Henry & Henry
Marble, Granite and Green River Stone Monuments
A HOME INDUSTRY

Let us show you our monumental work, visit our plant and we will act the work that you want. All
cutting and carving is done by skilled workmen of proven
ability whose work cannot be surpassed in any city in
the world. THEREFORE AT HOME you can see the
work you are getting and know exactly what you have bought.

EXPLOSIONS CAUSED BY DUST

In one case of explosion at the Ohio State Department of Agriculture, sawdust was used in the explosion. This is the only explosion in the State Department of Agriculture which has occurred in the past 10 years.

ASTRONOMY STILL AFAIR

The Ohio Department of Agriculture has been using an 8-inch refractor in the last year. This is the first time such a telescope has been used in the State Department of Agriculture.

Three Types of Tires for Three Kinds of Use

YOU don't want a truck motor in a touring car. You don't want a touring car motor in a truck. The right type of motor is the one that is best for the use to which it is put.

Different conditions must be not different. That is why Lee builds three types of tires for three kinds of use. The right type for your purpose is the one that is best for the use to which it is put.

Consult us on tires. We'll never put conditions on tires that are not used and provide the Lee Tire that will serve you best—the Lee Tire that will give you most mileage and service.
