THANKS! THANKS!

To all who have placed their insurance business, fire or life, with me during the past year, I want to extend my sincere thanks.

My business has more than doubled during the past year, and I heartily appreciate the part that each of you has contributed toward this splendid growth; and, I assure you, that I will at all times look after your interest to the very best of my ability.

I SEE

Judge J. L. Atkeson was honored with a dinner on Thursday evening at the Hotel Clarion.

The agitation of the Long Creek road is causing much trouble in that locality. It is feared that the road is not wide enough and that it is not in good condition.

Edgar L. Bieker, who has been in the hospital for some time, is expected to leave on Friday.
