### CHAUTAUQUA SITE IS DECIDED UPON

Boyd Lot on West Depot Street is Selection--Is Convenient For Business Men

The Boyd lot, one square off Main street, one block south of the Court House, convenient to the business section, has been obtained for the Chautauqua for the year 1917. We think the committee should be congratulated on the selection of this lot, as it is close in to the center of the city and at the same time retired enough not to cause congestion on Main street, from automobiles and other vehicles, and has walks on both streets. Depot and Court streets are probably as well known streets as any in Marion, not only to residents but to our out of town people, hence the location will be easily found when people come to the Chautauqua.

Tornado Wrecks Houses.

Near McLeansboro.

McLeansboro, Ill., May 21.—A tornado hit this city this afternoon, doing several dollars damage. The path of the storm was from 300 to 500 feet wide. Houses and trees in this strip were leveled. No lives have been reported lost.

Questions as to the eligibility for military service will not be disposed of on the day of registration. All citizens whatever are urged to see that the registration is full and complete, and to assist the registrar and peace officers in the discharge of their duties.

Given under my hand as Sheriff of Crittenden County, at the Court House in Marion, Kentucky, this 21st day of May, 1917.

Dave Gilliland,  
Sheriff of Crittenden County.

### Government Needs 250,000 Head of Stock.

Washington May 18.—The government is in the market for 250,000 horses and mules for army service which will probably cost \$100,000,000. They will be used in addition to 4,000 motor trucks and automobiles. Boards of officers have been ordered to start on the animal purchase not later than June 1 at Fort Royal, Va., Kansas City; Fort Reno, Okla., and Fort Keogh, Mont.

Mr. Ogilvie Hamby of Norfolk, Va., Marine Corps, and Mr. Jess Olive, of Lexington, Ky., Signal Corps. Mr. James Howerton and Mr. James Byford of Madisonville, Ky. of the 3rd Ky. were visitors here during the past week.

Mr. W. T. Black of Fort Benjamin Harrison, Indianapolis, Ind., is expected in soon on a furlough.

### TO RAISE LIBERTY LOAN IN KY

Editors And Bankers Summoned to Conference at Lexington On Wednesday.

Lexington, May 19.—A meeting of all the editors and bankers in that part of Kentucky included in the Cleveland Federal Reserve District has been called by the Lexington Clearing House Association to be held at noon on Wednesday, May 23.

The purpose of the meeting will be to apportion to every county in the district its share of the seven million dollar Liberty Loan, and to effect an organization to secure the placing of Kentucky's proportion of this loan among the people.

Emphasis has been placed upon the importance of a widespread subscription among small investors to insure the prompt raising of funds for carrying the war to a successful conclusion, and to adequate equipment of American troops in the defense of their country. The meeting will be the most significant ever held in this State, and will be the first great gathering of a joint session of bankers and editors ever held there.

### Uncle Peter Stephens is Low-

Peter Stephens one of the county's best citizens has been prostrated at his home 4 miles east of town for some weeks. Wednesday morning, his son J. Alva Stephens and his physician Dr. Clement were hastily summoned. Mr. Stephens is an octogenarian past and has been a very active man. His friends fear the end is near.

### P. E. Shewmaker is dead.

P. E. Shewmaker died at 4 o'clock Friday morning at his home five miles north of the city. He was 86 years of age and had been an active man, engaged many years in farming and merchandising. Three children survive him. Wm. Shewmaker, Mrs. S. E. Marvel and Mrs. John Vaughan all of this county. The remains were laid to rest at Mt. Zion, Saturday, Rev. R. A. Barnes officiating.

### Dr. Threlkeld Visits in Livingston County.

Dr. J. D. Threlkeld was in Livingston County last week for a few days and returned much pleased with the condition of his fences. Many old friends met the Dr. and avowed their loyalty to him in his race for a seat in the lower branch of the Legislature. Dr. Threlkeld practiced in Salem for many years and it was like old times for him to set his foot on the hospitable soil of old Livingston. While he was in Smithland, Howard H. to an old friend walked to see him. "Just for old times."

### COL. ROBERTS IS IN CHICAGO

Is Taken North in the Hope That The Lake Breezes Will Help Him.

Kenneth Kimpton of Chicago who was here visiting his uncle Geo. P. Roberts while enroute home from the "Ky State College" which he attended the past year, left Friday for home going via Evansville to accompany his grand father Col. D. C. Roberts to the Kimpton home in Chicago for the summer.

The Colonel who has been in St. Mary's Hospital at Evansville for several months under the care of a trained nurse is recuperating some what slowly but from advices received here we learn that he stood the trip splendidly and is now comfortable, in his daughters home where he will receive not only every attention and kindness but will have the benefit of Chicago's delightful climate and lake breezes to build up his strength and health.

### Jottings by The Way.

(By Rev. James F. Price.)  
I have not seen a buggy or automobile since coming to the mountains. Mules are the principal public carriers. You ought to see me riding a mule over their mountains. I know you would want a kolak picture. I do not know which shows up the best, the mule or the pason. It may seem strange holding a meeting in the county seat to talk about appointments in the country, but when a man holds a meeting here he is expected to go up Cow Creek and Indian Creek and all the other creeks and hold services.

The mountaineer nearly always spends the night catching him for two reasons; first, it is a custom; secondly, mountain roads are many times one half creek and the other half steep mountain sides.

An old woman, not in any of the counties where I have been, was asked by her boy to go to a moonlight school. Her reply was, son, I don't know B from bull's foot, and I recend I hain't a keerin. Her husband, who is a preacher, says he is glad he never scraped his back against a college wall. This is a representation of old times in the mountains. Marvelous changes are taking place today. The young generation watche very new and ape his ways if they ad he is a brought on fellow any. They call whisky B results Fotch On. Yet I do in the thing like the Western Ky. of drinkin' saloon dis.

## AMERICA AND THE WORLD OF TOMORROW

Subject to be Discussed Here by Dr. Martin D. Hardin.

Lecture by One of Chicago's Best Known Pulpit Orators on the First Night of the Chautauqua.

"I am not a 'peace at any price' man," declares Dr. Martin D. Hardin, whose peace lecture concerning the titanic struggle in Europe was declared by William J. Bryan to be "the strongest speech delivered in America on the European situation."

Dr. Hardin will lecture at the Redpath Chautauqua on "America and the World of Tomorrow." Dr. Hardin heartily supports the president in his stand with Germany and believes that there is no hope of world peace until Germany is brought to her senses.

What part is America to play in the present world crisis? What policy is she to stand for after the war closes? Can there be a permanent world peace? Will America democratize Europe, or will Europe militarize America? What lessons has the world war to teach the great republic, and what

DR. MARTIN D. HARDIN.

has America to offer the world? These are the pertinent questions of the hour discussed by Dr. Hardin. You will love America more and be a better patriot for having heard this address.

Not long ago when Dr. Hardin was introduced to an audience in Minnesota a man sitting next to ex-Congressman J. Adam Bede whispered to the former wit of the house: "That can't be a peace preacher. Why, that fellow has got enough punch to be a prize fighter."

Possessed of strong body, Dr. Hardin is a man's man to the core. He is an ardent sportsman, is a crack shot and plays a good game of tennis. He delights in fishing and always spends some of his vacation time in the Wisconsin lake region. As a zoölogist Dr. Hardin is an expert. Indeed his record of eight better than birds on the Minnesota links is a record that a professional might be proud to claim. When in college Dr. Hardin was an all-star football man.

While a college student Dr. Hardin gave evidence of the fine oratorical powers which he possesses and which developed with experience, have won him today the acknowledgment of being one of the masters of public speaking. While in college in competition with the representatives of the entire south Dr. Hardin won the southern inter-collegiate oratorical contest. Dr. Hardin is a son-in-law of the late Vice President Adlai E. Stevenson.

A southerner by birth, Dr. Hardin is a man of northern experience, until recently holding the pastorate of one of the largest of Presbyterian churches in Chicago, resigning to enter the lecture field.

Because of his intensive study and extensive research and through his visits to practically all of the warring countries Dr. Hardin's advice has been much sought by others. He has been made chairman of the peace committee of the Federated Churches of Chicago.

For nine years he was in charge of the activities of the Third Presbyterian church in Chicago, with more than 1,000 members. He organized the West Side Sunday Night club and successfully was carried on that an average of 1,400 people were present each Sunday evening. Prior to his coming to Chicago he was pastor of the largest Presbyterian church in the southern assembly at Charlotte, N. C.

Educated in Edinburgh, Scotland, ripened by continental travel, Dr. Hardin brings to his subject the thoughtful efforts of a scholar's mind, the foundations of which are laid solidly on first hand information. Dr. Hardin has made several trips to Europe.

Dr. Hardin last year lectured on the topic "Civilization at the Crossroads," speaking to large audiences in 112 cities on one of the western Redpath circuits.

## Obituary.

Dear editor, the duty rests upon the writer at the present time, bears heavily upon our mind, as we attempt—at the request of bereaved ones—to report the death and give a brief history of the life of Sister Ina Newbell, wife of C. R. Newbell, and daughter of Sion B., and Annie Hunt.

How sad and painful is the task to attempt to picture in words the good traits of this noble hearted christian woman feeling duty bound as taught in God's word to "render unto all their just dues praise to whom praise is due, honor to whom honor is due."

Sister Newbell was born April 8th, 1881, professed hope in Christ in the fall of 1899. Was married to C. R. Newbell, Oct. 25, 1903. Sister Ina though just starting out in married life, had not forgotten how gracious the Lord had been in the pardon of her sins in the year of 1899; that removed the great burden from her heart; filling the same with joy; was moved in loved on Saturday before the second Sunday in Dec., 1904, to inform father and mother that she had fully decided to join the church at Pleasant Hill and obey the lord in baptism, then exerted her only sister, who was a professed, to join her in this duty, with such power did these earnest words fall upon brother's heart, he said, "I will go." The following day they were baptized, the sister having now taken up her cross with a heart full of love being so devoted soon developed—one of the essential gifts in the church by taking a place in the choir and at the organ, desirous to help make the music that crowns the worship of God. But on April 19, 1917, God called for this gift and for her spirit to come up higher, and that the body rest from the afflictions the sister had borne with great patience.

Sister Newbell had been afflicted for several years. Her physician thought an operation by a specialist was the only hope for recovery of health which proved fatal, conscious of the fact was the sister that was serious though performed by the most skilled physicians, still to her parents and friends as she wrote Evaville, "I may not return to my home for meet you on earth again, but want you to know I realize the lord is present and will take care of me."

With David, the sister could say, "The lord is very present help in time of trouble," Psalm 46:1 After the operation reviving from weak unconscious state by reason of hemorrhage, said to her husband "If I do not revive again tell the church and friends good-bye for me." We may sympathize, apply the words here, behold how she loved.

Sister Ina's body is sleeping free from pain, waiting the resurrection, the spirit has taken its flight to that who gave it, waiting the addition to wit the redemption of the body, then let the living sing with the poet: "O, think of the home over there, by the side of the river of life, where the saints all immortal, are resting in the r"

The torture of rheumatism, the pains and aches that make life unbearable are relieved by Sloan's Liniment, a clean clear liquid that is easy to apply and more effective than many plasters or ointments because it penetrates quickly without rubbing. For the many pains and aches following exposure, strains, sprains and muscle soreness, Sloan's Liniment is promptly effective. Always have a bottle handy for gout, lumbago, toothache, backache, stiff neck and all external pains. At all druggists, 25 cents.

## Austrian Underseas Craft Are Sunk.

Washington, May 23.—Advisers to the Italian embassy here say thirteen Austrian submarines have been sunk in the Adriatic by Italian patrols in the last few weeks.

The same dispatches, giving no date, say that, for the fourth time within a year, Italian destroyers have penetrated the fortified port of Durazzo, sinking four transports loaded with provisions and ammunition. The destroyers, commanded by Lieutenant Pagani and Berardinelli, returned unscathed.

These accomplishments, the dispatches say, not only prove the ability of the Italian navy to effectively patrol the Adriatic, but show its power to carry the war into Austrian strong holds. Other destroyers previously have penetrated the ports of Pola, Pirano and Parenza.

## FOOLING WITH HEALTH SERIOUS

I have frequently asked druggists "What do you push as a head medicine?" The answer usually came "The kind I can make the most money on." My answer has always been "none." I have succeeded pretty well and I have always recommended the one that I had found by experience to be the best and the one I would be willing to take myself or give to members of my own family. I have never offered the public a medicine that we do not use at home. This is why I can offer Number 49 For The Blood, with a clear conscience; we have not only tried it on thousands of others but on ourselves. We take it in all cases where a blood medicine is needed no matter in what form it shows itself and we get satisfactory results in constipation, kidney, stomach and liver troubles. I firmly believe if every one would begin in the spring and take 49 they would escape malarial and fevers in all forms. J. C. Penderhall, 49 years a druggist, Evansville, Ind., (505172) Sold J. H. Have you ever noticed how some houses always have a way of looking better and more attractive than any of the others near them? Analyze this difference, and many times you will find it is due to the fact that these houses are always kept well painted, and in harmonious colors. Upon further inquiry you will also find in a majority of the cases that the paint used is

Several from this community attended the dedication of the church at Creswell Sunday.

Quite a number went to Marion Monday.

Emerson Ethridge and family spent Saturday and Sunday the guests of Walter James and family.

Joe Hart, of Piney Creek, says if you want to hear him sing "Everybody Works But Father," come up. He is getting pretty good, and Friday, May 11th, was called "papa" for the first time, a boy.

A children's day services will be held at old Piney Fork camp ground at the regular day, second Sunday in June (10th) 1917. All who are interested in some cause bring the children and report name pieces to the committee, who will attend to the arrangements. Would like to have all the children to be in this Children's Day. The committees are as follows: Mesdames Mary L. Bradley, Effie Gass, Linn A. dress and Birdie Travis. They will be at Sunday school Sunday evening at three o'clock, and will take the names of all who can and will help in these services.

Nube Ethridge and sisters, Misses Sallie and Lena, spent Saturday night and Sunday the guests of Niek Murry of Frog Hollow, and went to Creswell Sunday.—Snow Drop.

## LINIMENT

### Our President.

By Cora E. Clift.

What a great and grave responsibility that rests upon our President, and he should be directed by God and Him only, in his every movement, regardless of what this nation or any other thinks or says of him. President Wilson should not seek to please himself or the people, but his heavenly Father on high.

In many ways our President has done some noble acts, and one of them was punishing some black hearted villains of California who were White Slave Men, and had said that their wealth and high place in society would obtain for them their release, but thanks to our President who is a man and not a villain, and considers women as human beings, and that they should be protected, and he put those vile things who had disgraced the name of man by their vice, where they should be, and where I sincerely hope all others like them will be put sooner or later.

### FOR JAILER

We are authorized to announce WILL B. JAMES as a candidate for Jailer of Crittenden county, subject to the action of the Republican primary Aug. 4th 1917.

We are authorized to announce ALEX JONES as a candidate for Jailer of Crittenden county, subject to the action of the Democratic party.

We are authorized to announce THOMAS B. KEMP as a candidate for Jailer of Crittenden county, subject to the action of the Democratic party.

We are authorized to announce J. O. TABOR as a candidate for Jailer of Crittenden county, subject to the action of the Republican primary August 4th, 1917.

### FOR COUNTY COURT CLERK

CLARENCE G. THOMPSON, candidate for COUNTY COURT CLERK will greatly appreciate your vote and influence Republican primary August 4th, 1917.

### FOR STATE SENATOR

bread.

Like all other women I am against war as long as there is any chance to keep out of it, for the true cause of war is sin, and nothing else, some say that it is rightous, but can they prove it by the life of Jesus Christ of his precious word.

Nothing can describe the awfulness of sin, it has broken hearts and homes, and made peaceful nations, nations of conflict. If the reports of Germany is true, it looks like they certainly need punishing, but if we will only trust it all to God and let his will be done and not ours, he will avenge our wrongs, so why need we try to do this ourselves when our precious Lord said, "Vengeance is mine, and I will repay."

I often ask myself this question, why did Congress and the people raise such a cry over some of our ships being sunk, and a number of lives lost, when every year there are over sixty thousand women and girls die behind barred doors of white slave houses, and are buried in unmarked graves, and are never heard of again, why do not men raise a cry for a chance to avenge the wrongs of those poor souls, because there is not more than one man in a thousand who is against white slavery.

If our President was to try to get men to help him fight and abolish this, the vilest crime of all crimes, why Congress would no doubt send out the report that he had suddenly become insane, and have him placed in some lunatic asylum, if it was in their power to do so.

Oh how wicked this old world has become, and the people have wandered so far away from God, that perhaps he must by severe means bring them back to him. The people of the United States have been blessed with prosperity, and amid their overflowing abundance they have failed to think unto the pover.

Let us who are christians pray that God may direct our President in all his movements, and that God may strengthen his heart, and help him to stand for the right above all things, and that he may seek to do God's will and no other.

### DEATHS

The Amarillo Daily News of  
Friday, May 11th., had this to  
say of the death of John Louis  
James who was instantly killed  
while at work at the grocery  
store Thursday May 10th.

In turning on the current for  
an electric light in the rear of  
the grocery establishment of J.  
H. Harris and Sons at 705 Tenth  
Street at 7 o'clock Thursday  
morning, John L. James, aged  
35, living at 1010 Taylor street,  
was electrocuted and died in-  
stantly. Efforts to resuscitate  
the man proved unavailable.

Surviving the deceased are his  
wife and three children, also a  
father, mother and brothers re-  
siding in Kentucky. The body  
was taken in charge by N. S.  
Cigga and prepared for burial.

Funeral arrangements have not  
been made, pending further in-  
formation from the man's par-  
ents in Kentucky.

According to information given  
out at the grocery store James  
was preparing to make a delivery  
with his automobile and finding  
the rain had placed the streets  
in a very muddy and slippery  
condition decided to put on the  
mud chains. It was in order to  
see what he was doing, that he  
walked into the rear of the store  
and essayed to turn on the switch  
for illumination. In some way,  
it is believed, a short circuit was  
made, James receiving a strong  
current through his body. One  
of his hands was severely burned  
the wound being deep.

Frank James a brother of the  
dead man who went to Amarillo  
as soon as he got the word  
to his parents Mr. and Mrs. W.  
L. James telling of the kindness  
of the people and of the many  
floral offerings and of the beau-  
tiful spot where he was buried.  
Frank says he does not know  
when he will return and that he  
will see after his brothers or-  
phanas and that they are comfort-  
able before he does return.

They may come here for a  
visit this spring or summer.

### BAKER

On Wednesday morning, May 16th,  
Eli King and Miss Kitty Chandler  
drove to Marion and were married  
at the home of Rev. U. G. Hughes by  
Rev. R. A. Barnes. The bride is an  
attractive young lady of this section  
and has many friends. The groom is  
a son of G. H. King.

Mrs. B. B. Nelson spent a few days  
last week in Sullivan the guest of  
relatives.

Odus Phillips and family, of near  
Blackford, spent Saturday and Sunday  
with his mother, Mrs. Malissa Phillips.

Jim Robinson and family spent Sun-  
day with G. H. King and family.

Curt O'Neal and family were in Marion  
Saturday shopping.

F. M. Brightman spent Saturday  
and Sunday with Walter Brightman  
and family.

Mrs. Armstrong left Saturday for  
Providence after spending the winter  
with her daughter, L. E. Cowen.

Miss Ellen Hazel, of Blackford, spent  
last week with her sister, Mrs. J. T.  
Phillips.

Sedrick Travis was the guest of  
Boyd and Beauford Cowen Saturday  
night.

Sunday school here every Sunday  
evening at three o'clock.

### FORD'S FERRY

Your correspondent was recently  
conversing with a highly skilled tele-  
graph operator of the Illinois Central  
railroad, who expressed a number  
of his opinions in regard to some of  
the roads which have been serving  
the people of the United States during  
the recent years. The operator was very

enthusiastic in his praise of the splen-  
did efficiency and up-to-date methods  
of the great organization under which  
he is working at the present time.  
He confidently asserted that the Illi-  
nois Central was more highly organi-  
zed and better equipped than the L. &  
N., notwithstanding the fact that the  
actual mileage of the latter railroad is  
somewhat larger than that of the L. C.

Luther Clift went to Marion Friday.  
The American Agriculture Depart-  
ment is most insistently urging our  
farmers to cultivate all of their avail-  
able land and raise all the food that is  
possible during the present year. If  
the instructions of the Department are  
heeded in the right manner it is likely  
that the present year will witness  
bumper crops of corn and potatoes.  
Such crops would greatly relieve the  
food shortage which is now threaten-  
ing the world. The replenishment of  
the food supply, however, is not the  
only benefit which would occur from  
an uncommonly large American crop;  
it would go a long way toward helping  
the allies to achieve a complete, last-  
ing victory over the foe.

Sam Beard, of the Sulphur Springs  
neighborhood, has recently been visit-  
ing friends in this vicinity.

Little Eugene Watson, of Carroll, is  
at present visiting his grandparents,  
Mr. and Mrs. E. N. Wolford.

### SEVEN SPRINGS

The church at Seven Springs had  
ordination services Sunday, ordaining  
deacons, M. L. Patton, Clarence As-  
bridge and Ernest Campbell. Rev. R.  
A. Barnes, of Marion, preached the  
sermon to the delight of the hearers,  
using a part of two passages of scrip-  
ture, 1st, Timothy 3rd chapter; Act  
of the Apostles. Bro. Barnes preach-  
ed a fine sermon and tried very fore-  
ably to impress upon the newly elected  
deacons their duty toward their church  
and community.

Sunday school is progressing nicely  
under the direction of Bro. Ernest  
Campbell, superintendent.

Aunt Becky Crouch has been suffer-  
ing with rheumatism.

Madie McKinney died at her home in  
this vicinity Saturday, May 19th, after  
a short illness. She was the youngest  
daughter of Mr. and Mrs. Tom Mc-  
Kinney. Her remains were interred  
at the A-bridge graveyard on Sunday.  
The bereaved parents have our sym-  
pathy in this sad hour.

Mrs. J. C. Kinsolving, of Emmaus,  
visited her mother here Sunday.

Tom McNelly, of near Marion, was  
in this vicinity a few days ago.

Tom Davenport, a good deacon of  
Emmaus church, assisted us in the  
ordination service at this place Sunday.

Rev. Canningham, of Princeton, filled  
his regular appointment here Sat-  
urday and Sunday, and while here was  
the guest of M. L. Patton and family  
and Billie Campbell and Ernest Camp-  
bell and wife.

Roy Campbell was in Marion last  
week.

What shall it profit a man if he shall  
gain the whole world and lose his own  
soul; or what will a man give in ex-  
change for his soul.

### GLENDALE

Miss Ruth Enoch spent the past two  
weeks with her brother, Lee, and wife,

of Rosiclare, Ill. They having moved  
there because of the mining interest.

J. F. White in addition to superin-  
tending the Rosiclare mines, is also  
"the boss" at the Corn mines.

Jim Wiggins is very ill at the home  
of his daughter-in-law, Mrs. Clara  
Clark Wiggins, who resides on the  
Hodges farm owned now by  
John Boyd.

Rev. Martin pastor of Deer Creek  
church, was the guest of Wm. Harry  
Saturday night.

C. J. Thomas is the most interested  
in the life of any of our young men at  
present. His favorite fish is the Min-  
now, and the most desirable neighbor-  
hood is Caney Park.

Mr. and Mrs. L. single Clark motored  
to Marion Sunday and spent the day.

Mrs. Mary Thomas who has been un-  
der the care of Dr. Perry, of Marion,  
is much improved.

We understand that Edging Jones  
will teach our school next term.

Miss Sue Moore has returned from  
Marion, the school at that place hav-  
ing closed last week.

C. E. Donkey, wife and daughters,  
Misses Mary, Johnson and Celia, were  
guests of G. P. Griffith and family  
Sunday, May 13th.

Joe Clark, of Rosiclare, spent Sun-  
day in this neighborhood.

Miss May Belle Minner who lives  
with her aunt, Mrs. Sue Yates, at  
E. Griffith's, visited Miss Stella Stal-  
ion near Liberty Grove recently.

### Spring Cold; Are Dangerous

Sudden changes of temperature and  
underwear brings spring colds with  
stuffed up head, sore throat and gen-  
eral cold symptoms. A dose of Dr.  
King's New Discovery is sure relief.  
This happy combination of antiseptic  
balsams cleans the head, soothes the  
irritated membranes and what might  
have been a lingering cold is broken  
up. Don't stop treatment when relief  
is first felt as a half cured cold is dan-  
gerous. Take Dr. King's New Discov-  
ery till your cold is gone.

### Kavanaugh Camp!!!

Do you want to know what Kava-  
naugh Camp is? Let me tell  
a most interesting fact. This sum-  
mer, for one whole week, July 30  
August 6, here is to be a Young  
People's Conference at Kava-  
naugh Camp, Cravenswood Ky.  
Did you ever go camping? Then  
without doubt this camp will ap-  
pear to you, for it gives one an  
opportunity for a most pleasant  
education and inspiration. Last  
summer fifty Kentucky girls at-  
tended this camp, besides a num-  
ber of boys and grown people.  
Did a girl in your community go?  
If so ask her to tell you about one  
of the happiest times she ever  
had. If not, watch for articles  
that will tell more about this week  
go camp at Kavanaugh.

### Why Should Our Boys Worry

The French soldier doesn't  
worry. He has figured it out and  
has learned that war isn't help-  
ful in any situation. Here  
is his formula:

"Of two things one is certain  
either you are mobilized or you  
are not mobilized. If you are not  
mobilized, of two things one is  
certain either you are behind the  
lines or you are on the front. If  
you are behind the lines there is  
no need to worry. If you're on  
the front, of two things one is  
certain, either you are resting in  
a safe place or you're exposed to  
danger. If you're resting in a  
safe place there is no need to  
worry; if you're exposed to dan-  
ger, of two things one is certain,  
either you are wounded or you're  
not wounded. If you're not  
wounded there is no need to  
worry. If you're wounded one  
of two things certain, either  
you're wounded seriously or  
you're wounded slightly. If  
you're wounded slightly there is  
no need to worry. If you're  
wounded seriously, of two things  
one is certain, either you recover  
or you die. If you recover there  
is no need to worry, if you die  
you can't worry.

# To The FARMERS of Crittenden County

The President has issued a call for more food, the destiny of the country lies with the American Farmer, and his ability to produce. What have you done towards increasing your food production? What have you done towards decreasing your feed bills?

## The SILO is The Only Way You Can Save From 25 to 40 Percent of Your Feed Bills Then Why Not Plan For A Silo at Once?

The Railroad Service is almost a thing of the past, last week the government bought 3 billion feet of lumber which will keep us from getting 50 percent of the lumber purchased, so we are going to offer you, the farmers of Crittenden for the next 30 days a chance to get a silo at a saving from \$50 to \$75 over some other makes of silo.

Read these prices carefully, and see or write me at once, for our supply is very limited.

10X20 1 pc. stave \$125	10X24 1 pc stave \$150	10X26 2 pc stave \$150	12X24 1 pc stave \$175	12X26 2 pc stave \$175
12X28 2 pc stave \$190	12X30 2 pc stave \$210	14X24 1 pc stave \$200	14X26 2 pc stave \$200	14X28 2 pc stave \$218
14X30 2 pc stave \$230	14X32 2 pc stave \$243	14X36 2 pc stave \$270.		

All of the above prices include the famous KING CORN DOOR FRAME, the one which was made famous by the John Deere Plow Co., a better silo cannot be built, so why pay more for a silo when it isn't as good. Better phone, write or see me at once, for as mentioned our supply is very limited, and while prices are right.

## MARRIAGES

From the "Nickerson Kansas Argosy" we clip the following:  
STARK-JOHNSON.

"On Wednesday afternoon of last week, May 2nd, occurred a happy home wedding, when Miss Ruth Stark, daughter of Mrs. Jesse Blaine, became the bride of Mr. Hyce G. Johnson, Rev. L. E. McNeil spoke the sacred words which bound together for life these happy young people. The ceremony took place at the bride's home. The news of the marriage was not known till the first of the week, and all day Monday Bro. Johnson was kept busy receiving congratulations.

Mrs. Johnson is well and favorably known by a large circle of intimate friends, having lived in Nickerson a number of years, all of whom wish her a long and happy wedded life.

Mr. Johnson is the night telegraph operator at the Santa Fe depot, and has unusual ability, and a promising future.

For both, the Argosy extends its best wishes."

The groom is no other than Grandson Johnson, son of Mr. and Mrs. J. Will Johnson just east of the city limits. He was born and reared here and is related to many of our best people. He went west several years ago and has prospered since going and stands well in railroad and telegraph circles.

When Mr. Johnson brings his bonny bride to the "old Kentucky home" they will be given a hearty welcome.

## Heavy Advance in Subscriptions.

We received the following letter from the Evansville Courier people:

Gentlemen:  
We beg to call your attention to the fact that on and after June 1st the price of the Courier by mail will be \$5.00 for the daily and \$7.50 for the daily and Sunday. In advertising your rates, be careful to make this change.

If you care to, you may make a drive on the clubbing combination at the present rates up to June 1st and this would stimulate your circulation as a great many people will want to subscribe before the rates advance.

We are compelled to make this increase and charge the same rates for the Courier by mail as we do by carrier on account of the enormous burden that will be placed upon the newspaper under the taxation bill.

Very truly yours,  
The Evansville Courier

Good For Owensboro. Calhoun Road Builders Want 200 Teams Martin and Martin, road contractors who have a farm in

Knight township, yesterday advertised in The Courier for 200 teams and men. They have a large road job in Kentucky, building a gravel road from Owensboro to Calhoun, a distance of 40 miles.

More than 200 teams are already engaged on the work. Extra forces of men and teams are wanted to finish up the work for fear that the state highway board might issue a request that all road work be halted for the present in order that the teams and men should not be taken from the farms. The Indian commissioners have already issued such a request.

Work on the road is expected to be finished by Oct. 1. The road will cost about \$500,000 —

### MARION TESTIMONY

Home Proof, Here, There and Everywhere.

When you see Dean's Kidney Pills recommended in this paper you must always find the recommender a Marion resident. It's the same everywhere—in 3,800 towns in the U. S. Forty thousand people publicly thank Dean's. What other kidney remedy can give this proof of merit, honesty and truth? Home testimony must be true or it could be published here. Read this Marion recommendation. Then insist on having Dean's. You will know what you are getting.

H. D. Daniel, painter, E. Dept. St., Marion, says: "I have used Dean's Kidney Pills off and on for years, which I got at Haynes & Taylor's drug store and they done me a great deal of good. Whenever my back has been weak, lame or aching, I have used a box of Dean's Kidney Pills and they have always cured the attack."

Price 50 cents all dealers. Don't simply ask for a kidney remedy—get Dean's Kidney Pills—the same that Mr. Daniel uses. Foster-McBarnes Co., Troy, N. Y.

### No Alarm But a Warning

(Courier-Journal)

Secretary Lane's statement to the Governors that the war may last several years; that the existence of England and France is threatened, and that the United States has ahead a task which may be long and hard, is not alarming because it is not, to informed persons, surprising. It is a warning which should be scattered broadcast so that it will reach every American home and be read by every American.

The comfortable idea that the war will end this year is based upon hope rather than upon any real knowledge of Germany's remaining fighting power. It will be recalled that in 1914 the prevalent view in London was that the war would last only a few

months. Its gravity was perhaps more thoroughly appreciated in France.

Everyone hears it said every day that the United States doubtless will drill an army that will not be used in France; that the Germans cannot hold out much longer; that America will have the honor of having participated in the war for freedom, but will not bear the brunt of it. If any one in Germany knows how long the war will last, nobody outside of Germany knows. The United States may have to take part in two or three years of war, upon the European battlefronts. The Germans did not start this without going thoroughly into the question of how long they should wage it. They have shown strength in proportion to wealth and population, unequalled in the history of the world. There has been so far a marvelous achievement, an amazing illustration of efficiency. Their disregard of all moral restraints has so alienated sympathy from them that persons would believe that right must prevail against conscienceless might are prone to predict an early collapse of Germany without having anything but hope with which to bolster their prophecy.

That Germany cannot defeat the world seems self-evident, but the Germans may succeed in doing a great deal more damage before they are suppressed, and the United States should prepare as if there were no doubt of our having to fight a three years' war, and, in the meantime, feed our allies upon the other side of an ocean infested with submarines.

### Rail Way Equipment.

Washington, May, 23.—Negotiations looking to purchase of more than \$100,000,000 worth of railway locomotives, cars, rails and other equipment in the United States will be one of the main purposes of the Italian war commission which is expected to reach this country in about three weeks, it was learned today. A large part of the \$100,000,000 already loaned by the United States to the Italian government also is likely to be spent for railroad materials and orders probably will be placed during the Italian Commission's stay here.

## With the Mother Goose Lady In Story Book Land

CONSCIOUS of the universal appeal of pageantry, the Redpath Chautauques are to present this season a spectacular fantasy, a "Mother Goose Festival," in which local children will participate.

Dear old Mother Goose! The mystic magic worker of childhood! The imagination tonic of maturity! The joy memory of age!

The days of preparation for the spectacle in each city instead of being irksome are gala times for the little folks under the direction of the playground worker.

Designers have produced an adequate number of costumes which are at once correct, colorful and fantastic, and a unique setting has also been constructed.

"With the Mother Goose Lady In Story Book Land" is a rhythmic, fanciful narrative, introducing the children's favorite Mother Goose stories, characters and legends.

The time—Childhood. The place—The Border of Dreamland.

The evening shades have fallen. The night has come. The children, scampering backward, pause but a moment to bid all "Good night!" As eyelids droop the silvery caravan "Sleep" casts anchor, takes on its precious cargo and sails away to the "Land of Dreams."

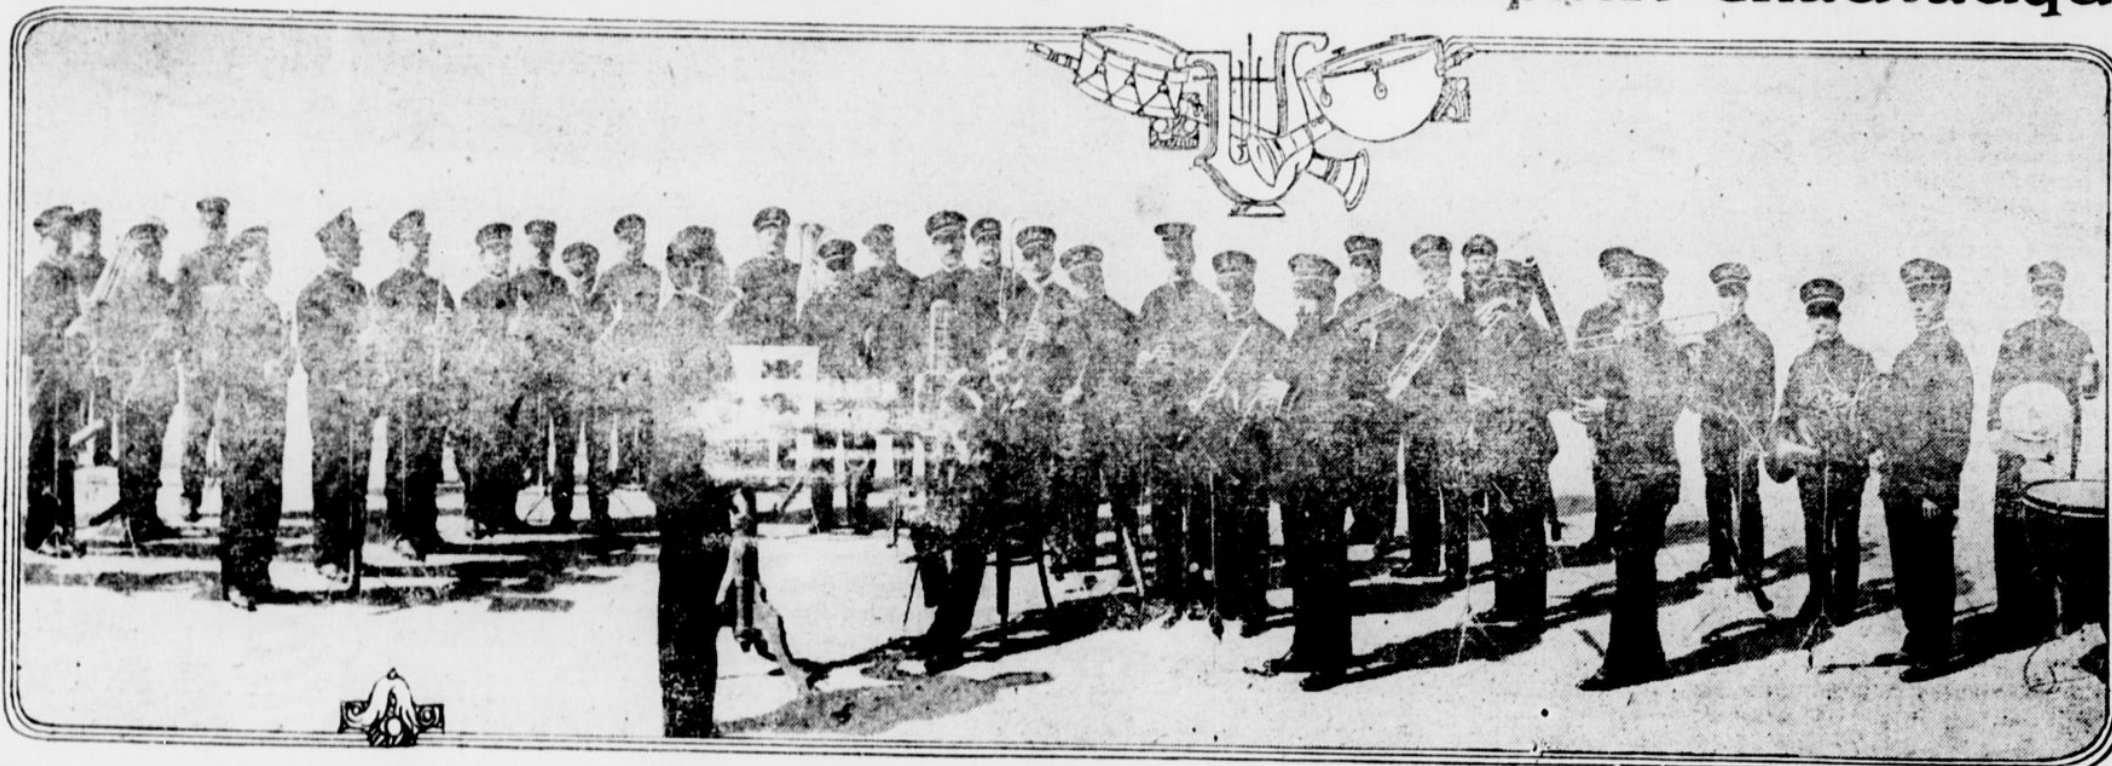

Now comes the Queen of Night, with her troops of fairies frolicking, singing, skipping and playing, until a myriad of Brownies and Kewpies finally succeed in opening the big Mother Goose book. Presto! Out of its mystic leaves ambles the quaint, peak hatted dame, followed by her scores of children, tripping gayly to the tune of Mother Goose music.

In turn comes the Ride to Banbury Cross, the wonderful Blackbird Pie, Jack and Jill, Little Bo Peep, King Cole, Little Boy Blue, Cinderella, Jack Horner, Miss Muffet, Tom the Piper's Son, with many others and through every colorful scene the scolding, laughing, quaint but kindly old witch holds high carnival with her rollicking brood.

The spectacle is offered in the hope of centering community interest, of fostering and encouraging supervised play, of making vivid to the children these imaginative but time tried and meritorious fictions and of diverting for an hour at least, the minds of busy grownups from daily care to fanciful fields of beauty.

# The Great Creatore and His Band Will Be Here On the Seventh Day of the Redpath Chautauqua

SINCE the days when we followed our first circus parade, to the pulse-stirring strains of the uniformed band sitting aloft in their guided, palatial wagon drawn by prancing horses, we have never quite lost the magic thrill which always returns when we hear the rousing strains of a good band.

Creatore is one of the greatest band leaders our country has ever known. When the well-known Italian leader first came to this country he was a veritable sensation. Dramatic, picturesque in his directing, and cyclonic in his intensity and a revelation of musical energy, he was a marvel of emotional possibilities. He quickly be-

came the rage. Creatore's genius lay, not only in his singular ability to impart to his men the contagion of his vivid emotions, but also in his unusual mastery of instrumentation.

From the shrill call of the cornet to the thunderous roar of the kettledrums every instrument is in perfect harmony. Some one has rightly styled the result

as a "Sublime Festival of Harmony." Classic and popular music alike bring thrills of delight to every hearer. The program is sufficiently varied to please the diversified tastes of the great crowds which turn out to hear this celebrated leader. Before the climax the audience reaches a high pitch of enthusiasm.

"At the end of one of his concerts," says the Boston Globe, "the audience refused to disperse and, after Creatore had been called out a half dozen times, he got his band together and repeated 'The Star Spangled Banner' with an accompaniment of musical fireworks that sent everybody home in an exalted state of mental elation." Creatore's

appearance at the Panama Exposition proved a similar sensation.

Creatore and his band come here on the seventh day of the big Redpath Chautauqua program.

Creatore will direct his band only at the evening performance. The concert of the afternoon will be led by the assistant director.

### Jottings by The Way.

(Rev. James F. Price.)  
I think in my last communication I wrote about the numerous plant beds for tobacco in the burley district from 100 to 300 feet long. I saw one that extended entirely across a ten or

two five acre field that must have been 800 or 900 feet long.

You ought to see the effort the mountaineers are making for a crop this year. Every hill side not in grass, is in cultivation. They cultivate hill sides as steep as any you ever saw in Crittenden county, and cultivate them to the top. They cultivate hills so steep that I do not see how men or horse can stand on them. They make fine corn on these hillsides. Our county would think such land meant starvation, but they are not starving. To think of dinners with plenty of ham, chicken and fish, potatoes, cabbage, beans and peas, eggs, two to three kinds of salads, corn bread and luscious coffee, milk and butter—that does not look like starvation.

Such as this ought to stimulate to the people of our county to make a greater effort.

Their customs are peculiar. In speaking to you nearly everybody says "nowdy."

I have had a little vision of the mountain factions. They had it here the first Saturday in May over the trustee election. Blood was hot and feelings ran high, but there were no casualties.

The right kind of meetings are difficult to hold. There are two extremes—the Hilly Rollers and the extreme formalists. Both sides have their adherents and it is difficult to get the people in the towns to see that there is any medium. In the rural districts the people are very responsive to the gospel and conditions are different.

### Admiral Peary's Snow Baby

Is To Wed Son Of Justice

Washington, May 23.—Announcement of the engagement of Rear Admiral Peary's daughter, Marie Anighito, to Edward Stafford, son of Justice Stafford, of the supreme court of the District of Columbia, was made here.

Miss Peary was born far north in the Arctic on one of her father's exploration trips, at a point where no other white child ever had been, and was named Anighito, meaning snow baby.

## GRANDMA JOINS CHILDREN'S PLAY

She Used to Be Cross Before Tanlac Cheered Her Up.

CAN WALK UP STAIRS NOW

"My daughters and grandchildren think I'm a different woman. I am. I even get down on the floor and romp with the little ones. A short time ago I was so cross I wasn't company for anyone."

This is the tribute that Mrs. H. E. Hill, 3551 West 63rd St., Cleveland paid to Tanlac.

"There was a time when I couldn't walk up to the corner store without fear I wouldn't be able to get back

MRS. H. E. HILL.

alone," she said. "But that time has passed—thanks to Tanlac. I was run-down for years and couldn't do my housework. I had to leave most of the work to my two daughters. Last winter was the worst and I was told that unless I got better I would not have long to live."

Lived in Damp Quarters.

"Our house, too, might have made my condition worse. For it was on low ground and was a trifle damp. That made me worse. Before taking Tanlac I couldn't walk up, and down the stairs. I had to sleep downstairs. I can get up without any help now."

"My back used to hurt me so bad that I couldn't stoop over. Now I can get down and mop the floors."

Was All Run Down.

"My stomach gave me no end of trouble. No matter what I ate, gas formed and I had a heavy, bloated feeling. I was nervous, and even the noise made by my two little grandchildren in their play annoyed me."

"I surely am thankful for what Tanlac has done for me. And I feel so happy over it that I have already told several friends about the results it brings."

### Four Chicago Newspapers

To Advance Price May 24.

Chicago, Ill., May 23.—At least four Chicago newspapers will announce an increase in their retail price from 1 cent to 2 cents May 24. The Chicago Examiner today published a notice to that effect. The Herald, another morning newspaper, made a similar announcement Monday. The Daily News has made no public announcement, but has notified circulators and dealers its price will be increased.

The Chicago American announced the advance today. This move is declared, was decided upon by the newspapers in dependence on account of the greatly increased cost of production.

Hinton's home is at Wheatcroft. He is now in a Cairo hospital.

### KENTUCKY, ATTENTION!

"There is no greater patriot—not even the soldier on the battlefield—than the man who battles with the stubborn soil and makes it yield for the support of the nation." We have in Kentucky a power of dominion in our resources that will make the power that comes with strategy, brute force and armament insignificant. If we know what we have and use it wisely, we will make others dependent upon us.

The stomach is the center of the body from which radiates our vitality, strenuousness, our fighting strength. A healthy stomach turns the food we eat into nourishment for the blood stream and the nerves. Dr. Pierce's Golden Medical Discovery refreshes and tones up the stomach walls. Removes the poisonous gases from the system.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the liver, bowels and kidneys.

Get Dr. Pierce's Golden Medical Discovery today at any medicine dealer's; it is a powerful blood purifier and tonic. Depend upon this grand remedy to give you the kind of blood that makes the skin clear, the mind alert, the vision clearer and puts ambition and energy into the entire body. Contains neither alcohol nor narcotics. Its ingredients are made public and printed on wrapper. It's a pure alternative extract made with glycerine from native roots and herbs.

Sold by medicine dealers in liquid or tablet form, or send 50 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for a trial box of tablets.

## Unique Memorial Completed

Mary Baker Eddy Memorial, Mt. Auburn Cemetery, Cambridge, Mass.

The beautiful memorial to Mary Baker Eddy, the Discoverer and Founder of Christian Science, has been turned over to The Christian Science Board of Directors by Elbert S. Barlow of New York City who held the contract for its construction.

The memorial, which is at Mt. Auburn cemetery, Cambridge, Mass., has required over a year and a half to complete. The fund for its construction, amounting to over \$150,000, was first announced by the directors in June, 1911, and was some time ago fully subscribed. These contributions have been made as expressions of sentiment by Christian Scientists throughout the world.

The site on which the memorial is located is not only one of great natural beauty, but on account of its grade has rendered possible a more picturesque and interesting treatment architecturally than would be possible on a perfect level lot. The plot, which is approximately 80 feet square, slopes gradually from the level of the roadway to the lake with a drop of about ten feet. The memorial consists of a circular open colonnade of eight columns, resting upon a stylobate of three steps, surrounded on the front by a circular platform slightly above the natural grade, from which platform a double flight of steps leads

to a lower platform at the lake's edge. The scheme has no prototype and is merely a screen of columns open to the sky, inclosing a flower-grown circle.

The material used for the memorial is Bethel white granite, the inscription in the frieze and upon the top of the pylons being of white bronze set deep into the stone work. The detail, which on account of the size of the reproduction is only indicated, is entirely floral in form and free in treatment, the wild rose and the morning glory being used as the main motives. It is interesting architecturally to note that while it is extremely free in treatment and not at all conventional, it is generally very classic in feeling.

The extreme width of the memorial is about fifty feet, and the colonnade is eighteen feet in diameter. The columns themselves are fifteen feet in height and are similar in general character to those in the Cleopatra of Andronicus of Cyrrhus. The large pylons were exhibited at the American Institute of Architecture in New York a short time ago and experts pronounced them the finest pieces of carved granite ever executed. The architect is Egerton Swartwout of New York City who designed the new George Washington Memorial, the new Missouri state capitol and the new Federal building in Denver.
