U. S. NAVY RE- CRUITING STATION

412 South 4th, St., Louisville, Ky
Release for Publication in First
Issue After June 24, 1918.

With nearly every branch of the service open, the U. S. Navy Recruiting Station, 412 South Fourth street, Louisville, is asking an appeal for more recruits. Nearly three thousand men joined from Kentucky during the last two months, but more are needed at once for active service on the high seas.

"The local draft boards have now received instructions to release men registered on June 5th, 1918, for service in the navy," said Lieut. H. H. Teach, the recruiting officer for Kentucky. "The War Department bulletin number one thirty five covers this point, and we hope that the young registrants will consider joining the naval forces.

We can promise them service in a branch for which they are fitted by education and training.

Nearly ever trade is open, automobile mechanics, truck drivers, stenographers, and painters, are among the many needed. All questions regarding the service will be gladly answered by mail or in person at our main office at Louisville or at any of the sub-stations at Ashland, Covington, Lexington, Bowling Green, Owensboro, or Paducah."

CIRCUIT COURT IN SESSION

June Term Opened Monday With
Judge Carl Henderson On
Bench.

The June term of the Crittenden Circuit Court opened Monday with Judge Carl Henderson on the bench and Commonwealth Attorney Ferguson present and representing the commonwealth.

The docket is short and as is usual with the summer term, court will not be extended many days, but as farmers are busy, the Judge will not detain the jury any longer than is absolutely necessary. There are no cases of great importance on the docket. J. G. Gilbert, who was indicted for false swearing, was tried and the jury hung—eight for acquittal, so we are informed.

Attorneys John C. Gates, of Princeton, and B. N. Gordon, of Madisonville, are in attendance at court this week.

The grand jury is composed of the following: Herbert Morris, foreman; Luther Miller, Felix Cox, Sidney Dupuy, James Terry, Guy Lamb, Will Woodall, Harry Vaughn, Fred Brown, Walter Worley, Joel Farmer, James B. Farmer.

The petit jurors are: R. W. Vanhoosier, T. T. Jones, W. P. Alexander, C. G. Thompson, Jeff Chandler, Hayes Easley, A. H. Belt, Joe Croft, C. W. Love, Calvin Hunt, J. C. Carlton, Chas. Clark, J. L. Stewart, J. E. Sullenger, S. O. Tosh, E. R. Taaylor, C. W. Haynes, J. C. Bourland, John Bell.

Dr. Frank W. Gunsaulus to Lecture at Chautauqua Here on "The World War and America"

DR. FRANK W. GUNSAULUS.

Dr. Frank W. Gunsaulus, president of Armour Institute and pastor of Central Church, Chicago, often referred to as "The world's greatest preacher," will speak on "The World War and America" on the seventh afternoon of the Redpath Chautauqua program. Dr. Gunsaulus has traveled in practically all the countries engaged in this war and is well acquainted with European history down to date. As an orator he has few equals. His coming to lecture in any community is an event in that community's life. He is too well known throughout America to require extensive description or comment here.

Fourth Liberty Loan

To Be For Six Billion

Washington, June 24.—A statement issued by Secretary McAdoo indicates the fourth Liberty loan will be for at least

six billion dollars; and likely to be floated in October. A certificate of indebtedness of that amount will be issued in the next four months.

President Wilson's Letter

The following notable letter was written by President Wilson from the White House under date of Dec. 14th, 1917, to the president of the International Lyceum and Chautauqua Association:

"It has been on my mind for some time to thank your organization for the very real help it has given to America in the struggle that is concerned with every fundamental element of national life. Your speakers, going from community to community, meeting people in the friendly spirit engendered by years of intimate and understanding contact, have been effective messengers for the delivery and interpretation of democracy's meanings and imperative needs. The work that the Chautauqua is doing has not lost importance because of war, but rather has gained new opportunities for service.

Let me express the hope that you will let no discouragement weaken your activities, and the people will not fail in the support of a patriotic institution that may be said to be an integral part of the national defense.

Cordially and sincerely yours,
WOODROW WILSON.

200 Barrels Of Excess

Mayfield, Ky., June 18.—Two hundred barrels of flour have been reported here by owners, to the county food administrator thus far. This figure represents flour on hand that is in excess of what consumers should have.

The greatest amount of flour found in any one home was 800 pounds.

REDPATH TENT UP ---TREAT IN STORE

Marion Has Pleasure of Great
Attraction, Which Closes
Tuesday Night Next.

The Marion Redpath seven-day Chautauqua opened Tuesday afternoon in the auditorium tent on the Cort Pierce lot on Ford's Ferry street with a program which was a pleasing introduction to the big week of inspiration and entertainment which is now inaugurated.

The native Croatian Tamburica orchestra was the opening number, and never was Redpath Chautauqua week opened with more stirring music. A feature of the program was the tamburica music, them burica being the musical instrument of Croatia. It has been known to the people of the western world only a comparatively short time. Tamburicas large, small and medium-sized were used. The player all appeared in native costumes which were bright and novel in effect.

At night Lou J. Beauchamp, who is known the country over as the "Humorous Philosopher," gave his lecture, "The Sunny Side of Life." This is a lecture full of humor and wisdom and it abounds with great quantity and rare quality. Mr. Beauchamp has seen much of life and talks from a world of experience. He is a traveler, journalist and orator of note. He was reared among the Indians of the Southwest, but educated himself so at the age of 19 he had become managing editor of a large and influential daily newspaper in Cincinnati.

Wednesday afternoon's program was a grand concert by Alford Heils Burgen, noted baritone; Miss V. Poppe, one of America's three greatest cellists, and Miss Esther Sopkin, cornet pianist. Wednesday, the children's hour work for the week will get into full swing under the direction of Miss Moore, special children's worker. This work is preparatory to a great pageant "Circus Time in Fairyland," which will be given by the children on the sixth day of the Chautauqua.

The Redpath managers now in the city announce that the assisting artist with Margery Maxwell, soprano of Chicago Grand Opera Company who appears Thursday night, will be Isador Berger, violinist, and Florence Schubert, pianist. Both are announced as possessing unusual talent.

This season the Redpath Chautauqua management will pre-

WIDOW OF REV. E. B. BLACKBURN

Beloved And Lamented Goes to
Meet The Late Divine In The
Great Beyond.

Mrs. Mary Jane Blackburn venerable relict of the late Rev. Elisha Bell Blackburn died here Saturday Morning June 22, at 9 o'clock of the infirmities of old age. She had been ill for some time and her death was not unexpected. Her husband, well known and respected by all, who was a Baptist minister for over a half a century preceded her to the grave less than five years ago. They had five children to die. She is survived by one daughter and two sons, Thomas W. Blackburn of the Flat Rock section, U. S. Commissioner Walter A. Blackburn of Paducah, and Mrs. Annie Hughes, wife of the Rev. U. G. Hughes of this city, with whom she made her home.

The funeral was preached at the first Baptist church of which she was a member by Rev. J. B. Trotter at 3 o'clock Sunday afternoon and the interment was at the new cemetery beside the remains of her husband. The floral offerings were beautiful.

The pall-bearers, old friends of the family and members of her church, were Judge Carl Henderson, Wm B. Yandell, Wm D. Cannan, W. T. McConnell, A. M. Henry and Gus Taylor.

The deceased was a Miss McGough and was born near Flat Rock on Dec. 27, 1835 and was married to Rev. E. B. Blackburn when 20 years of age, and lived with him fifty eight years.

She professed faith early in life and joined first the C. P. church at Flat Rock, but after her marriage she joined old Livingston Creek Baptist church, and later the Walnut Grove church, and moved her membership still later to the 1st. Baptist church at Marion. She was a consistent member and lived a beautiful christian life which was an example to her associates.

The Rev. Trotter paid an exalted tribute to her character in his funeral address. She is survived by three sisters, Mrs. Susan Moore, wife of Wilson Moore, of Good Springs, Mrs. Margaret Moore wife of James F. Moore of Princeton, Ky., and Mrs. Seth Stephenson wife of James Stephenson of the Flat Rock section.

Walter McConnell arrived home from Detroit, Mich., Friday leaving his brother Marion there in a hospital. His sister Carrie sees him daily, Marion's condition is not encouraging to the family at this time.

BOYS! Help Win the War

Get out and sell War Savings Stamps on

June 28th

National War Savings Day

On that day everybody is asked to sign a personal pledge to buy

War Savings Stamps

War Savings Stamps are a direct loan to Uncle Sam. Nothing can lessen their value. They're always at par. They pay you well, though that isn't half so important to you as what money does for our soldiers "over there." Back them up. Keep food going to them. Keep their clips full of cartridges. And shoes on their feet.

Boys, get out and sell W. S. S.—and send our soldiers over the top with the go-get-'em feeling that comes from knowing you will see that they get what is coming to them.

War Savings Stamps cost \$4.17 each
on June 28—and pay back \$5.00.

BRISCOE 1918 CAR

This new 1918 model BRISCOE touring car is a beauty and has a record of 25 to 30 miles per gallon of gasoline in ordinary use.

But the biggest economy is in the first cost of the BRISCOE which is \$825.00 F. O. B. Jackson, Mich., and embodying as it does the "half million dollar motor" and a proved chassis is less than the price of any car of equal strength, and good looks. We have been fortunate in receiving the agency of the BRISCOE for Caldwell, Lyon and Crittenden counties. Let us show you this wonderful car.

Turn 'Em Loose.

There are a few blooming idiots who do not want to go to France but declare their willingness to go after the Germans when they land in our own country. From the same reasoning or lack of it, they would rush down the public road for ten miles and grab a fellow with amallpox and take him into their homes, or borrow arabid dog from their neighbor and turn him loose among their new children. —Cadiz Record.

The long list and variety of excuses for slacking are senseless and unreasonable, and fools

no one except the slacker himself. There are a lot of pretenders without sense enough to know they cannot fool the people all the time, but it is better to be patriotic than it is to be an out and out slacker. Many have never realized the seriousness of the war situation. —Livingston Enterprise.

Failed To Register; Goes To Trenches

Madisonville, Ky., June 12—Andra Gamblin, twenty-four years of age, who failed to register June 5, 1917, was brought to the local board this week and was immediately sent to Camp Zachary Taylor. Gamblin did not state why he neglected to register.

Hopkins county will send 280 men in the draft call the latter part of this month, 130 negroes and 150 white, the largest number of any county in the state. Class No 1 still has about 400 men in it, but the call this month will about clean it up. On June 5, 284 registered.

Many Are Lending Their Lives—What Are *You* Lending?

You can at least lend your money for them? Prove your patriotism with dollars.

Why a Ship Floats.

No ship should stay on top of the water unless that part of it beneath the surface displaced as much water as the ship weighed. If the volume of water so displaced was lighter than the ship, the latter would sink. It is a principle of nature that lighter things pass above those of greater weight.

Keep Faith With Your
Boy "Over There"

When your boy was so little that all the world was a foreign country to him, he trusted you to take care of him.

You sent that boy to school and to play and on your little errands, and with implicit faith he did your bidding.

Now we have sent your boy or your neighbor's boy out into a foreign land, into terrors that we cannot even know---and his faith has not faltered. He knows we will do our part, and we know he will do his.

Are we keeping the faith? Are we scrimping and saving and giving to help our boys do the thing that humanity has asked of them, and to help them come back to us sane and whole?

True Patriotism

"Our country's welfare is our

—Harvard.

present "game" will soon be finished.

and then some day my
chance will come."

"Success does not so much depend
on external help as on
self-reliance."

"I don't think much of a man
who is not wiser today than he
was yesterday."

"Let us have faith that right
makes right, and in that faith
let us dare to do our duty as we

His Sensible Question.

"Mamma—"

"Now, sonnie, don't ask me
any more foolish questions."

"I just want to ask one little,
teeny question, mamma."

"Well, you may ask it if it is a
sensible one, but I am tired of
the silly ones you generally ask."

"Well, mamma, is papa your
husband?"

"I don't call that a sensible
question. You ought to know
that without asking. Of course
he is."

"Well, mamma, I know, but I
just wanted to ask a really sensible
question. If papa should
die and go to heaven, what
relation would you be to God?"

to be called his equal.

69 DEFENDERS OF THE FLAG

Entrained Here Monday Morning
Depart For Camp Zachary
Taylor.

Almost two thousand people
assembled in this city Monday
morning to bid adieu to the sol-
diers who left for Camp Zachary
Taylor, at Louisville, to go in
training.

The brave lads were attended
by a host of relatives from all
parts of the county, showing the
great interest in the defense of
our nation which is now abroad
in our land. Of course the leave
takings were sad, many may not
meet again, but let us hope the
war will soon be over, the Kaiser
unhorsed and taken from the
throne he has dishonored and
renounced by the nation he has
bathed in blood.

returned Wednesday night. The
happy couple will make their
home with the groom's parents
where he is engaged in farming.

Charley McBride and Ada But-
ler were married at Eliza-

by Rev. Ilo Hall. After a visit to
Mrs. McBride's sister Mrs. Nell
Hornung at Rosiclare, they re-

left for camp Zachary Taylor.
The groom is a sterling young
farmer and has made his home

The bride has a position at the
millinery store of Mrs. Lottie
Tinsley Terry and is quite pretty.

James Newton Moore son of
Mr. and Mrs. D. B. Moore of
this city and Miss Jamie Gladys
Hardy daughter of Dr. and Mrs.
R. L. Hardy were united in mar-
riage last Thursday evening at
the Methodist church in Eliza-
bethtown, Ills. They left here
at seven o'clock and motored to
Rosiclare and after crossing se-
cured a car and proceeded to the
county seat where the license
was obtained, and as prayer
meeting was in progress they
attended it and asked the min-
ister to say the ceremony, which
he did in his best style.

They were accompanied by
Orville Threikeld cousin of the
bride and Miss Miriam Pierce.

After the wedding the party
returned to Rosiclare and crossed
to the Kentucky side where their
car had been left and returned
to the home of the brides mot-

THE PRESIDENT'S APPEAL FOR NATIONAL WAR SAVINGS DAY

President Wilson has issued the following:

This war is one of nations—not of armies—and all of our one hun-
dred million people must be economically and industrially adjusted to
war conditions if this nation is to play its full part in the conflict. The
problem before us is not primarily a financial problem but rather a
problem of increased production of war essentials and the saving of
the materials and the labor necessary for the support and equipment of
our Army and Navy. Thoughtless expenditure of money for non-essentials
uses up the labor of men, the products of the farm, mines,
and factories, and overburdens transportation, all of which must be
used to the utmost and at their best for war purposes.

WOODROW WILSON.

and labor with which to end the war, the practice of individual thrift
is a patriotic duty and a necessity.

I appeal to all who now own either Liberty Bonds or War Savings
Stamps to continue to practice economy and thrift and to appeal to all
who do not own Government securities to do likewise and purchase
them to the extent of their means. The man who buys Government
securities transfers the purchasing power of his money to the United
States Government until after this war, and to that same degree does
not buy in competition with the Government.

I earnestly appeal to every man, woman and child to pledge them-
selves on or before the 28th of June to save constantly and to buy as
regularly as possible the securities of the Government; and to do this
as far as possible through membership in War Savings Societies. The
28th of June ends this special period of enlistment in the great volun-
teer army of production and saving here at home. May there be none
unenlisted on that day!

May 25, 1918. (Signed) WOODROW WILSON.

American Soldiers in France Will Soon Number Million

Washington, June 19.—To
give the allies a mastering supe-
riority of numbers over the Ger-
man invaders, American troops
are being rushed to France as
fast as transport tonnage will
permit. When the purpose will
be realized cannot now be fore-
told, but more than 800,000 men
have been sent overseas and
this number will be increased to
1,000,000 early in July.

Many of our people did not
know that the W. H. Fox, who

years; am fleshier and stronger, and feel well in every way. Can eat anything. I hope everyone who has stomach trouble or nervousness will try Vin Hepatica. We don't know how to appreciate good health until we are nearly dead and then get well. I am well and happy now, and I owe it all to Vin Hepatica. It's Raining Now

That money you have laid away for "a rainy day"—wouldn't you give every nickel of it to keep a Hun's knife away from your boy's throat?

Well, the Hun wants to get here with his knife—and the "rainy day" is here—it's raining now, raining bombs and shrapnel upon our boys "over there."

You don't have to fight, but—

Your son does, or your brother who is now across the way—or the kid now in khaki to whom you used to give pennies a short time ago.

What Will Be Your Answer?

Many American ships with many American lives are at the bottom of the Atlantic, victims of the German lust for blood.

Our boys are going "over there," through a sea of hostile submarines, to fight that you and I at home may be safe.

But we can do something. Germany said to us, "You cannot cross the ocean with your men! You cannot fight us, because you cannot reach us!" What shall our answer be on June 28?

June 28th National War Savings Day

Let every man, woman and child join in an answer that can be heard from one end of Germany to the other—an answer so clear, so strong and so true that it may have a far greater effect than any of us can imagine, on Germany's future policy.

Let this be our answer—let every man, woman and child in this great land of ours pledge himself to buy as many War Savings Stamps as he or she can possibly afford. Let's show German autocracy that instead of

undermining our morale, sinking our ships and killing our men only stir us to action.

If every American buys one War Savings Stamp on June 28th it will add 425 million dollars to our war fund.

But that is not enough. We must pledge five times that. Our quota for the nation is two billion dollars, to be raised through the sale of War Savings Stamps this year.

Let's strike another telling blow to the Kaiser on June 28th by taking up every dollar of that two billions.

LAUGHING WARRIORS

Stories from the front in these big days testify that our soldiers are fighting "like demons," and laughing demons at that. Their valor for combat is matched by their spirits. They go into battle eagerly, with song and jest. They wield bayonet and grenade with a laugh. They return shouting if they are unhurt and smiling if they are wounded.

"The front," writes a correspondent, "is probably the most cheerful place on earth. Where shells fly and life isn't worth a

nickel, nothing matters to anybody."

Other nations, generally speaking, fight grimly. Even Tommy, the most exuberant of our allies, is somewhat sobered now. But the American, who has always what Kipling calls "the cynic devil in his blood," and what most of us call simply a keen sense of humor, grows merry where others grow gloomy.

"I have heard more funny stories and more laughter among our men in the line in one night," says a veteran correspondent, "than I heard in all the rest of

the time I have been in Europe."

It is not flippancy, as our Sammies' heroic record attests. It is the "light touch" of strong, confident men, who know exactly what they are doing and how they are going to do it. Their apparent frivolousness is the foam that covers a strong, deep current. It is a by-product of tremendous energies in action.

Beware of fighters who laugh. Our boys' laughter is the death-knell to Prussianism.—Paducah Sun.

What Is Your Baby Worth to You?

That baby of yours—he's the very center of the world to you. When he laughs you laugh, when he suffers you suffer. His future—to you that is the most important problem of life.

His future—the conditions under which he is to live depend upon the outcome of this war. His future—the education that is to fit him for the world may depend upon the size of the family "nest egg" when he grows up.

Protect the future of that baby of yours—protect him from future wars, provide for his education. Join the millions of other American fathers and mothers. Invest for that baby of yours.
