Representative R. E. "Bob" Wilborn

Makes Split Milk Offer to the People—Come to Your County Clerk’s Office at Marion and See All The Information in This Particular Article. And Senate at Frankfort, in Kentucky.

I am in receipt of a letter from our Representative, Bob Wilborn, now at Frankfort, in Kentucky, in part as follows:

"I am sending you two of those three bills which I have been discussing. Also the Legislative Digest which I will send you every two or three days, so that you may be informed as to what is going on in the legislature.

I have been busy with my constituents and have been out of the office for some time, but I am glad to say that the bills that I have been working on are moving forward and I hope to have them passed into law soon."

I am sure that you will be pleased to hear of the progress that is being made in the legislature. I am sure that the people of this state will be pleased with the bills that have been introduced and will do all in my power to see that they are passed into law.

I hope that you will keep me informed of any bills that you think should be passed into law and I will do all in my power to see that they are passed.

Yours truly,

R. E. "Bob" Wilborn

Just A Word of Warning to OWNERS of DOGS!

Every person in Crittenden County, owning or harboring a dog is supposed to procure a license and tag for each dog, and upon failing or refusing to comply with the law, such person is guilty of a misdemeanor and upon conviction shall be fined $100, or imprisonment not exceeding three (3) months, at the discretion of the Court.

I see from the Clerk's records, that up to February first of last year, he had sold one thousand four hundred and eighty-seven dog licenses, and this year up to January the 20th, he has only sold three hundred and fourteen. Now it is not just and fair to the small number of $24 who have paid their money for their dog licenses, that the overwhelming majority of dog owners over the county violate this law and suffer the penalty. So when you are brought before the Court to pay the penalty, you have no one to blame, save yourself.

This Law Will be enforced.

PURE BRED HORSES

Every horseman and farmer knows that it costs more to raise a good horse than it does a cow.
A group of progressive Crittenden men have invested a large sum of money in a thoroughbred stable to make it possible for this type of horse to be raised in this county.
