STRAND THEATRE

FRIDAY, AUGUST 15th,

Vivian Martin

"The Fair Barbarian"

The story deals with an American girl who visits a small English town-with the soothing effect of a small-sized cyclone. How she wins over the crusty English spinster aunt with whom she lives, and manages to bring, not only her own romance, but those of several others, to a successful climax, makes an exceptionally attractive screen story.

SATURDAY, AUGUST 16th, 641

Douglas Fairbanks "Headin' South"

Fairbanks is an expert horseman, and his riding scenes at the head of 200 cowboys are intended to thrill the most blase patron of ities to cover the after the war needs a theatre.
