAUTAUQUA CLUB

Of Mrs. George M. Crider.

"Not a kindlier life nor sweeter", these words of the poet do well apply to one who has lived among us, a life of such sweetness, gentleness and cheerfulness through all trials that we feel that though we have lost her our world must be better because she dwelt here awhile.

Her character was as perfect as human nature has a right to expect. She died, even as she had lived with that peace which passeth all understanding. Her tired body craved rest and the angel of death gently closed her eyelids in quiet sleep.

Let us think of her, not as dead, but as gone before, and beckoning us onward. Let us try henceforth to let our lives stand for the things; which hers was filled. Look upward toward God, be brave, patient and true, find plenty of good for our hands to do, and do it, with our might, and then her life will not have been lived in vain.

## Sun Brothers Coming.

The Sun Brother's Shows will exhibit at Marion Sept. 24th, giving two complete perform-

ances, afternoon and night. The much advertised free exhibitions will be offered for review on the show grounds at 12:30 p. m.

## A Wonderful Antiseptic

Germs and infection aggravate ailments and retard healing. Stop that infection at once. Kill the germs and get rid of the poisons. For this purpose a single application of Sloan's Liniment not only kills the pain but destroys the germs. This neutralizes infection and gives nature assistance by overcoming congestion and gives a chance for the free and normal flow of the blood. Sloan's Liniment is an emergency doctor and should be kept constantly on hand. 25c, 50c. The \$1.00 size contains six times as much as the 25c.

## DIVINE BELIEVED COLLAPSE CERTAIN

Louisville Man, However, Gains Weight After Taking Tanlac.

Louisville, Ky., Sept. 8.—C. D. Divine, one of the best and most favorably known men in Louisville, who is bookkeeper for the Falls City Clothing Company, recently had these words to say about Tanlac, the premier preparation:

"It was my misfortune to be afflicted with an aggravated case of stomach trouble and a highly nervous condition for several years. Gas would accumulate in my stomach, causing me great pain. These attacks followed one another in such rapid succession that my entire system became weakened and made me susceptible to coughs and colds.

"At one time I feared I was in danger of a complete nervous breakdown. In fact, I was told that the breakdown was inevitable. I had a tired, worn-out feeling, my sleep was fitful, I was lacking in energy, and had no appetite. I was depressed in spirits and devoid of ambition.

"I suffered for two years, the stomach trouble refusing to yield to the treatment of the best physicians in Louisville. My nerves were shattered. I felt as though my case was hopeless.

"Since using Tanlac, I feel like a different man. I have gained in weight, I sleep better, my appetite has returned, and I am filled with vigor and ambition. The tired feeling has vanished completely."

Tanlac, the premier preparation, is sold in Marion at James H. Orme's drugstore, and in Blackford at A. T. Brown's drugstore.

## A Letter From Birmingham, Ala.

Birmingham, Ala., Sept. 6, '15  
Mr. S. M. Jenkins,

Dear Sir:

The Press is coming alright. It gives me pleasure to read the paper that gathers the news around the old place where I first saw the light of day 72 years ago. The old place is still dear to me. For 45 years I was in the west. Then I stayed in and around Marion for a few months in 1913 and 1914. From there I dropped down to this part of the Sunny South. I find fine people here in this city. Wishing the Press the best of luck, I am as ever,  
L. J. Allison.

## Hodge—Thomas

Guy Hodge and Miss Stella Thomas left the Hurricane camp ground Aug. 25th, 1915, and went to E'town, Ill., and were united in marriage. There was no objection to the young man, but the bride was only sixteen years of age, hence they ran away. The bride is eldest daughter of Mr. and Mrs. Robert H. Thomas, of the Glendale neighborhood, in this county, and is a lovable, industrious, Christian girl.

The groom is the second son of Mr. and Mrs. Robert Hodge, a wealthy farmer of the same neighborhood as the bride, and is an up-right industrious young farmer. They went to his home immediately on their return.

May happiness, long life and prosperity be theirs is the wish of a score of loved ones and friends.

### LOYD'S BRAIN LEAKS.

### MOTHERHOOD.

A robust, manly son and a cooing baby-girl nestling in her bosom—what more can any woman ask? It is a boon that Heaven intended should be granted to every woman. Thousands fail of this because they have neglected to look after their health in a womanly way. The health of a woman's babies is dependent upon her own health. The prospective mother cannot be too particular about her physical condition. If she suffers from local weakness, nervousness or loss of vigor and virility, her children will be weak, puny and sickly. Dr. Pierce's Favorite Prescription is the right remedy for weakness and disease of the delicate and important organs. It makes these organs strong, healthy. It makes the mother strong and cheerful. It is the invention of an eminent and skillful specialist.

Prepared from nature's roots and herbs, it contains no alcohol nor narcotics, nor any harmful ingredient. Medicine dealers everywhere have it on hand in either tablet or liquid form at all times. If you want a specialist in women's diseases to diagnose your case absolutely free of charge, write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., to-day.

### PEORIA WOMAN TELLS EXPERIENCE

Mrs. W. L. McClellan, of Peoria, suffered torture from indigestion, gas, belching and other symptoms of stomach trouble. She spent large sums of money for doctors' advice and medicine. Still her condition did not improve. She found relief, wonderful, surprising relief in a drug store window. This is her story, as she tells it:

"I suffered so from indigestion and colicky pains that at times I was completely incapacitated for my household work. I saw a window display of Mayr's Wonderful Remedy and decided to purchase a bottle, which I did. I have taken only one bottle and the results have been really wonderful. I have not had a pain in my stomach since, and let me say that for the first time in many, many months, two days following I have had a natural movement of the bowels. I feel I cannot say enough for the remarkable virtues of your remedy. Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like.  You will find enclosed P. O. money order for \$1.00 to pay my subscription for the dear old Crittenden Press another year. We are always glad to get the old home paper and read with interest what is going on in old Crittenden county. I think the people of Crittenden county are very lucky in selecting Mr. Bird as their county agent. I think he is the right man in the right place. I see in the paper that crops are fine. The crops here are fine, some barley making 85 bushels per acre, wheat from 40 to 50 bushels per acre. Third cutting of hay ready to cut. We have had a long dry spell. It hasn't rained any since the last of May. Will bring my remarks to a close.

## 730 times every year you use a separator

IF IT RUNS HARD OR ISN'T EASY TO WASH OR DOESN'T skim clean, it is a constant annoyance and bother.

NO OTHER MACHINE OR IMPLEMENT ON THE FARM receives such constant use, and there is no other machine on the farm where quality of work means so much and first cost means so little.

A LITTLE LOSS OF CREAM WITH A CREAM SEPARATOR, multiplied 730 times soon runs into money. It's too big a handicap for any cow owner to try to work with.

CREAMERYMEN ALL OVER THE WORLD LONG AGO CAME to the conclusion that the De Laval was the only machine they could afford to use. That's why 98 per cent of the cream separators used in creameries the world over are De Laval. You will find the biggest and best dairyman almost invariably using a De Laval. Experience has taught them that it is the most economical.

YOU CAN'T AFFORD TO TAKE ANY chances with your cream separator and we know that if you come to us and let us put in a De Laval for you 730 times a year you will say to yourself, "I made a good move when I bought that"

### Twenty-Fifth Jubilee Year.

Now what is termed their twenty-fifth Jubilee Year and Tour, the Sun Brothers' World's Progressive Shows are coming back to Marion and will give two performances on Friday, Sept. 24.

It is hardly necessary to state here that this tented show is all right, for the reason that our citizens know it is all right, and besides it is simon pure, all clean and respectable.

The advance printing matter

states that the programme for presentation is absolutely all new for this season, not one old feature being retained. The success of this noted tented aggregation has been realized by presenting the American people a tented show entirely free from every form of graft; by keeping every promise made in the matter of exhibitions, and by treating those who visit these exhibitions with the utmost courtesy and respect. It is this matter of treatment which often causes one to feel more guest than patron when he visits the Sun Brothers' Shows.

Many of their rival showmen who countenanced the old time confidence man, the shell-work-er, the fortune teller, the short changer and other forms of graft, made the assertion, that the show could not live without adjuncts of that kind, and also sneeringly referred to the Sun Brothers' Shows as "that Sunday School Show."

Ever since its inception twenty

five years ago, the Sun Brothers have been deadly foes to anything of a demoralizing character and have kept their shows intact and free from it, and today it is the only show of its size in America that can successfully "repeat" each season town for town. The amusement going people have confidence in the show because of the new and original performances each succeeding season, and always of the very best. Its great cleanliness and the honest courtesy and fair treatment given to all who visit their shows or do business with them.

The show will arrive in Marion Friday, Sept. 24, by special train service early in the morning. At noon time preceding the afternoon performance, a number of highly original free outside shows will be presented to the public, all taking place on the show grounds and absolutely free to the public.

**Rexall Dyspepsia Tablets**  
 will relieve your indigestion. Many people in this town have used them and we have yet to hear of a case where they have failed. We know the formula. Sold only by us—25c a box.

### Circus Day, Friday, Sept. 24th.

A big holiday event is in store for the citizens of Marion on Friday, Sept. 24. On this day and date the famous Sun Brothers' Quarter of a Century old Tented Exhibition and Big Trained Wild Animal Tourney will pitch its tents and give two of their splendid performances. This is the same show that has always maintained an opposition of any semblance of graft about their shows or to trail in the wake of it. Always conducted in the highest manner and on the most respectable plane, it is always a welcome visitor on each succeeding visit to the various towns and cities. In plain words it can invariably always "come back." This season the show offers many new attractions, notably among them being Herr Klotz's wonderful tango and pantomimic elephants in the greatest trained animal act ever offered for review in America. The exhibition of

## 5 Women Avoid Operations

For years we have been stating in the newspapers of the country that a great many women have escaped serious operations by taking Lydia E. Pinkham's Vegetable Compound, and it is true.

We are permitted to publish in this announcement extracts from the letters of five women. All have been recently recovered unsolicited. Could any evidence be more convincing?

1. HODGSON, Me.—"I suffered from both sides and such a soreness I could scarcely straighten myself. My back ached and I was so nervous I could not sleep. I never would be any better until I submitted to an operation. I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman."—Mrs. HAYWARD SOWERS, Hodgson, Me.
2. SHELBYVILLE, Ky.—"I suffered from a severe female trouble. My right side hurt me badly—it was finally decided that I must be operated upon. When my husband learned this he got a bottle of Lydia E. Pinkham's Vegetable Compound for me, and after taking it a few days I got better and continued to improve until I am now well."—Mrs. MOLLIE SMITH, R.F.D., Shelbyville, Ky.
3. HANOVER, Pa.—"The doctor advised a severe operation, but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it."—Mrs. ADA WILT, 303 Walnut St., Hanover, Pa.
4. DECATUR, Ill.—"I was sick in bed and three of the best physicians said I would have to be taken to the hospital for an operation as I had something growing in my left side. I refused to submit to the operation and took Lydia E. Pinkham's Vegetable Compound—and it worked a miracle in my case, and I tell other women what it has done for me."—Mrs. LAURA A. GRISWOLD, 2437 East William Street, Decatur, Ill.
5. CLEVELAND, Ohio.—"I was very irregular and for several years my side pained me so that I expected to have to undergo an operation. Doctors said they knew of nothing that would help me. I took Lydia E. Pinkham's Vegetable Compound and I became regular and free from pain. I am thankful for such a good medicine and will always give it the highest praise."—Mrs. C. H. GRIFFITH, 1508 Constant St., Cleveland, O.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

### IN MEMORIAM.

Rev. Wm. R. Gibbs was born in Crittenden County Ky., Oct. 25, 1841. At the age of ten or twelve years he professed faith in Christ and united with a missionary Baptist church. Notwithstanding he was left without either father or mother at the age of eight years, he acquired an education and in his early life taught in the public schools of the county.

In early manhood he entered the ministry in which work he was actively engaged the remainder of his days.

He was very zealous in the work and though his eye sight failed him, leaving him totally blind some five years before his death, he lost none of his energy but pressed right on in pastoral and revival work being pastor of four churches at the time of his death. Many were the storms he faced mingled with the hot rays of the sun and cold blasts of winter in reaching his appointments.

His preaching was principally extemporaneous using very few notes if any. In his sermons he quoted scripture freely, giving Book, chapter and verse.

He was a man of deep consecrations having great power with God in prayer.

We are without a record of his work at hand but we know that he was pastor of many churches in this and adjoining counties and witnessed hundreds of conversions and baptized a large number of people.

He was in the organization of
