KILLED IN AN
AUTO ACCIDENT

George Kemp, His Grandson
And the Cherry Tree They Were Straying To in Rippe Red

Dr. William H. Hill was killed in an accident on the auto route Saturday night, according to reports that received this morning.

Dr. Hill, the physician and surgeon who is associated with the hospital in Seattle, was returning from movement headquarters in that city, where he had been for some time. Dr. Hill was driving a motor car, and was killed instantly. The news was a shock to the community, as Dr. Hill was a member of the Masonic, K.I. O.S.M., and the Shriners.

Dr. Hill was a well liked and respected professional man, and his death is a great loss to the community. The funeral arrangements are being made by the Masons.

Smother the Kaiser with War Savings Stamps

Smother the Kaiser with War Savings Stamps! These words are called by the Kaiser more "creep." For words are an example of the "war" in the form of thought which appeals more to the German emotions than to his reason; he must be shocked into silence and this is accomplished by the "war" in the form of thought, which is the chief weapon used by the Kaiser. The Kaiser is a...
North Carolina Led Colonies in Freedom's Fight

It was a significant step in preserving the first free and independent people; and it led to a new direction in the history of the United States. The victory of the Open Field against the British troops was a symbol of the people's determination to defend their rights and freedoms. The Open Field battle was fought in 1775, and it is remembered as a key event in the colonial struggle for independence.

The victories of the American colonists were marked by a strong sense of unity and determination. They fought not only for their own personal freedoms, but also for the rights of all people to live free and just lives. The victories at the Open Field and other battles were a testament to the strength and resilience of the American people.

In conclusion, the victories at the Open Field were a crucial moment in the struggle for independence. They demonstrated the readiness of the American people to fight for their rights and freedoms, and they paved the way for the eventual success of the American Revolution.

The spirit of unity and determination that was exhibited at the Open Field is a lesson that is still relevant today. It reminds us of the importance of standing up for our principles and rights, and of working together to achieve a better future for all people.

James B. Brown,
State Director of Kentucky,
Louisville, Ky.

Reports from all sections of the United States indicate big success for the War Savings Campaign for Pledge. I am depending on your State not to fail behind the others. Close adherence to the National plan, with particular emphasis on large pledges, and other essential features, backed by thorough, comprehensive organization and increasing effort will insure success.

In this critical period of our war, we are doing everything possible to make Washington back up you.

BACK TO THE LAND

"We can do it, and we must do it to the satisfaction of the President's Father," Secretary of Labor and a recent Department official in the War Department official said. 

FARMERS, BROADCASTING THROUGHOUT  
THE WORLD.

The new food campaign, launched in the United States, is spreading to other countries. The idea is to increase agricultural production in order to feed the Allies during the war. 

During the next few months, farmers will be encouraged to plant crops for the military purposes. This will help to ensure food supplies for the Allies and contribute to the war effort.
