For the garden party and all the summer picnics there are times when the older girls and boys will want to have a variety of sandwiches and rolls to munch on. A good many will want to bring some buns or rolls that they have made at home and that wasn't. It would be well to have some extra rolls on hand in case there is an emergency. And the boys and girls will need something to drink, so they will be glad to have a supply of lemonade or other beverages. It is a good plan to have some fruits, such as apples, pears, and oranges, as well as some cakes and pies, to serve for dessert. This will make the party more enjoyable and will ensure that everyone will have a good time.
