EPUBLICAN SPEAKING

HON.

J.C. Speight

OF MAYFIELD

Will Speak at

MARION

Friday, Oct. 27,
1:00 P. M.

Speight is a Noted Orator and Campaigner and You Should Not Fail to Hear Him

EVERYBODY INVITED

LETTET FROM

JESSE BRUCE

President Wilson Will Carry The Republican State of Oregon

November 7th

Enterprise, Ore., Oct. 16, 1916

Crittenden Record-Press

Marion, Ky.

Dear Sir—

I receive FL. 00 to pay for another year's subscription to the Record-Press, for of course I could not be without it. You will see by my letter that I am still in the harness and hard-riding business in Enterprise. During the last six months the town has been the best since it was located here. The country is prosperous and development steady.

New settlers are coming in and more and more land is being opened up every year, and valuable crops of grain and hay are raised, and large numbers of cattle, hogs, sheep, and horses are shipped.

Prices are very good under the new Democratic administration. If the people of Oregon will support Wilson and Smith, and also elect Republican representatives and congressmen, they will continue to have a prosperous country.

Yours very truly,

J. C. Speight

A Story of Red-Heads

The Grappler (Ky.) Thus tells the unique story of "Red Heads."

"This little Chippie was twenty and red-headed as a beet, and they had him motoring across the county, and away he went, down the roads, "the Misses Wicks. They were married the same day. At a time happy with joy, they drove in a red-headed coach, and the county on a red-body.

Auction Sale.

At Marion, Ky., Sat. Oct. 28, I will sell a lot of shoes, Ladies and Children's clothes, Ladies watches, hats and caps and a few Furniture and various other articles at Public Auction. Come and get these bargains at your own price. Sam Cernahan

Scientific Proofs
Maxwell Fuel Econ

In a test made by David L. Gallup, M. E., Professor of Gas Engineering, Worcester Polytechnic Institute, a stock Maxwell Touring Car made from 23 to 33.7 miles per gallon of gasoline at speeds ranging from 10 to 35 miles per hour. We reproduce a letter from Professor Gallup concerning this test.

Deferred Payments if Desired

NOTE that no unusual means were employed to get these results. The car was used from stock; the test was made with a full load and with top and windshield up; the regular Maxwell carburetor was used.

Any Maxwell car is capable of giving this same economy in gasoline consumption. Maxwell operating economy matches its economy in first cost, making it The World's Greatest Motor Car Value.

saturday night, but will add a series of meetings throughout the week.

J. White was last night at the Comstock room and talked of going on from there...
MARION WINS THE GAME

Two teams that have played each other many times met for the fourth time on Wednesday afternoon at the beautiful new Marion High School. The game was a hard-fought one, but Marion emerged victorious, 62-28.

The Marion defense was well organized and sound, holding the opposition to only 28 points. The offense was well coordinated, with the guards well covered, and the forwards well supported.

In the first half, Marion led, 35-13. In the second half, Marion increased its lead, 27-15.

The Marion team was led by John Smith, who scored 15 points, and Bob Johnson, who scored 10 points.

The Marion team is now 10-2 for the season.
