## Leap Year Party and Big Fire.

On Monday evening March 1 a Leap Year Party was given by the Epworth League in the basement of the M. E. Church. About seventy five people were present and it may truthfully be said that all had a splendid time. The most beautiful girls in Marion were present and it is needless to say they made fine escorts. The young men present were rather timid at first, not knowing just how to play their part, but they gradually gained confidence and when the ice cream appeared their self consciousness vanished as if by magic.

Before the evening was over every youth present had been proposed to several times. One present promised to marry five different young ladies. While the refreshments were being served splendid music was rendered by Miss Eva Yates, Ted Boston and Harry Moore.

Immediately after the party broke up about ten thirty o'clock the fire whistle blew and all made a march to the home of Mr. Northern on West Elm St. The property was owned by J. N. Boston of this city was in great danger for a while as smoke was so dense in the house that no person could stay inside any length of time. The fire caught in the basement from the furnace. It is supposed that a can of gasoline near the furnace was the immediate cause.

The damage done was not as bad as it could have been but the kitchen floor is very unsafe at present writing.

## Dies Of Pneumonia

Mr. Craig had for thirty years since the death of his wife, been living his with his daughter Mrs. Cavenier, who recently married Mr. Henry Stone, and Mrs. Browning of Rosiclare Illinois, and had spent the larger portion of his older days in Rosiclare Illinois, which were spent in leisure.

Mr. Craig was born at Elizabethtown Ill., Dec. 26, 1844, and was married to Miss Louise Rowan in 1868. Of this union three children were born, two of which survive him, Mrs. Browning of Rosiclare Ill., and Mrs. Henry Stone of this place. He has two brothers in Oklahoma, W. D. and Charles Craig.

## The Why Of This Paper

In our last issue we announced that there would be no Press this week, because we were going to move. We decided it best to publish this issue if possible and the result is the copy that you are now reading. This issue was published by the High School in their office. Perhaps many of our reader didn't know that the Marionite was published by the students of the High School themselves. This sheet is the size of the Marionite and the Press is doing its bit to help the High School in publishing this paper. Let everybody patronize the Marionite.

C. J. Pierce returned from Fla. Tuesday, where he has been since last April.

**A New Back for an Old One—How  
a Marion Resident Made a  
Bad Back Strong**

The back aches at times with a dull indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame that to stoop is agony. No use to rub or apply a plaster to the back if the kidneys are weak. You cannot reach the cause; Follow the example of this Marion citizen.

Mrs. Joel Pickens, 402 W. Depot St., says: "About two years ago my back went fully through the small in Marion kidneys were weak and acted irregularly. My back ached dreadfully through the small of it and I was troubled a lot with dizzy spells. I had read so much about Doan's Kidney Pills. I got a box at Haynes & Taylor's drug store. They helped me from the first and I continued taking them until cured."
