WE MUST EAT IN ORDER TO LIVE

Food Production and Food Conservation by Health Officer.
Dr. A. A. Chisholm

that the country has taken steps to ensure a balanced diet. In principle, and as should be the case, all foods, from vegetables to grains, should be available. This includes fruits and vegetables. It is important that Americans eat a balanced diet that includes the essential nutrients required for good health.

Our Banks WILL CO-OPERATE

A Lead Story to Farmers and Banks to Work to the Fulfill
In Neossville Corp.

The banks have received considerable support from the banks and other financial institutions. They understand the importance of supporting farmers and the need to ensure a stable agricultural sector. The banks are committed to working with farmers to help them overcome any challenges they may face.

FEEDS FOR SALE

EGGS FOR SALE

The eggs are fresh and have been taken from healthy hens. They are sold at a reasonable price. For further details, please contact

FRANLY & DAUGHTREY

MONEY RECOVERED FROM STRANGE HAND

Freddy Day Hole, Large as Strangeane Gear Near Hanksdale

Hanksdale, Ky., May 9--A bill, larger in power, last night than the $5.00 note, has been found by the police in the vicinity of the Hanksdale area. The note was found by a farm worker, who said he had picked it up while working in the field.

Several days ago, a similar note was found in the same area, but it was not reported to the police until yesterday.

The note appears to be a fake, as it was found in a field and not on a person.

FROZEN FISH NOT FRESH

Eggs are usually not fresh on Saturday. This was the case this week, as the eggs arrived at the market on Friday. The store owner said that the eggs were not fresh and that they would be disposed of as soon as possible.

COLLEGE DOING GOOD WORK

The college is doing a good job of promoting a healthy lifestyle among its students. The college has implemented several programs to encourage students to live a healthy lifestyle, including a weekly health seminar and a weekly workout challenge.

**PIELES! PIELES! PIELES! WILLIAM MAILER ON EQUITY

**

William Mailer is a name that you may not have heard of, but I am going to give you a little about him. He was born in Ohio in 1895 and died in 1972. He was an American poet, novelist, and playwright. Mailer was known for his controversial and often provocative works, which often dealt with themes of sexuality, politics, and violence. His most well-known works include the novel *The Naked and the Dead* and the essay *The White Negro*.

---

**DO YOU DREAD WINTER?**

If every man, woman and child in this vicinity would only take one spoonful of SCOTT'S EMULSION.

After meals for one month, it would put vigor in their blood to withstand the rigors of winter weather and prevent present colds.

SCOTT'S is a homeopathic medication of particular value in its direct effects in reducing in rheumatic blood, stronger, and general nourishment in the blood, which is an essential in the cure of SCOTT'S.

---

**YOU HAVE A SORE**.

WHY WASHING?

The why of washing is not entirely understood by many people, but it is widely accepted that washing clothes is important for personal hygiene and the prevention of disease.

Brake the Sink's Record

R. F. Byrd and a group of boys from

Tom Brown's Traction

are in the process of breaking the record for the longest time spent in the sink without drowning.

The number of people who have tried to break this record is small, and many have failed. However, the group is determined to succeed, and is training hard to ensure their success.

Military Training

Christian Training

For Military Camps

The need for trained military personnel is great, and many organizations are working to meet this need. The International Y. M. C. A. for Evangelistic services in the United States is one of these organizations.

As The Editor Sees It

Now that we have taken the first step, we must continue to work for a just solution of the problem. This will require the cooperation of all groups, and must be achieved through peaceful means.
