THE COLYUM.

Many humorous things come to light during the course of our life. For instance, a good friend J. R. Postlethwaite has five cows and each one of them inclusive but together actually produce quarts of milk every time milks them or causes the same to be done.

o o o o

Guy Givens is still so stuck up over the way he fed the big crowd in town on last county court day that he will not walk inside of the sidewalk for fear of bumping into a projecting wall. That was sure a big day for Guy though.

o o o o

It would do you good to hear Jas. H. Orme tell about the fine stock he saw at the Indiana State Fair which he attended this fall, while in Indianapolis buying his holiday goods. There is one sure thing that fine cattle and all the accompanying nice things of country life follow good roads as sure as day follows the night.

o o o o

For fear that some of you have forgotten that there are still some improvements to be built in Marion I will call your attention to the fact that the old bridge on Belleville street, near the railroad track is in need of some minor repairs. I believe that I have already mentioned this though in a previous issue.

o o o o

Some people sure have queer ideas about a weekly paper. They think that when the paper is in the mails that we have nothing to do then until next press day.

o o o o

The Methodists had the biggest attendance at Sunday School last Sunday than they have had for several months. There is nothing magical about that though. They run an ad in the Press last week. That always brings results.

o o o o

There are one or two other lines of business in Marion that could well tear a leaf out of the experiences of some of the folks who advertise regularly in the Press, and there would probably be a great deal more of Crittenden money left here than there is now, if they would profit by this example that is being set up before them.

Disciples Of Christ To Meet In September

The Disciples of Christ throughout the State will meet this year at Hopkinsville, Ky., September 22-25. At this convention the great religious problems of the hour will be brought up for discussion, and comprehensive plans for the reconstruction period will be formed by the leaders of the various departments of this religious body.

There will be four sessions of the Convention, respectively: Monday, Sept. 22, Educational Session; Tuesday, Sept. 23, Christian Woman's Board of Missions Session; Wednesday, Sept. 24, Christian Missionary Society Session; Thursday, Sept. 25, Christian Bible School Association Session.

Many prominent ministers and educators will appear on the program. Dr. H. O. Pritchard of Indianapolis, and R. H. Crossfield of Lexington and Miss Ella Johnson, Midway, will be the principle speakers at the Educational Session.

Mrs. L. L. Campbell, Lexington; Mrs. J. T. Sullivan, Louisville; Mrs. Stanley, Louisville; Mrs. M. S. Walden, Danville; Dr. Roger T. Nooe, Frankfort; Dr. J. T. McGarvey, Hazel Green; D. O. Cunningham, Japan, will be the principle speakers of the C. W. B. M. Session.

Homer W. Carpenter, Richmond; Stephen J. Cory, Cincinnati, O.; Dr. Edgar DeWitt Jones, Bloomington, Ill.; Joseph W. Hagin, Cincinnati, O.; H. W. Elliot, Sulphur, are among the speakers of the State Missionary Society Session.

W. J. Clark, Sparta; Dr. Peter Ainslie, Baltimore, Md.; Robert M. Hopkins, Cincinnati, Ohio; J. W. Zimmerman, Topeka, Kansas; Lin D. Cartwright, Louisville; Horace Kingsbury, Owensboro, are among the speakers of the Christian Bible School Association Session.

The great church at Hopkinsville is making every effort to make this the greatest convention ever held in Kentucky. Special railroad rates on the certificate plan have been secured, and a large attendance is expected.

IN SOCIETY

The following was clipped from a Deland, Fla., paper: SANDERSON-HAYNES

"A wedding of much interest to their host of friends was solemnized Tuesday, Sept. 1, when Miss Ruth Fulton Haynes became the bride of Mr. Herbert Converse Sanderson, of Columbus, Ohio. The ceremony was performed at the home of the bride's parents, Mr. and Mrs. H. A. Haynes, North Clara Ave., at 2:30 o'clock by Dr. D. J. Blocker, the double ring service being used and was witnessed by only the relatives and a few intimate friends. At the appointed hour, to the strains of the wedding music played by Miss Olive Cruse, the bridal party entered, led by the maid of honor, Miss Mamie Haynes, sister of the bride, charmingly attired in a gown of beaded pink georgette, white georgette hat and carrying bride's roses. The bride, lovely in a white georgette gown and white georgette hat and carrying a shower bouquet of white roses and tulips, entered with her brother, Mr. Chastain Haynes, who gave her in marriage. The groom with his best man, Mr. Charles Limpus, of Orlando, joined them at an arch of Mexican vine, on each side of which were tall baskets of roses and tulips, where the ceremony was pronounced in a most beautiful and impressive manner.

Refreshments were served and the couple, left soon after for Jacksonville, leaving there on the steamer, Mohawk for New York and other eastern points.

The bride's traveling suit was blue tricot with gray accessories.

Mrs. Sanderson is the attractive daughter of Mr. and Mrs. H. A. Haynes, and a graduate of the College of Arts, Stetson University. Mr. Sanderson is the son of Mr. and Mrs. H. E. Sanderson, of Columbus, Ohio, and is a former Stetson student. They have the best wishes of a large circle of friends. After the wedding tour, they will go to Columbus to make their home."

Miss Lillie Belle Dunn was host Saturday night at a theatre party given in honor of her cousin, Robert Porter Piercy, of Cadiz, Ky.

Those present were Misses Virginia Flannery, Jewel Rankin, Elizabeth Rochester, Roberta Moore and Myrtle Glass; Messrs. Robert Porter Piercy, of Cadiz; Byrers Winston, of Sturgis; Kenna Powell, Wallace Thompson, Doyle Vaughn and Billie Moore.

Ford Hill Being Worked

The people who travel the Ford's Ferry road and are acquainted with the Ford Hill will be glad to know that it is being worked. It is not more than half finished because it is slow hard work, but if the men around there will get together and help Mr. Ford and the hands they can soon finish the job. This road can be made a good one with a little effort. If you can't help Mr. Ford the road your self send Mr. Ford a \$5 or \$10 bill and let him hire other hands.

Small Boy is Host.

Master Charles Driver, son of Mr. and Mrs. Hugh Driver, was host at a delightful birthday party, Saturday afternoon, Sept. 6th, from four to six.

Various games were played and the little folks enjoyed the party thoroughly at five o'clock they were taken to the dining room and served first with sandwiches and grape juice, then with the birthday cake and ice cream.

The guests included Little Misses Dorothy Tucker, Soleta Enoch, Margueret Joiner, Margaret McConnell, Evelyn Farmer, Laura Butler, Lawrene Farmer, Elizabeth Reed, Mary Ellen Boaz, and Christine Crider, of Fredonia; Masters Albert Henry, Thomas Tucker, Everett Muick and Sercy Henry.

Win at Earlington.

The Marion Red Sox played Sunday, the 14th, against Earlington and made a winning of nine to one. It was a very good game, but not close enough to be interesting.

Earlington has a team which is considered very good—but the Red Sox just can't be beaten. Brad Wheeler's home-run with the bases full was the main feature of the game.

Floyd Wheeler pitched a good steady game allowing only two hits.

GRIFFITH'S "HEARTS OF THE WORLD" THE BEST SHOWN

The first production in Warsaw of Griffith's masterpiece, "Hearts of the World," given last night at the Centennial Theatre, for two hours thrilled the audience. It is the greatest production in filmdom in the country to-day and to miss seeing it while you can is to miss an opportunity of being an eye witness to the world war itself. Many of the pictures were taken while Hun and Allied troops were in action, some of them within 50 yards of the German battle line and others only 200 yards away, with shrapnel bursting in the air above the camera man, whose uneasiness at where the next shell would bust must have been intense.

The story running through the production is splendid and pathetic. Unlike many film productions the story is not the least overdrawn. The unfolding on the screen of "Hearts of the World," is accompanied by a fine orchestra. Heralded as the most thrilling and interesting film production, "Hearts of the World" is without question the greatest ever seen here, and the Centennial management is to be congratulated over securing Griffith's masterpiece. Every body should see it before it goes elsewhere. Saturday night is its last presentation. With matinees Friday and Saturday afternoon.

---Warsaw Times, Aug., 23.
This picture will be shown in Marion, at the Strand Theatre, September, 29th and 30th.

It has now been nearly two months since the big fire destroyed a number of our business houses. At this time there has been no visible work done toward rebuilding this section with the exception of McConnell & Wiggins and Medley Cannan have cleaned the brickbats out of the place they plan to build. We understand they are to begin building as soon as their plans are ready.

As to the other proposed buildings we have no definite information but it seems that even though contracts can not now be placed for reconstruction it is at least possible to clean off the lots and get the ground all ready for work, so that there will be no delay when ready

for building. This pile of bats on our main street is not at all ornamental. About the only purpose that it could serve would be to remind our citizens of our crying need of an adequate system of waterworks.

Speaking of waterworks reminds us that there is a town of 1400 people out in Kansas which has water, sewers, twenty-four hour electric service and macadamized streets, and it is not a county seat either. They haven't the natural advantages out there that we have here either, owing to the fact that coal has to be shipped in from Illinois and Colorado. What others can do Marion can do. Marion must start constructing on a water system before next July. The Press sees a great future for Marion. Let's all get busy and make it materialize.

Notice.

All accounts over 30 days old not settled by Sept. 15, will be placed with our attorney for collection. Come in and settle up, thereby saving cost and perhaps hard feelings. We must collect. Yours truly,

Go With Us Into the Famous Burkburnett and Panther Fields

The sensational Oil Fields of Texas where fortunes are soaring with every gusher! Mind you—acreage in this territory is commanding record prices and is scarcely to be had. Here is an opportunity to get in on the ground floor with experienced oil men of Texas and New Mexico.

FOR BIG PRODUCTION

There is no need for us to tell you of the sensational developments in the Burkburnett and Panther oil fields of Texas. These are fields of such remarkable production and with such a high average of successful drilling that the acreage in this territory can scarcely be had at any price. Here is a new company, already sufficiently financed to have secured and to own outright 55 acres in the midst of production. For the purpose of drilling, it is now offering one-half of the capital stock it has set aside for development. This company affords you what may be your last opportunity to get in on the ground floor in these sensational fields, and it guarantees:

(1) That 100 per cent dividends on the par value of stock will be paid to all shareholders from the profits before any part of the profits can be employed for any other purpose, after which 75 per cent of all profits will be paid monthly to shareholders and the remainder will be employed for further development.

(2) That there is no preferred or promotion stock in this company and that no salaries will be paid until after production is brought in and then only the amounts necessary for the efficient management of the company.

(3) That everyone who now becomes a stockholder will have an option to purchase, within fifteen days, an equal amount of stock at the same price after production is brought in, even though this will mean a tremendous increase in the value of our stock.

WITH EXPERIENCED OIL MEN

Associated in the management of this company are men of Albuquerque and Santa Fe, New Mexico, El Paso, Texas, and Paducah, Ky. These men welcome investigation of themselves and of this company. They are associated together with solely one purpose in view—to get oil. They have shown their capability by the holdings which they have acquired and their faith in themselves and this company by the investment of their money. Not one of these men will profit in any way except on dividends from the stock they have bought, earned by the production of oil. Following the policy of the most progressive companies in the Burkburnett and Panther fields, the National Petroleum Company will devote its entire attention to drilling. The company's financing is being planned with that intention in view.

Here's Our Proposition

The National Petroleum Company is incorporated under the laws of the state of New Mexico. It is authorized to issue \$300,000 in stock at par value of \$1.00 per share. It is the plan of this company to set aside:

100,000 Shares For Organization

For acquiring our holdings, options, contracts, leases, advertising expenses, etc., and for a fund to require additional acreage.

100,000 Shares For Production

Of this amount we are now offering 50,000 shares (at par value of \$1.00 per share) and granting an option to purchase, within fifteen days after production is brought in, an equal amount at the same price.

Leaving 100,000 Shares in the Treasury

This last 100,000 shares is for refining and extension. After production is obtained this stock, if sold, will command a big price, and should very greatly enlarge our operations, placing us among the large producers of oil.

TELLS SECRET OF HIS PRESENT SOUND HEALTH

Cheaney, 84, Thanks Trutona for Splendid Physical Condition Despite Age.

Henderson, Ky., Sept. 12. A striking picture of health, though nearly five years past the four-score mark, L. M. Cheaney, 84 years old, residing on rural route No. 4, Robard, Ky., near here, is among the thousands of Kentuckians who are gratefully praising Trutona, the perfect tonic.

"For the past forty years I have suffered from a catarrhal affection of the stomach," Mr. Cheaney said, "I was continually bothered with constipation. Pains in my neck and back would often become so severe at night that I'd have to get up and apply hot cloths to relieve them.

"I cannot say too much for Trutona because of the relief I've gained from those nerve-wrecking pains. My bowels have never been in better condition than at present, either. I sleep better at night, too, than I have for some time. Trutona has helped me in more ways than one and I believe it will relieve anyone suffering as I did."

Trutona is now being introduced and explained in Marion at J. H. Orme's Drug Store, Adv.

Gass--Crayne.

On Wednesday evening, Sept. 10th, at 7:30 o'clock, at the home of the bride's parents, Miss Lillie Gass and Mr. Fred Crayne were united in marriage, Rev. H. C. Paris officiating.

Miss Edna Morgan and Mr. John Gass were the attendants. The bride is the daughter of Mr. and Mrs. Isaac Gass, on East Depot street, and is a charming young lady of refined and noble character. The groom is a prosperous young farmer of Ridgeway, Ill.

Mr. and Mrs. Crayne left Thursday morning for Ridgeway where they will make their future home.

A Voice From Sioux City, Iowa, says,

PE-RU-NA

Worth Its Weight In Gold

You cannot mistake the words of Mr. W. W. Northrup, of 908 Fourth Street, Sioux City, Iowa. He is enthusiastic about his present health and the merits of PE-RU-NA and wants everyone to know it. Here is a recent letter from him—

"PE-RU-NA is worth its weight in gold and then some. I used to think it only a woman's remedy but have changed my mind. I had a cough, especially in the morning. After using half a bottle of PE-RU-NA was much better. I would cough up chunks of phlegm and mucus, my eyes itched and bothered me. Judging from the symptoms given in your almanac it was catarrh. My stomach is in much better condition since using your medicine."

"Use this testimonial, if you wish. Don't hesitate to advertise the merits of PE-RU-NA." (Signed) W. W. NORTHRUP.

There are thousands just like Mr. Northrup, skeptical at first but convinced by a trial of PE-RU-NA. DON'T BE AN UNBELIEVER. If your trouble is of a catarrhal nature, try PE-RU-NA, then tell your friends. It is fine after an attack of grip or Spanish Flu.
