Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin-no rubbing required-it drives the pain away. It is really wonderful.

Mervin H. He knew that if he wanted crops,

It's nitrogen that make things green,

But it's clearly wrong to waste

I'll surely have to put in drains,

must plow it deep all over;

A cloven sod that's prime,

So if I have a sour soil,

To make success more sure,

With all that, that implies,

I'll try my very best to keep

From wasting the manure.

So I'll drain and lime and cultivate
