The big fire we have been told so much about has not done as much harm as was expected. The damage was confined to a few buildings and the loss was not as great as was feared. The fire started on Main Street and soon spread to the adjoining buildings. The firemen worked hard to control the flames but were unsuccessful. The building that was hit was a small store and several homes were also destroyed. The firemen worked overtime to control the blaze and to save the surrounding properties.

Don't You Want To Be A Good Business Man Or Woman?

There are not enough American Parker pens in the United States to supply the demands made on their manufacturers by businessmen, lawyers, physicians, clerks and students. To meet the demand, the United States Pen Company have recently increased their production of Parker Pens and Parker Pencils. If you want to be a good business man or woman, you should have a Parker Pen. The price of a Parker Pen is so low that every businessman, lawyer, physician, clerk and student should own one.

Parker Pens are sold at all leading stores. Ask for them by name. They are the only pens that everyone wants. Parker Pens are the only pens that everyone likes.

Parker Pens are the best pens that can be had for the money.

Notice from a Coal Company

A number of our customers have complained at not being able to find our NAME in the TELEPHONE DIRECTORY. You will find us listed in the “M’s” and not the “N’s” as our NAME is the MAURIE NUNN COAL CO., NOT Nunn Coal Co. You will find our number to be 225-2 rings. If you want to call at night call 225-3 rings. A call at night may save a long drive the next morning without getting any coal for coal is now hard to get and we do not have it at all times.

Yours for better coal
